CLAYCOPTER *SURFACE-TO-AIR*™

PATS:aob.com/patents

HANDS-FREE ELECTRIC TARGET LAUNCHER

PRODUCT# 1222326 • CLAYCOPTER SURFACE-TO-AIR LAUNCHER • UPC# 198700000571

THE MOST ADVANCED TARGET LAUNCHER ON THE MARKET

See why people are saying ClayCopter targets are “the new way to clay”. These unique spinning prop targets are made from biodegradable, non-toxic materials that fly in ways a traditional clay never could. The Caldwell ClayCopter Surface-to-Air launcher is the most advanced ClayCopter launcher on the market. This portable, ultra-lightweight (under 10 lbs.), target launcher retains most of the features of the original ClayCopter while offering hands-free operation. Powered using an included Caldwell 12 Volt Li-Ion battery pack, these ultra-compact batteries are capable of over 300 launches on a single charge. Loaded with advanced features, the Surface-to-Air has both oscillating and wobble functions that can be independently adjusted to fit the shooter’s desired challenge level. To unlock the full potential of the Surface-to-Air, users can use the Bluetooth connection option to operate the launcher with the free Caldwell Clays App from over 90 yards away. Advanced features include pairing up to 10 other Surface-to-Air or Claymore Connect throwers, voice control for hands-free launching, presenting of target pairs, customizable flurries, and more. Fill the sky with ClayCopter targets with the Surface-to-Air launcher.

- **ULTRA PORTABLE / HANDS-FREE:** Compact and lightweight (under 10lbs.), easy to transport, and is freestanding, for hands-free operation
- **MOST ADVANCED LAUNCHER ON THE MARKET:** Connect with up to 90 yards away using the free Caldwell Clays App. Users can simultaneously control up to 10 throwers and unlock advanced features like hands-free voice launch, preset target pairs, flurries, and more
- **NO MESSY WIRES:** Includes a wireless remote with 50 ft. range
- **LI-ION BATTERY INCLUDED:** No heavy and expensive batteries, included Li-ion battery pack lasts over 300 launches on a single charge
- **SELECTABLE TARGET OPTIONS:** launch singles or pairs with the optional randomized wobble and oscillating functions
- **50-TARGET CAPACITY:** works with all ClayCopter targets, including 90mm and 110mm
- **NIGHT-TIME READY:** Built-in UV lights charge ClayCopter UFO targets in the launcher for glow-in-the-dark target shooting fun

ELECTRIC CLAY TARGET THROWER WITH LITHIUM-ION BATTERY

PRODUCT# 1223620 • CLAYMORE CONNECT™ CLAY TARGET THROWER • UPC# 198700000854

CONNECT TO A BETTER WAY TO THROW CLAYS

For decades, electric trap throwers have been a one-trick pony. It's the same old thing over and over. Heavy automotive car batteries, tangled cords for remotes, big, bulky machines that are hard to transport, and even worse to store when not being used. The Caldwell Claymore family of throwers has been a fresh breath of innovation in the traditional clay target launcher market. The Connect is the latest and most advanced launcher in the Claymore family. The first thing users will notice is the ability to fold the legs to make transportation and storage easier. Gone are the heavy car batteries. The Claymore Connect uses the Caldwell 12-volt Li-ion battery pack, small enough to fit in your pocket but powerful enough to throw over 500 targets on a single charge. Perhaps the most innovative feature of the Claymore Connect, and where it gets its name, is the Bluetooth connectivity that pairs with the free Caldwell Clays app. With the app, users can simultaneously control up to 10 different launchers from an incredible 90 yards away. Advanced features include voice control for hands-free launching, preset target pairs, customizable flurries, and more. Leave the heavy batteries and tangled cords in the past, get more with the Caldwell Claymore Connect.

- **ADVANCED BLUETOOTH CONNECT:** Caldwell Clays app simultaneously controls up to 10 throwers with advanced features like voice launch, preset target pairs, flurries, and more
- **LI-ION BATTERY INCLUDED:** Compact power source throws over 500 targets on a single charge
- **NO MESSY WIRES:** Includes a wireless remote with 50 ft. range
- **50 CLAY CAPACITY:** Works with both American standard and International clay targets
- **ADJUSTABLE:** Quick and easy lever with 35 degrees of angle adjustment and spring tensioning knob throws targets over 55 yards.
- **COMPACT / PORTABLE:** Light for class design with folding legs for easier transport and storage

CLAYCOPTER™ LAUNCHER

HANDHELD ELECTRIC TARGET LAUNCHER

PRODUCT# 1215376 • TARGET DISC LAUNCHER • UPC# 198700000571
PRODUCT# 1226204 • CARRY CASE • UPC# 198700001417
PRODUCT# 1223618 • BATTERY • UPC# 198700000830

- Handheld thrower launches Caldwell ClayCopter disc targets up to 100 yards.
- Throws single or double targets
- Rechargeable Li-ion battery launches up to 300 targets
- Spare battery packs sold separately for extended-range sessions.
- Variable speed for control of target speed and distance
- Two size targets available 110mm and 90mm
- ClayCopter discs are lighter and resist breakage in transit compared to traditional clay targets
- ClayCopter discs are biodegradable and break down faster than traditional clay targets

The clay pigeon was invented in 1880 as a replacement target option for glass ball targets and live birds. In the last 150 years, nothing major has changed in aerial shotgun targets. The Caldwell ClayCopter is the change we have all been waiting for. The ClayCopter is a handheld target launcher that uses an electric motor to spin target discs up to 15,000 RPM and releases them as single or double targets. The lightweight bio-degradable targets fly in unique patterns that mimic live birds' flight up to 100 yards. The ClayCopter features a removable rechargeable Li-Ion battery pack that launches up to 300 targets on a single charge. The handheld design makes changing target angles and directions fast and easy for a variety of challenging shots. Hone your wing shooting skills with the Caldwell ClayCopter target launcher.

CLAYCOPTER™ RIP-LAUNCHER™

THE NEW WAY TO CLAY - NO BATTERIES REQUIRED

PRODUCT# 1237307 • CLAYCOPTER RIP-LAUNCHER • UPC# 198700004654

- NEW WAY TO CLAY: Works with all ClayCopter targets for users to experience a unique target flight that traditional clays can't replicate
- NO BATTERIES: Auto-retracting pull cord launches singles or pairs of ClayCopter targets up to 80 yards with ease
- ULTRA-PORTABLE: Lightweight (2.5lbs.), handheld design easily fits in a bag or pack and is ready to head to the range in seconds
- LAUNCHES CLAYCOPTER TARGETS: Compatible with all ClayCopter Targets

The ClayCopter Rip-Launcher is the perfect way to throw ClayCopter targets with no strings attached, well, maybe just one. This pullcord powered launcher is a great way to experience the fun of ClayCopter targets without batteries. Simply pull the self-winding cord to launch targets up to 80 yards with ease. This portable handheld launcher is easy to take to the range and fits in most bags. Compatible with all Caldwell ClayCopter targets, the Rip-Launcher can throw both single targets and pairs. Experience all the excitement of shooting ClayCopter targets and give the Rip-Launcher a pull.

CLAYCOPTER™ TARGETS

PRODUCT# 1215372 CLAYCOPTER 110MM TARGET DISC 50 PACK TUBE · UPC# 198700000533
PRODUCT# 1222327 CLAYCOPTER 90MM TARGET DISC 50 PACK TUBE · UPC# 198700000755

- Biodegradable materials break down faster than traditional clay targets
- Hi-Viz orange color for easy sight in any condition
- Two sizes available 110mm and 90mm
- Lightweight and compact for easy transport and reduced breakage
- Spinning prop design offers challenging and unique flight patterns
- Compatible with Caldwell ClayCopter Launchers

The clay pigeon was invented in 1880 as a replacement target option for glass balls and live birds. In the last 150 years, nothing major has changed in aerial shotgun targets. The Caldwell ClayCopter is the change we have all been waiting for. These target discs are made of natural biodegradable materials that break down faster than traditional clay targets. They are also lighter weight, easier to transport, and more break-resistant than traditional clay targets. The Hi-Viz orange target discs attach to the Caldwell ClayCopter launcher that spins them up to 15,000 RPM and launches them at distances up to 100 yards. The unique blade design creates a challenging target presentation that moves in 360 degrees as it travels away from the shooter. These dancing targets are sure to challenge even the best shotgun shooters. Update your shotgun practice with the Caldwell ClayCopter Target Discs.

CLAYCOPTER XV™ TARGETS

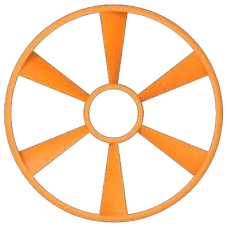

110MM - XTRA VELOCITY

PRODUCT# 1243603 · CLAYCOPTER XV TARGETS 110MM 50 PACK · UPC# 198700004685

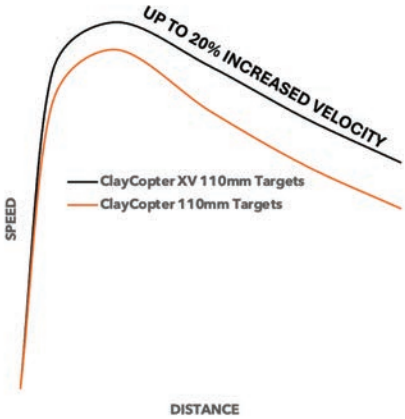

- ENVIRONMENTALLY FRIENDLY: Green Leaf Certified non-toxic, safe for plants and wildlife. Biodegradable material breaks down faster than traditional clay targets.
- UNIVERSAL: Works with any Caldwell ClayCopter Launcher.
- INCREASED LAUNCH SPEED: 110mm XV target design accelerates faster and is lighter for more reaction in the wind. Increased speed for an elevated challenge.
- BREAKS WHEN SHOT - NOT DROPPED: 50 ct. tubes keep targets from breaking from the rigors of transport. No wasted money on broken targets.

WE HAVE A NEED FOR SPEED . . .
Caldwell ClayCopter targets give shooters a unique shooting experience compared to traditional clay targets. The ClayCopter XV targets are a new take on the original ClayCopter design with a more efficient prop design and lighter weight. This design increases the challenge, allowing targets to accelerate faster, and less weight provides more movement in the wind. Made using the same biodegradable, eco-friendly, non-toxic materials as the original ClayCopter Targets. They break down faster than traditional clays and won't harm plants or wildlife. ClayCopter XV targets are compatible with all Caldwell ClayCopter Launchers. Are you up to the challenge? Try the ClayCopter XV Targets for a new way to clay.

CLAYCOPTER STEALTH DRONE™
110MM TARGETS

PRODUCT# 1255916 • CLAYCOPTER XV STEALTH DRONE TARGETS 110MM 50PK. • UPC# 198700004593

- ENVIRONMENTALLY FRIENDLY: Green Leaf Certified non-toxic, safe for plants and wildlife. Biodegradable material breaks down faster than traditional clay targets.
- HIGH CONTRAST: Great for standing out against bright blue skies or use on overcast days for increased challenge.
- UNIVERSAL: Works with any Caldwell ClayCopter Launcher.
- INCREASED LAUNCH SPEED: 110mm XV target design accelerates faster and is lighter for more reaction in the wind.
- BREAKS WHEN SHOT - NOT DROPPED: 50 ct. tubes keep targets from breaking from the rigors of transport. No wasted money on broken targets.

DEFEND THE SKIES

The Caldwell ClayCopter targets are all about having a great time shooting shotguns with family and friends. Providing shooters with a unique experience that is truly different than traditional clay targets. These ClayCopter Stealth Drone targets are another way to add to that fun. Designed to simulate the spinning propeller blades of an aerial drone, these targets also serve several practical purposes. The black color works well for higher-contrast targets on extremely bright days, where traditional orange can be harder to see. Alternatively, they can be used in overcast or shaded areas to create more challenging targets that are harder to track. Made using the same biodegradable, eco-friendly, non-toxic materials as the original ClayCopter Targets. This means that they break down faster than traditional clays and won't harm plants or wildlife. Add these ClayCopter Stealth Drone targets to your next range trip and see why ClayCopter targets are the new way to clay.

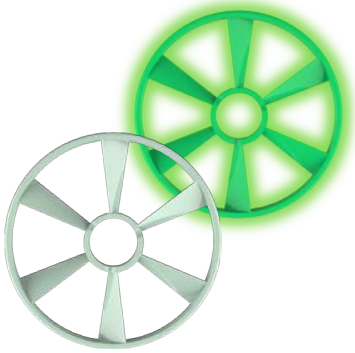

PATS:aob.com/patents

CLAYCOPTER UFO™ GLOW IN THE DARK
110MM TARGETS

PRODUCT# 1243747 • CLAYCOPTER UFO GLOW TARGETS 110MM 50PK. • UPC# 198700004586

- ENVIRONMENTALLY FRIENDLY: Green Leaf Certified non-toxic, safe for plants and wildlife. Biodegradable material breaks down faster than traditional clay targets.
- LUMINESCENT: Glow-in-the-dark material charges in seconds using a UV light source like the Caldwell UFO Charger (1245169) or Surface-to-Air Launcher.
- UNIVERSAL: Works with any Caldwell ClayCopter Launcher.
- INCREASED LAUNCH SPEED: 110mm XV target design is lighter to accelerate faster and have more reaction in the wind, imitating UFO speed and movement.
- BREAKS WHEN SHOT - NOT DROPPED: 50 ct. tubes keep targets from breaking from the rigors of transport. No wasted money on broken targets.

THE FUTURE OF CLAYCOPTER IS BRIGHT

Caldwell ClayCopters are the fun new way to clay; now the fun doesn't have to end when the sun sets. The ClayCopter UFO Targets are the first of their kind luminescent targets that glow in the dark. No big stadium-style black lights required; you can shoot these glow-in-the-dark targets on any range. An experience like none other, these targets explode like glowing fireworks when hit. Charging only takes a few seconds using a UV light source like the UFO Charger Target Dispenser, or the ClayCopter Surface-to-Air launcher. Green Leaf Certified, the ClayCopter UFO targets are made with the same biodegradable, eco-friendly, non-toxic materials as the original ClayCopter Targets. This means that they break down faster than traditional clays and won't harm plants or wildlife. For an experience that is out of this world, try ClayCopter UFO glow-in-the-dark targets.

CLAYCOPTER™ UFO CHARGER
TARGET DISPENSER WITH UV LIGHTS

PRODUCT# 1245169 • CLAYCOPTER UFO CHARGER UV TARGET DISPENSER • UPC# 198700005293

- BUILT-IN UV LIGHTS: UV lights charge ClayCopter UFO Targets in seconds (uses 3 AAA batteries not included)
- NO BENDING OVER: Conveniently holds a tube of 50 ClayCopter targets and dispenses them as the user needs.
- FAST: Targets are ready on demand for quick reloading
- COMFORTABLE: Adjustable shoulder strap for hands-free launching
- UNIVERSAL: Works with all Caldwell ClayCopter targets

OUT OF THIS WORLD FUN

ClayCopter UFO targets are an exciting way to be able to shoot shotgun targets at night. These luminescent targets require a UV light source to quickly charge them before launching. Caldwell has made the perfect solution in the ClayCopter UFO Charger Target Dispenser. The UFO Charger couldn't be easier to use. Simply attach the end caps over the ClayCopter Targets tube. Then turn on the UV lights and start charging the targets. After a few seconds, the targets are fully charged. An adjustable shoulder strap is included to keep both hands free to operate the launcher while keeping targets charged and at the ready.

PATS:aob.com/patents

CLAYCOPTER™ TARGET DISPENSER

PRODUCT# 1237308 • CLAYCOPTER TARGET DISPENSER • UPC# 198700005279

- NO BENDING OVER: Conveniently holds a tube of 50 ClayCopter targets and dispenses them as the user needs.
- FAST: Targets are ready on demand for quick reloading
- COMFORTABLE: Adjustable shoulder strap for hands-free launching
- UNIVERSAL: Works with all Caldwell ClayCopter targets

ALWAYS READY

The Caldwell ClayCopter Target Dispenser keeps targets close at hand for users when using the handheld ClayCopter launchers. The simple-to-use caps fit over the ends of the shipping tubes of any 90mm or 110mm ClayCopter target. To get a target, simply pull one from the dispensing end cap with your fingers. An adjustable shoulder strap is included to keep both hands free to operate the launcher while keeping targets at the ready for quick reloads.

PATS:aob.com/patents

CLAYCOPTER™ GROUND STAKE TARGET HOLDER

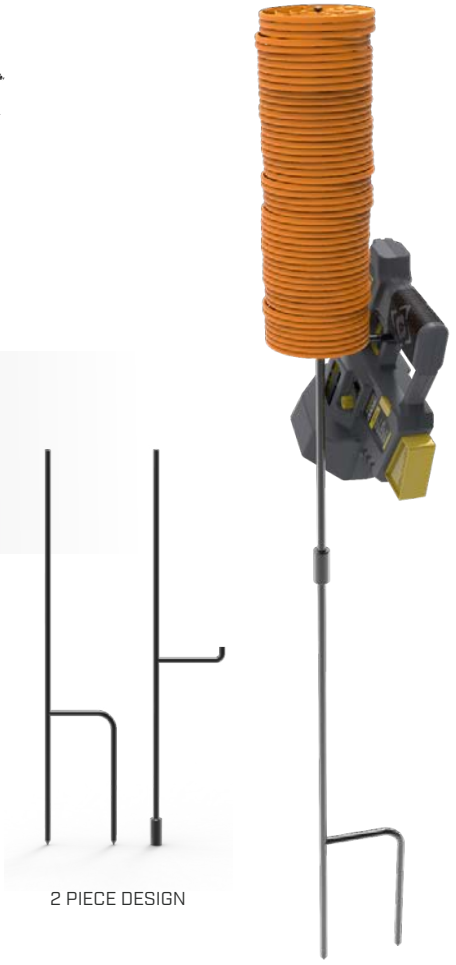

SIMPLE AND CONVENIENT

PRODUCT# 1243906 • CLAYCOPTER GROUND STAKE TARGET HOLDER • UPC# 198700004708

- NO BENDING OVER: Holds up to 50 ClayCopter targets and launcher at an elevated height for quick and easy access without hurting your back
- PORTABLE: 2-piece design takes down for easy transport and storage
- UNIVERSAL: Works with all Caldwell ClayCopter targets
- EASY TO USE: Simple foot-step design easily presses into the ground

The ClayCopter Ground Stake Target Holder is designed to go into the ground to keep ClayCopter targets easily accessible and give the user a place to hold the launcher when not in use. The 2-piece design is easy to take apart for storage or transport and allows the user to transfer a tube of 50 ClayCopter targets directly onto the holder while leaving the base in the ground. The elevated height gets targets off the ground, eliminating back strain from continuously bending over for more targets and helps with quick reloads. Add the Caldwell ClayCopter Ground Stake to your range equipment and get more enjoyment from your time on the range.

2 PIECE DESIGN

ROCK™ BR 2 FRONT REST

ROCK SOLID LEGACY, BENCHREST ACCURACY

PRODUCT# 1237320 • ROCK BR 2 FRONT REST • UPC# 198700004432
PRODUCT# 1263610 • ROCK BR 2 FRONT REST W. MOLDED REAR REST • UPC# 198700005774

- ROCK SOLID: Heavy iron base with wide 3-point stance eliminates flexing and movement for steady benchrest accuracy
- PRECISION WINDAGE ADJUSTMENT: Backlash-free windage adjustment with 1" range provides over 150" of travel at 100 yards.
- ULTRA-SMOOTH ELEVATION ADJUSTMENT: Oversized elevation wheel with ball bearings provides 3.5" elevation range that equals over 525" of travel at 100 yards
- MULTIPLE BAG OPTIONS: Molded DeadShot Air™ all-weather and 3-lobe front bags included. Compatible with Caldwell Universal Front Bags and other popular aftermarket bag options
- EASY LEVELING: 3 spiked metal feet with removable rubber pads for easy leveling
- ADJUSTABLE BAG TENSION: Custom fit for each rifle stock for a perfect fit every time
- DEADSHOT AIR REAR BAG: All-weather molded rear bag with Air Rest Technology offers 4 different heights and attaches to the frame of the Rock BR 2 when not in use

For those looking to get the most out of the accuracy of their rifles, the Rock BR 2 Front Rest from Caldwell is the answer. Building from over 20 years of in-the-field experience and customer feedback, the Rock BR 2 has all the features a benchrest shooter demands. Precise, ultra-smooth elevation and windage adjustments get crosshairs aligned perfectly every time with ease. The rock-solid iron frame keeps the rest planted with zero movement. Three spiked steel leveling feet with removable rubber pads provide perfect alignment on any shooting bench. Two front bags are included: an all-weather DeadShot Air and a 3-lobe nylon bag for wide benchrest stocks. An adjustable front bag tensioning system fine-tunes bags for a perfect stock fit. Available with a DeadShot Air™ Molded Rear Bag that provides 4 different height options and attaches to the frame of the front rest for storage and transport. Get the most accuracy from your rifle with the Caldwell Rock BR 2 Front Rest.

DEADSHOT AIR™ FRONT AND REAR SHOOTING REST COMBO

THERE IS SOMETHING IN THE AIR

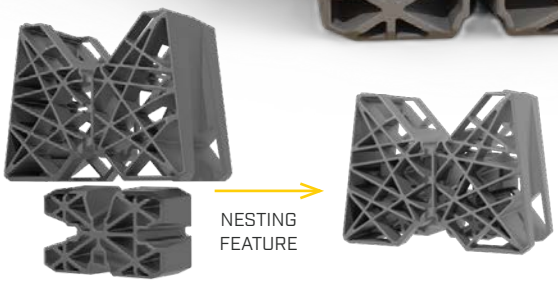

PRODUCT# 1237311 • DEADSHOT AIR MOLDED FRONT AND REAR REST GHOST GREY • UPC# 19870005286

- + AIR REST™ TECHNOLOGY: A solid, lightweight shooting rest that is all-weather rated
- + FITS ANY FIREARM: Over 50 different bag configurations for multiple shooting heights that work with nearly every firearm
- + NESTING DESIGN: Rear bag stores inside front bag, preventing loss and providing easier storage and transport
- + DURABLE: Molded design doesn't rip like nylon bags

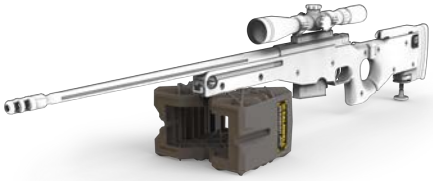

Caldwell DeadShot® Bags have been key products in the brand's offering from the beginning. Loved by shooters for their simple, easy-to-use design that securely holds the firearm, with a price that doesn't break the bank. Using proven designs and Caldwell Air Rest™ Technology, the DeadShot Air™ Front and Rear Shooting Rest Combo offers even more features. The molded all-weather material stands up to the elements and allows for the rear bag to nest inside the front bag for storage. With multiple shooting height options on both front and rear bags, shooters can choose from over 50 different combinations. This is ideal for fitting traditional bolt action rifles and shotguns, but also for taller configurations for lever action and AR-15 style rifles and handguns. The durable molded bags won't tear or rip like traditional nylon bags and withstand muzzle blast without damage. If you're shooting rifles, shotguns, or handguns, the DeadShot Air™ Front and Rear Shooting Rest Combo has you covered.

XLA FAMILY

+ SPRING DEPLOY LEGS: Push-button deploy with notched legs for preset shooting heights
+ PIVOTING FRAME: 20 degrees of cant for shooting off uneven surfaces

3 MOUNTING OPTIONS

+ NEW ARCA / PICATINNY MOUNT: Quick-detach, tool-less dual mount fits Picatinny and Arca rails
+ NEW M-LOK MOUNT: Quick-detach, tool-less with easy-to-use throw lever

The Caldwell XLA Bipods provide a stable shooting support with mount options that conveniently attach to almost any firearm. The lightweight aluminum design adds minimal weight and deploys quickly, with legs that instantly spring out to the shooting position with the touch of a button. The legs are notched for easy indexing to a specific height. Multi-section legs collapse forward, allowing for convenient carry of the firearm. Soft rubber feet provide enhanced stability. The pivoting frame design allows for 20 degrees of range for level shooting on uneven ground. An integrated sling stud allows the attachment of slings without the need to drill additional holes in the stock. Caldwell XLA Pivot Bipods give you the solid support you need on the range and in the field.

PRODUCT# 1226972 • XLA HD TAC M-LOK BIPOD 6"-9" • UPC# 198700000908
PRODUCT# 1215377 • XLA HD TAC ARCA/PIC BIPOD 6"-9" • UPC# 198700000588

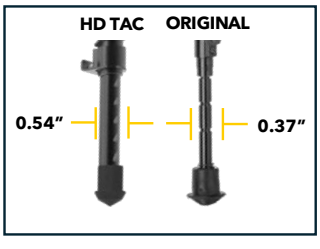

+ HEAVY-DUTY improved frame and leg design that is over 300% stronger than similar bipods, standing up to heavy rifles and rugged use
+ QUICK DEPLOY LEGS: Pull to deploy to preset shooting heights with push-button spring retraction
+ ADJUSTABLE HEIGHT: 6-9" tall deployed height perfect for shooting prone and off benches
+ PIVOTING FRAME: 20 degrees of cant for shooting off uneven surfaces with a quick tension lever for
+ INTERCHANGEABLE FEET: Compatible with popular aftermarket options, with non-slip rubber feet included

2 MOUNTING OPTIONS

ARCA / PICATINNY MOUNT: Quick-detach, tool-less dual mount fits Picatinny and Arca rails

M-LOK MOUNT: Quick-detach, tool-less with easy-to-use throw lever

BUILT TO HANDLE THE EXTREME
Caldwell XLA HD TAC bipods are made for serious rugged use on heavy rifles in conditions that other bipods fold under the pressure. Improved frame and leg design and heavier gauge materials result in a bipod that is over 300% stronger than other similar designs. Quick to deploy legs pull down to preset height notches and spring retract with the push of a button. For shooting on uneven ground, the pivoting frame provides 20 degrees of cant adjustment and includes a quick tensioning lever to lock the bipod in when level. With popular M-Lok and Picatinny/Arca mount options, the XLA HD TAC Bipod fits on any modern rifle. Adjustable 6"-9" height is ideal for shooting prone, off a bench, or from a barricade. The Caldwell XLA HD TAC Bipod is ready for the job, no matter what the conditions.

PIC RAIL TO M-LOK® BIPOD ADAPTER

UPDATE YOUR OLD PICATINNY RIFLE

PRODUCT# 1242499 • PIC RAIL TO M-LOK BIPOD ADAPTER • UPC# 198700004401

+ DURABLE: Aluminum construction securely holds accessories without breaking
+ USE M-LOK ACCESSORIES: Converts Picatinny rail to accept M-Lok accessories like bipods, flashlights, and more

The Caldwell Pic Rail to M-Lok Bipod Adapter allows users with a Picatinny rail handguard to use more modern M-Lok accessories like bipods, flashlights, and more. Made with durable aluminum, this adapter will stand up to the forces without breaking like cheaper polymer adapters. Take advantage of today's new accessories and modernize your old rifle with the Caldwell Pic Rail to M-Lok Bipod Adapter.

SHOOTING GLASSES

CLEAR AND SMOKE LENS

PRODUCT# 1237320 • UPC# 198700004432
PRODUCT# 1263610 • UPC# 198700005774

+ FULL COVERAGE: Full peripheral coverage offers the best protection
+ IMPACT RATED: ANSI Z78.1+ High Impact Rated
+ ANTI-FOG LENSES: Stay clear for unobstructed vision
+ COMFORTABLE FIT: Non-slip rubber nose piece and cushioned ear stems
+ MICROFIBER STORAGE BAG: Prevent scratched lenses when not in use

PROTECT YOUR EYES. YOU ONLY HAVE TWO
Shooting firearms is a great way to have some fun. One of the fundamentals of safe firearms handling is to use proper safety equipment, which includes eye protection. Caldwell Shooting Glasses offer full peripheral protection from flying debris. Certified ANSI Z87.1+ high impact rated, these shooting glasses offer better protection than average sunglasses. Anti-fog lenses are available in both clear and smoke colors for different light conditions. Comfortable non-slip rubber nose pieces and ear stems offer fatigue-free all-day wear. Protect your eyes while on the range with the Caldwell Shooting Glasses. Bullseyes are easier to enjoy when you can see them with your own eyes.

AR500 RIMFIRE DUELING TREE

SEE WHERE YOU STACK UP

PRODUCT# 1223930 · AR500 RIMFIRE DUELING TREE · UPC# 198700005675

- CERTIFIED AR500 STEEL: Six – 4" square rimfire-rated AR500 steel targets
- FULL SIZE: Full height 54" tall center post with stable 24" x 24" base
- ADJUSTABLE BASE: Set post angle for reliable use on uneven ground
- RIMFIRE RATED: Withstands impacts from 22lr, 22WMR, 17HMR
- LASTS A LIFETIME: Backed by the Caldwell AR500 Steel Lifetime Guarantee

The Caldwell AR500 Rimfire Dueling Tree is a great way to compete against friends or hone your skills by yourself on almost any range. With each impact, the six reactive targets pivot from left to right of the center post. The 4" square targets are constructed from AR500 steel for use with popular rimfire cartridges like 22LR, 22WMR, and 17HMR. A stable 24"x24" base with adjustable center post angle allows reliable use on uneven ground and adjusts for different impact energies. Challenge your friends to a friendly duel with the Caldwell AR500 Rimfire Dueling Tree.

NOT ALL STEEL TARGETS ARE EQUAL

PRODUCT# 1237300 · AR500 LONG RANGE GONG TARGET 18"X24" · UPC# 198700004562

- RIFLE RATED 3/8" AR500 STEEL: Withstands impact velocity up to 3000 fps, and up to 3500 ft-lbs. of impact energy
- LAST A LIFETIME: Backed by the Caldwell AR500 Steel Lifetime Guarantee
- XL SIZE FOR LONG RANGE: 18" x 24"
- EASY TO SEE: Bright yellow powder coat
- MULTIPLE HANGING OPTIONS: Vertical and horizontal hanging options

VELOCIRADAR® CHRONOGRAPH

SEE THE FULL PICTURE

PRODUCT# 1134904 • VELOCIRADAR CHRONOGRAPH • UPC# 661120259930
PRODUCT# 1204383 • VELOCIRADAR CHRONOGRAPH CASE • UPC# 661120750970

- *NEW* RADAR TRIGGER MODE: Provides muzzle velocity at cluttered or busy ranges without the need for recoil or acoustic triggering and allows for measurements down to 100 FPS
- Ships pre-loaded on all new units and available as a firmware update to all existing users via the Caldwell Shooting app
- CHIRP RADAR: Tracks bullet velocity and distance up to 100 yards downrange
- BALLISTIC COEFFICIENT: Provides muzzle velocity and ballistic coefficient of each shot
- D.O.P.E. CHART: Integrated ballistic calculator creates a custom bullet drop chart from a single shot
- MOBILE APP: Control and monitor the Velociradar from the free Caldwell Mobile App
- SAFE: Quick and easy setup behind the firing line eliminates risk of bullet impacts
- RECHARGEABLE: Built-in rechargeable Li-ion battery for longer runtimes
- EASY SETUP: Integrated peep sight for easy target alignment
- COMPATIBILITY: Velocity range 100-4500 FPS for use with rifles, shotguns, handguns, and archery
- INCLUDES: Recoil trigger, USB charging cable, premium ball head tripod
- CARRY CASE: (sold separately) Protects and organizes your Velociradar and accessories

The Caldwell Velociradar Chronograph is precision redefined with cutting-edge Chirp radar technology. While most chronographs only provide velocity, the Velociradar tracks the bullets downrange, offering a full picture of ballistic performance. Using Chirp radar data, the Velociradar measures the drag on the bullet to calculate the ballistic coefficient and provides a true muzzle velocity and downrange energy. With a single shot, the Velociradar creates a custom bullet drop chart showing the elevation adjustments needed for shots at longer ranges. The Velociradar sits next to the shooter, not downrange, offering safe and quick setup and eliminating the risk of bullet impacts. Whether you're tracking high-velocity rifle bullets soaring beyond 4,000 feet per second or measuring arrow speed with pinpoint accuracy, see the full picture with the Caldwell Velociradar Chronograph.

CALDWELL®

RETURNING PRODUCTS

CLAYMORE® CLAY TARGET THROWER

PRODUCT# 1122187 · UPC# 661120081425

- FOOT PEDAL POWERED, NO BATTERY REQUIRED TO OPERATE
- 50 CLAY CAPACITY - MORE TIME SHOOTING, LESS TIME LOADING CLAYS
- COMPACT FOLDING DESIGN FOR EASY TRANSPORTATION & STORAGE
- SELECTABLE FLURRY MODE LAUNCHES CLAYS AS FAST AS YOU CAN STEP ON THE PEDAL

The Caldwell Claymore provides all the benefits of an electric clay thrower without having to tote a heavy battery around. This easy to cock, foot-operated manual device can throw clays 55-70 yards and can hold 50 clays in the target magazine. It features a standard mode and a flurry mode which allows for a continuous step-and-throw sequence that launches clays as fast as you can step on the pedal. To expand on the versatility of the Caldwell Claymore, it also features adjustable launch angles to provide multiple shot options for the shooter. The Claymore weighs only 35 lbs and is collapsible for easy storage and transport. Get out and shatter some clays either by yourself or with some friends with the Caldwell Claymore!

PATS:aob.com/patents

CLAYMORE® CARRY BAG

PRODUCT# 1204844 · UPC# 661120750949

- CUSTOM FIT CARRY BAG WITH BOTH HANDLES AND SHOULDER STRAP MAKES RANGE TRIPS MORE ENJOYABLE
- PADDED NYLON CASE WITH ZIPPER CLOSURE PREVENTS DAMAGE AND KEEPS THE CLAYMORE DUST-FREE DURING TRANSPORT AND STORAGE
- DESIGNED TO EASILY FIT A FOLDED CLAYMORE TARGET THROWER

Make trips to the range even better with the Caldwell® Claymore® Carry Bag. This custom designed carry bag is perfectly sized to fit the Caldwell Claymore Target Thrower. With 2 Handles and a shoulder strap, this bag makes carrying the Claymore in the field easy with little user fatigue. The padded construction with a zippered closure keeps the Claymore protected from damage and dust-free during transportation and storage. Keep your Claymore in perfect working order for years of enjoyment with this Carry Bag.

CALDWELL

CLAYMORE® SOLO

PRODUCT# 4002777 · UPC# 661120750543

- SAFE, HANDS-FREE LOADING WITH FOOT PEDAL DESIGN THAT TENSIONS THE SPRING AND THROWS THE TARGET IN ONE EASY PRESS KEEPING HANDS SAFELY OUT OF THE PATH OF THE THROWING ARM
- AUTO-RESET ARM RETURNS TO THE LOADING POSITION AFTER EACH FIRING, MAKING LOADING THE NEXT TARGET FAST AND EASY
- FOLDING LEGS ALLOW THE CLAYMORE SOLO TO COLLAPSE DOWN FOR EASY TRANSPORT TO THE RANGE AND COMPACT STORAGE WHEN NOT IN USE
- TOOLLESS ANGLE ADJUSTMENT ALLOWS QUICK CHANGES FOR MULTIPLE TARGET PRESENTATIONS
- VERSATILE DESIGN ALLOWS THE CLAYMORE SOLO TO THROW MINI, MIDI, AND STANDARD CLAYS

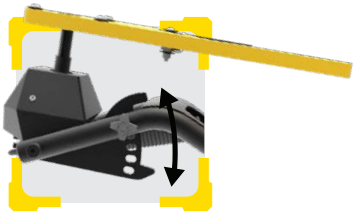

The Caldwell® Claymore® family of clay target throwers brings fun and innovation to shotgun shooting. The Claymore Solo is a compact, lightweight clay target thrower that offers several innovative features over the competition. A unique foot pedal design allows the Claymore Solo to tension the throwing arm spring and release the target in one smooth step, while keeping hands free and clear of the thrower. This foot pedal operation eliminates the need for a user to put themselves in harm's way while manually resetting the arm required by traditional thrower designs. The Claymore's arm automatically resets itself each time allowing the user to load a target while the arm has no spring tension applied. The Solo has quick, toolless launch angle adjustment to change the target path from straight away to practically vertical. The throwing arm is designed to work with standard, midi, and mini clay targets. The Claymore Solo's folding legs reduce its footprint, making it easier to pack in the field and store in the garage when not in use. Get out and have some fun busting clays with family and friends with the Caldwell Claymore Solo.

FOLDING DESIGN

CLAYMORE® PULL-PUP™

PRODUCT# 4002774 · UPC# 661120750987

- UNIQUE DESIGN PUTS THE POWER OF A TRADITIONAL TARGET THROWER IN THE PALM OF YOUR HANDS
- HANDHELD OPERATION ALLOWS THE THROWER TO ADJUST TARGET ANGLES ON THE FLY, TESTING THE SHOOTER'S SKILLS
- BUILT-IN GRIP SAFETIES KEEP HANDS CLEAR OF TARGET AND ARM WHEN THROWING
- ADJUSTABLE SPRING TENSION LAUNCHES STANDARD, MIDI, AND MINI TARGETS OVER 55 YARDS
- OPEN FRONT DESIGN ALLOWS FOR QUICK AND EASY REMOVAL OF BROKEN TARGETS WITHOUT DISASSEMBLY
- TARGET CLIP ON ARM HOLDS TARGETS IN PLACE FOR DIFFICULT ANGLED SHOTS

The Caldwell® Claymore® Pull-Pup™ brings the power of a traditional clay target thrower and packs it into a compact handheld unit. The Pull-Pup can launch standard, midi, and mini clay targets over 55 yards; right on par with larger standard clay throwers. Dual grip safeties ensure that both hands are properly placed out of the path of the target and arm when released. With its handheld design, the thrower can easily change the angle of the target at will, allowing shooters to practice different angles and test their skills. A clip on the arm holds the target in place allowing the Pull-Pup to launch targets off-camber, for both traditional angles and on-edge target presentations. An open-front design allows for quick and easy clearing of any targets that may break while throwing without taking the thrower apart in the field. The Caldwell Claymore Pull-Pup will bring another level of fun to your range trips for both the trapper and the shooters.

The Clay Launchers are designed to provide hours of shooting entertainment. The one-piece design is simple to use and makes it easy for anyone to throw clay birds. Simply insert the clay target and fling it to send the target sailing. Durable molded plastic construction.

LEAD SLED® MAX

PRODUCT# 3004222 · UPC# 198700000946

- 3 IN 1 TRANSFORMING RECOIL REDUCING REST
- REDUCES UP TO 95% FELT RECOIL
- DETACHABLE 2-GALLON WEIGHT RESERVOIR HOLDS WATER, SAND, AND OTHER WEIGHT MEDIA
- CLAMPING FRONT REST SECURELY HOLDS FIREARMS WITHOUT DAMAGE
- BENCHREST QUALITY FRONT ELEVATION AND BACKLASH-FREE WINDAGE ADJUSTMENTS
- ADAPTABLE DESIGN CAN CONVERT FROM RECOIL REDUCING TO FULL-LENGTH TO FRONT REST
- ADJUSTABLE SLIDING FRAME TUBES ACCOMMODATE FIREARMS OF ANY LENGTH

The most versatile Lead Sled in the Caldwell Lead Sled® Family, the Max brings maximum recoil reduction, maximum versatility, and maximum accuracy. The Lead Sled Max modular design transforms into 3 rests in seconds. A removable weight reservoir holds water, sand, gravel, or other materials for absorbing the recoil from magnum rifles and shotguns. The sliding frame is length adjustable and folds up for compact storage and easy transportation. The front rest features a clamping style head that securely holds the firearm and an enlarged elevation wheel with positive detent adjustment and a backlash-free fine windage and elevation adjustment at the rear. Maximize your shooting with the Lead Sled Max and Eliminate The Variables That Make You Miss®

LEAD SLED® DFT 3

PRODUCT# 1217425 · UPC# 198700000694

COMPATIBLE WITH LS WEIGHT RESERVOIRS

- REDUCES UP TO 95% FELT RECOIL
- WEIGHT TRAY FITS THE LEAD SLED SOLO WEIGHT RESERVOIR, LEAD SHOT BAG, OR DUMBBELL TO ELIMINATE RECOIL
- ADJUSTABLE SLIDING FRAME TUBES ACCOMMODATE FIREARMS OF ANY LENGTH
- IMPROVED FRAME DESIGN COMPATIBLE WITH DETACHABLE MAGAZINES AND LEVER ACTION RIFLES
- BENCHREST QUALITY FRONT ELEVATION AND BACKLASH-FREE WINDAGE ADJUSTMENTS
- ALL-WEATHER FRONT BAG DESIGN THAT SECURELY HOLDS FIREARMS WITHOUT CAUSING DAMAGE
- REAR SUPPORT FEATURING A SHOCK-ELIMINATING PAD AND VIBRATION DAMPENER REDUCES FELT RECOIL AND PROTECTS STOCKS FROM DAMAGE

One of the most popular shooting rests in the Caldwell Lead Sled® family, the Lead Sled DFT features sturdy dual frame construction that can handle the biggest magnum rifles. The new improved frame design retains the original dual tubes but relocates them under the weight tray for improved clearance for detachable magazines, pistol grips, or lever actions. The frame includes a sliding design with 6" of length adjustment for a perfect fit on nearly any stock length. The benchrest style front rest features a smooth ball-bearing elevation adjustment and precise backlash-free windage adjustment. An all-weather skeletonized rubber front rest bag and rear support with a shock-eliminating recoil pad protect the firearm and scope from damage. The adjustable weight tray holds a variety of weight materials including Lead Sled Weight Reservoir Bags, lead shot, or 35 lb. barbell weights. Sight in with bench rest accuracy without the kick and Eliminate The Variables That Make You Miss® with the Caldwell Lead Sled DFT 3.

PATS:aob.com/patents

LEAD SLED® 4

PRODUCT# 1217424 · UPC# 198700000687

- REDUCES UP TO 95% FELT RECOIL
- WEIGHT TRAY FITS THE LEAD SLED SOLO WEIGHT RESERVOIR, LEAD SHOT BAG, OR DUMBBELL TO ELIMINATE RECOIL
- IMPROVED FRAME DESIGN COMPATIBLE WITH DETACHABLE MAGAZINES AND LEVER ACTION RIFLES
- FRONT ELEVATION AND WINDAGE ADJUSTMENTS WITH REAR FINE ELEVATION ADJUSTMENT
- ALL-WEATHER FRONT BAG DESIGN THAT SECURELY HOLDS FIREARMS WITHOUT CAUSING DAMAGE.
- REAR SUPPORT FEATURING SHOCK ELIMINATING PAD AND VIBRATION DAMPENER REDUCES FELT RECOIL AND PROTECTS STOCKS FROM DAMAGE

COMPATIBLE WITH LS WEIGHT RESERVOIRS

The Caldwell Lead Sled® revolutionized shooting rests over 20 years ago. These sturdy rests hold the rifle steady while using added weights to eliminate almost all felt recoil. This means you get sighted in faster and more precisely without developing bad flinching due to recoil. The Lead Sled 4 is the latest version of this classic shooting rest, starting with a new frame design that relocates the tube below the weight tray for improved clearance for detachable magazines and lever-action firearms. The adjustable weight tray holds a variety of weight materials including Lead Sled Weight Reservoir Bags, lead shot, or 35 lb. barbell weights. The front rest features windage and elevation adjustments with an all-weather rubber front bag that securely holds the firearm without damaging the stock. The rear support features the Caldwell Shock Eliminating recoil pad for added recoil reduction and firearm and scope protection from heavy recoil. Save your shoulder from the kick and Eliminate The Variables That Make You Miss® with the Caldwell Lead Sled 4.

FIRE CONTROL® FRONT REST

PRODUCT# 746884 • UPC# 661120468844

+ STAINLESS STEEL LEVELING FEET
+ ELEVATION KNOB SECURELY LOCKS INTO POSITION
+ MACHINED GEARS AND RACKS FOR SMOOTH, PRECISE MOVEMENTS
+ ONE-HAND WINDAGE AND ELEVATION ADJUSTMENTS

Fire Control is an advanced alignment system that allows you continual, one-hand adjustment of downrange crosshair alignment via a multi-directional control arm. It provides you with continuous adjustment of the front forend support by manipulating the control arm with your fingertips. Once the coarse adjustments have been made to position the rest, the control arm allows fluid movement for precise crosshair alignment without having to change shooting position to loosen or tighten rest components. The result is outstanding control of crosshair alignment in a rock-solid shooting platform which delivers better accuracy than any existing rest. This revolutionary development allows accuracy and speed that previously conventional rifle rests can't offer. The continuous precision adjustment of Fire Control allows the crosshairs to easily and quickly be manipulated as you maintain a perfectly relaxed shooting position.

PATS:aob.com/patents

PRECISION TURRET SHOOTING REST

PRODUCT# 821400 • UPC# 661120214007

+ BALL BEARING PANNING SYSTEM WITH A 58-DEGREE ARC USING A GUN WITH AN EXTENDED MAGAZINE

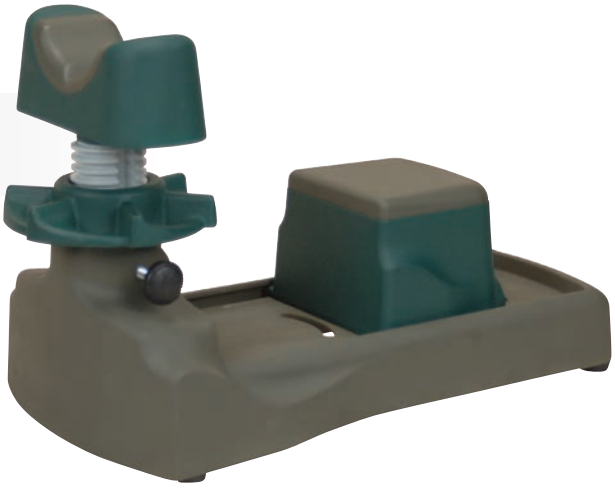

Find comfort in having full range of motion and secure gun placement with the Caldwell Precision Turret Shooting Rest. The swivel/pan and tilt knobs eliminate time wasted readjusting the shooting rest, so you can spend more time shooting. This heavy duty rest features a forend clamp and micro-adjustable pistol grip atachment that are perfect for AR platform firearms.

PATS:aob.com/patents

PISTOLERO™

PRODUCT# 562771 • UPC# 661120627715

+ ONE-HANDED ELEVATION ADJUSTMENT KNOB
+ UP TO 4.5" GUN LENGTH ADJUSTMENT
+ OVERMOLDED, NON-MARRING FRONT AND REAR CRADLES
+ REMOVE REAR CRADLE TO ACCOMMODATE HANDGUNS

The Pistolero is the ideal handgun shooting rest. By combining 5 inches of horizontally adjustable hand support with 3 inches of vertically adjustable barrel support, this rest accommodates virtually every size handgun. In addition, the rugged construction of this rest is virtually impervious to the elements. This combination of versatility, stability and durability make the Pistolero™ the number one value in handgun rests.

HANDY REST NXT®

PRODUCT# 574662 • UPC# 661120746621

- 3" OF ELEVATION ADJUSTMENT AT THE CRADLE WHICH EQUATES TO 6' AT 100 YARDS
- FRONT SLING STUD CLEARANCE GROOVE
- CONSTRUCTED OF DURABLE LIGHTWEIGHT POLYMER WITH RUBBER OVERMOLDING
- REMOVABLE HANDGUN SUPPORT ATTACHMENT TO CONVERT RIFLE REST INTO A HANDGUN REST
- LOCK KNOB TO LOCK YOUR ADJUSMENTS INTO PLACE FOR REPEATABLE ACCURACY

The Handy Rest NXT is an extremely versatile front rest. It is designed with a full six feet of elevation adjustment at 100 yards, a front sling stud clearance groove, and is constructed of durable, lightweight materials. The innovative design includes a removable handgun support attachment that easily converts this rifle rest into a handgun rest. The front rest and handgun support feature a material that will not harm firearms yet also offers a steady shooting surface.

STINGER™ SHOOTING REST

PRODUCT# 110033 • UPC# 661120000402

- INNOVATIVE ELEVATION SYSTEM ALLOWS FOR FAST ONE HANDED, NO WOBBLE ADJUSTMENT
- MICRO ELEVATION ADJUSTMENTS WITH FINGERTIP CONTROL
- UP TO 3" FRONT REST VERTICAL ADJUSTMENT
- OVERMOLDED, NON-MARRING FRONT AND REAR CRADLES

The Stinger Shooting Rest is built with a state of the art design. Central to the design is the innovative front elevation system. It's user-friendly height adjustment knob allows for fast, one handed coarse elevation adjustment. The molded front and rear supports protect the gun's finish and provide just the right amount of firmness for rock solid shots. A heavy-duty dual metal frame and quick cam locks allow the Stinger's front rest to easily slide forward or backwards then lock in place. The Stinger Shooting Rest provides versatility and ultimate stability, delivering you maximum accuracy.

PATS:aob.com/patents

MATRIX™

PRODUCT# 101600 • UPC# 661120016007

- ONE-HANDED ELEVATION ADJUSTMENT KNOB
- UP TO 4.5" GUN LENGTH ADJUSTMENT
- OVERMOLDED, NON-MARRING FRONT AND REAR CRADLES
- REMOVE REAR CRADLE TO ACCOMMODATE HANDGUNS

The highly versatile Matrix combines great features and rock-solid stability in an affordable rest. Central to the design is the innovative, ultra-rigid u-channel frame which allows for quick adjustment in length to perfectly fit any firearm. A convenient storage area incorporated behind the front cradle features a removable lid that adds additional clearance for detachable magazines or bipod equiped firearms when detached, and acts as a rubberized rear support surface for firing handguns when left in place. A spring-loaded tension mechanism and height adjustment knob are great for fast, one handed elevation adjustments keeping the front cradle wobble free through the entire vertical range.

The 7-Rest is a truly innovative shooting accessory that utilizes its unique design to deliver exceptional versatility and true value. The asymmetric frame provides great stability while maximizing length adjustability. By simply loosening the lock knob, the angle between the two halves of the frame can be adjusted to change the distance between the front and rear supports. Having the frame offset to the side of the gun also gives adequate clearance for extended magazines on semi-autos (AR-15), lever actions and rolling blocks. Another great benefit of the frame design is its ability to be reversible. Fully adjustable front and rear supports hold your gun securely while protecting the stock and forend. It folds quickly for easy transport and storage. All these features rolled into one rest results in a one-of-a-kind shooting base that pairs with any firearm.

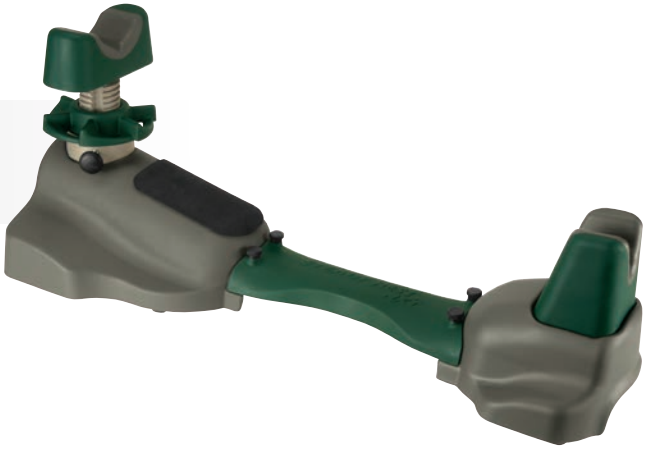

STEADY REST NXT®

PRODUCT# 548664 · UPC# 661120486640

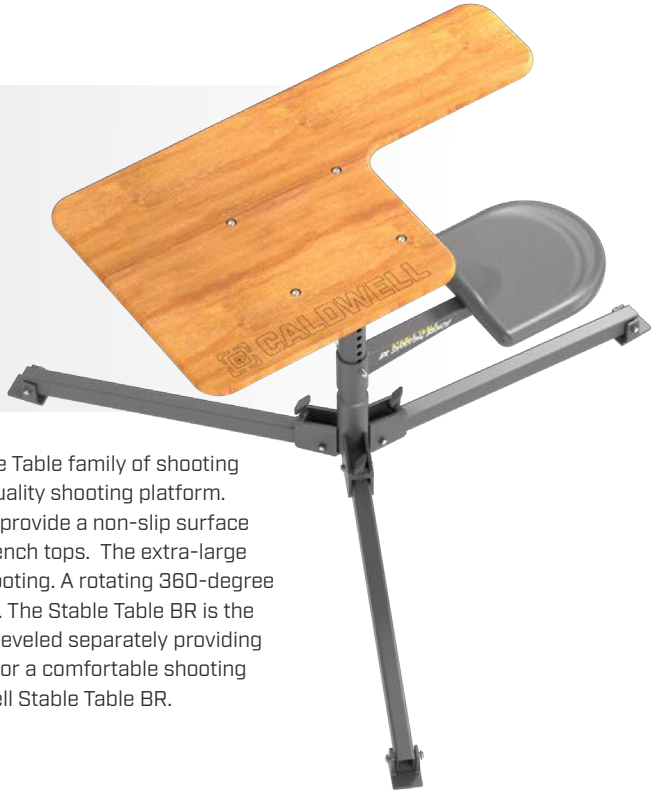

+ FRONT SECTION ALONE CAN BE USED AS A HANDGUN REST
+ SPANNER SECTION IS REMOVABLE TO TURN THE NXT® INTO A FRONT AND REAR REST
+ NEOPRENE PAD PROVIDES A FIRM, CUSHIONED BASE FOR YOUR FAVORITE PISTOL OR REVOLVER
+ OVERALL LENGTH OF REST IS 26"
+ 3" OF VERTICAL CRADLE ADJUSTMENT

The Steady Rest NXT gives you a steady, elevation-adjustable platform for sighting in rifles, pistols and patterning shotguns. The three-piece design allows the shooter to use the rest in one or two-piece configurations, allowing it to adjust the rest to any length long gun as well as handguns. The front and rear supports feature a non-marring material that is gentle on your firearm's finish yet is firm enough to provide a stable shooting surface.

STABLE TABLE® BR SHOOTING BENCH

PRODUCT# 3005251 • UPC# 661120750468

- OVERSIZED PREMIUM LAMINATED RED OAK TOP HAS PLENTY OF ROOM FOR SHOOTING RESTS AND ACCESSORIES
- 360-DEGREE ROTATING DESIGN ALLOWS A WIDE FIELD OF FIRE WITHOUT STOPPING TO REPOSITION THE BENCH
- PATENTED LEVELING LEGS WITH ALL-TERRAIN FEET PROVIDE STABLE SHOOTING ON UNEVEN GROUND
- ADJUSTABLE HEIGHT ALL-WEATHER SEAT PROVIDES A COMFORTABLE SHOOTING POSITION FOR SHOOTERS OF ALL HEIGHTS

The Caldwell® Stable Table® BR is the premium shooting bench in the Caldwell Stable Table family of shooting benches. The sturdy, precision machined steel frame provides a stable benchrest quality shooting platform. Featuring a oversized 45"x28" bench top made from premium laminated red oak to provide a non-slip surface for shooting rests that stays cooler on sunny days than plastic or composite type bench tops. The extra-large top has plenty of room for rests, bags, ammunition, and other accessories while shooting. A rotating 360-degree design increases the field of fire without requiring repositioning the shooting bench. The Stable Table BR is the only shooting bench featuring a patented leveling design that allows each leg to be leveled separately providing a stable foundation no matter the terrain. The all-weather seat is height adjustable for a comfortable shooting position for any shooter. Eliminate the variables that make you miss with the Caldwell Stable Table BR.

PATS:aob.com/patents

STABLE TABLE®

PRODUCT# 252552 • UPC# 661120525523

- HIGHLY DURABLE, WEATHERPROOF 34"X23" SYNTHETIC TABLE TOP
- QUICK-RELEASE PIN FOR EASY SEAT HEIGHT ADJUSTMENT
- TABLE TOP AND SEAT PIVOTING CAN BE LOCKED
- TWO CLEANING FORKS ARE INCLUDED, ONE FOR FORE-ENDS AND ONE FOR BUTTSTOCKS

The Stable Table is purpose-built to be the finest value-priced shooting bench in the market. The tripod design is more rigid and has fewer joints than folding-style benches and is appropriate for a wide variety of shooting conditions and disciplines. A bolt in the base allows position adjustment of a single leg, leveling the tabletop. The central shaft, seat, and tabletop pivot around a center axis as a single unit while keeping the tabletop parallel to the horizon. The top is made from molded plastic with a rigid metal under-frame. The seat adjusts from 16" to 22" and rotates in tandem with the tabletop. Convenient cleaning forks are included that snap into position in the top and securely hold a gun for cleaning.

Cleaning Forks

STABLE TABLE® LITE

PRODUCT# 1084745 · UPC# 661120414360

- AMBIDEXTROUS, ROTATING SEAT, COUPLED WITH TABLE DEPTH ADJUSTMENT, FOR MAXIMUM SHOOTING COMFORT
- FULLY COLLAPSIBLE FOR EASY TRANSPORTATION AND STORAGE
- ALL-WEATHER TABLETOP AND SEAT
- CAN SUPPORT UP TO 250 POUNDS OF WEIGHT
- WEIGHS LESS THAN 30 POUNDS

Wish you could conveniently bring your own shooting table to the range? Now you can with the Stable Table Lite. This shooting table is lightweight and durable making it the perfect solution to overcrowded or rundown ranges. Setup and adjustments are fast and simple with a rotating seat and table depth adjustment to ensure maximum shooting comfort. No matter if it's raining, snowing, the shooter is right handed or left handed, this table is ready for all situations with its ambidextrous seat pivots and all-weather tabletop and seat.

AR DEADSHOT® TACTICAL BAG SET

ASSEMBLED IN THE USA

PRODUCT# 934693 · UPC# 661120346937

- PERFECT SHOOTING HEIGHT WITH PLENTY OF CLEARANCE FOR 30 ROUND MAGAZINE
- RIFLE CAN EASILY BE ROTATED FOR FAST MAGAZINE CHANGES
- WORKS GREAT WITH TACTICAL STYLE BOLT ACTION RIFLES AS WELL
- EXTREMELY HEAVY-DUTY BALLISTIC NYLON RESISTS SCUFFING FROM SHARP EDGED PIC RAILS

The DeadShot Tactical Bag Set was designed to deliver an optimal, stable shooting platform for all AR-15 and AR-10 rifle platforms. The innovative dual configuration rear bag can be oriented for M4 carbine style stocks or reversed for an ideal fit with A2 style stocks. The tall profile front bag is an ideal height for AR allowing clearance for 30 round magazines. Both bags feature an extremely heavy Ballistic Nylon on the contact surfaces designed to hold up to abuse from hand guards with sharp edged pic rails. Bags are pre-filled and ready for use.

ARCA/PIC

M-LOK

The Caldwell XLA Bipods provide a stable shooting support with mount options that conveniently attach to almost any firearm. The lightweight aluminum design adds minimal weight and deploys quickly, with legs that instantly spring out to the shooting position with the touch of a button. The legs are notched for easy indexing to a specific height. Multi-section legs collapse forward, allowing for convenient carry of the firearm. Soft rubber feet provide enhanced stability. The pivoting frame design allows for 20 degrees of range for level shooting on uneven ground. An integrated sling stud allows the attachment of slings without the need to drill additional holes in the stock. Caldwell XLA Pivot Bipods give you the solid support you need on the range and in the field.

The Caldwell XLA Bipods provide a stable shooting support that conveniently attaches to almost any firearm with a sling swivel stud. The lightweight aluminum design adds minimal weight and deploys quickly, with legs that instantly spring out to the shooting position with the touch of a button. The legs are notched for easy indexing to a specific height. There is a connection point for sling attachment and multi section legs that collapse forward allowing for convenient carry of the firearm. Durable rubber feet provide enhanced stability, while the padded bipod base protects the firearm's forend.

BIPOD PIVOT LOCK

PRODUCT# 535881 · UPC# 661120358817

+ SPRING LOADED "PULL" OUT FOR EASY HANDLE POSITIONING
+ SECOND ADAPTER FOR SAE #10-32 THREADED EXTERNAL SPRING BIPODS
+ "C" IDENTIFIES THE CALDWELL® ADAPTER FROM THE SAE ADAPTER
+ EASILY ADJUST PIVOT TENSION WHILE STILL SHOULDERING YOUR RIFLE

The Caldwell Bipod Pivot Lock works on all XLA Bipod Pivot models. It also fits most other brand bipods and includes a #10-32 threaded adapter for SAE threaded pivot model bipods. Easily adjust the tension of your pivot mount without tools!

PIC RAIL ADAPTER PLATE

PRODUCT# 156716 · UPC# 661120567165

+ ABILITY TO ALIGN THE ADAPTER WITH THE BARREL INSTEAD OF THE STOCK
+ SIMULTANEOUSLY UTILIZES SHOULDER SLING AND A PIC RAIL MOUNTED ACCESSORY
+ ADJUSTABLE TENSION AND VERTICAL ANGLE

The Caldwell Pic Rail Adapter is perfect for utilizing both your shoulder sling and a pic rail mounted accessory at the same time. By adjusting the tension on the front and rear T20 screws you can change the vertical angle of the Pic Rail Adapter to align with the barrel instead of the stock. A curved "fore-end style" profile ensures a perfect mating surface for the bipod.

BIPOD ADAPTER FOR PICATINNY RAIL

PRODUCT# 535423 · UPC# 661120354239

+ ATTACH ANY TRADITIONAL BIPOD OR SLING TO A PICATINNY RAIL
+ LIGHT-WEIGHT, DURABLE MACHINED ALUMINUM CONSTRUCTION
+ TWO INTEGRATED FASTENERS ENSURE A SECURE ATTACHMENT

The Bipod Adapter quickly and easily attaches to a picatinny rail. Any standard bipod and sling can be attached to the integrated swivel stud. A curved "fore-end style" profile assures the perfect fit for the bipod to mate with.

+ ADJUSTABLE VOLUME CONTROL
+ 3.5MM AUDIO INPUT JACK
+ DUAL MICROPHONES INSTANTLY SHUT OFF TO PROTECT THE SHOOTER'S HEARING

The Low-Profile E-Max® hearing protection combines great circuitry with a low profile earcup that's ideal for shotgun shooters and action shooters. The E-Max® amplifies sounds below 85 decibels, which amplifies normal communication, range commands, and environmental sounds. Two microphones – one in each cup – give the user true stereo sound and allow the user to identify the directional source of a sound. Runs on 2 AAA batteries (not included).

E-MAX® LOW PROFILE MUFFS & SHOOTING GLASSES COMBO

PRODUCT# 487309 · UPC# 661120873099

+ 25DB NOISE REDUCTION RATING
+ DUAL MICROPHONES INSTANTLY SHUT OFF TO PROTECT THE SHOOTER'S HEARING
+ PADDED HEADBAND FOR MAXIMUM COMFORT
+ TRUE STEREO AMPLIFICATION DELIVERS MAXIMUM VOLUME AND CLARITY

The Caldwell E-Max hearing protection combines great circuitry with a standard earcup for better protection. The two microphones in the E-Max amplify sounds below 85 decibels, which amplifies normal communication, range commands, and environmental sounds. Above 85 decibels, the microphones shut off to protect the shooter's hearing. Ear cup width is 1.75 inches and two AAA batteries are required (not included). Enabled with one stereo microphone in each cup, the user can localize sound from all directions. 25dB Noise Reduction Rating.

The Caldwell Pro Range Glasses feature a stylish wrap-around design and are a great choice for all shooters. They feature an adjustable nose piece and temples for all day comfort. The scratch resistant lens meets ANSI Z87.1 standards and offers 99.9% UV protection.

+ 21DB NOISE REDUCTION RATING
+ ADJUSTABLE VOLUME CONTROL
+ DUAL MICROPHONES INSTANTLY SHUT OFF TO PROTECT THE SHOOTER'S HEARING
+ TRUE STEREO AMPLIFICATION DELIVERS MAXIMUM VOLUME AND CLARITY

The E-Max® Behind-the-Head hearing protection combines great circuitry with a low profile ear cup that's ideal for shotgun shooters and action shooters. The E-Max® amplify sounds up to 20dB, controlled by the volume dial on the right ear cup. This is beneficial for normal communication, range commands, and environmental sounds. With sounds above 85 decibels, the speakers shut off for a split second to protect the shooters hearing. Two microphones, one in each cup, give the user true stereo function and help the user to localize sound. 21dB Noise Reduction Rating.

+ POLYURETHANE FOAM MAKES THE PLUGS COMFORTABLE TO WEAR
+ CORD AND CLIP MAKE IT EXTREMELY EASY TO KEEP TRACK OF

Never lose your earplugs again with Caldwell Range Plugs featuring integrated cord and clip. Caldwell designed these Range Plugs to have tapered shape, made of polyurethane foam to make them easy to insert and comfortable for hours of use. The cord can be used in conjunction with the provided clip to snap on the back of your hat or the collar of your shirt so you always know where your ear plugs are. 31dB Noise Reduction Rating.

NOT ALL STEEL TARGETS ARE EQUAL

Caldwell AR500 steel is made to take a hit. Constructed using laser-cut 3/8" AR500 steel, these targets are perfect for high-power centerfire rifles and magnum handguns. Only the best certified AR500 steel is used for Caldwell targets, with each batch going through a thorough quality inspection process. This is why Caldwell is one of the only steel targets that carry a Lifetime Guarantee; we know they will last. The bright yellow powder coat finish is easily visible in all conditions, even at a long distance. Multiple hanging points are compatible with all Caldwell hanging solutions and most aftermarket solutions using ½" bolts. Caldwell has a complete line of AR500 targets to fit any need. Take your best shot at a Caldwell AR500 target; we guarantee you're going to love it.

AR500 DUELING TREE

PRODUCT# 1215367 • UPC# 198700000519

+ SIX – 6" DIAMETER TARGETS
+ 3/8" RIFLE RATED AR500 STEEL TARGETS AND CENTER POST
+ 54" TALL WITH 24" X 24" BASE
+ ADJUSTABLE ANGLE BASE FOR RELIABLE USE ON UNEVEN GROUND
+ RATED FOR HANDGUN AT 10 YARDS, .223 REM AT 100 YARDS AND .308 WIN AT 200 YARDS

The Caldwell AR500 Dueling Tree is a great way to compete against friends or hone your skills by yourself on almost any range. With each impact, the six reactive targets pivot from left to right of the center post. The 6" diameter targets and center post are all constructed from AR500 steel for use with handguns and centerfire rifles. An adjustable base allows reliable use on uneven ground and tunes the target angle for different impact energies. A unique AR500 steel 2-piece center post and plate hangers withstand bullet impacts for a lifetime of trouble-free use. Get the Caldwell AR500 Dueling Tree and head to the range to Eliminate the Variables That Make You Miss.

+ 18"X24" RIFLE RATED 3/8" AR500 STEEL TARGET
+ STEEL FRAME HUBS USE STANDARD 2X4 LUMBER (NOT INCLUDED) FOR CUSTOMIZABLE FRAME
+ FLASH BANG HIT INDICATOR INCLUDED FOR EASY HIT IDENTIFICATION
+ NYLON-REINFORCED RUBBER HANG STRAPS INCLUDED

AR500 STEEL LIFETIME + GUARANTEE +

Shooting long distances often requires specialized targets and equipment to get the job done. The Caldwell Long-Range Gong Kit is an all-in-one kit that has everything you need to start making and spotting hits at longer ranges. Featuring a centerfire rifle rated 18"x24" 3/8" thick AR500 gong with nylon reinforced rubber straps that will last a lifetime of shooting. The steel 2x4 frame hubs use standard 2x4 lumber (not included) to make a custom size/height frame to match your range needs. Last but certainly not least the kit includes a Caldwell Flash Bang hit indicator that features flashing green LED lights that strobe every time a bullet impacts the target, making spotting shots at over 1 mile an easy task. Test the limits of your shooting and take that long shot with the Caldwell AR500 Long Range Gong Kit.

FLASH BANG INCLUDED

FLASH BANG PRO

PRODUCT# 1215381 · UPC# 198700000618

+ 10 ULTRA-BRIGHT LED LIGHTS VISIBLE AT OVER 1 MILE NOTIFY SHOOTERS OF IMPACTS
+ ADJUSTABLE FLASH TIME 1 SEC. OR 6 SEC. FOR RAPID-FIRE OR LONG-RANGE USE
+ LOW-IMPACT ENERGY DETECTION WORKS WITH RIMFIRE AND EXTREME RANGES
+ POWERED BY 3 AA BATTERIES (INCLUDED), LASTING OVER 30,000 IMPACTS
+ VERSATILE HOOK AND LOOP ATTACHMENT FITS MOST AR500 TARGETS 5" AND LARGER

Few things are more satisfying than hearing the ring of a successful hit on a steel target, but at longer ranges or with multiple shooters knowing you hit the target can be nearly impossible. Get instant feedback and reassuring hit confirmation with the Flash Bang Pro. Featuring 10 ultra-bright LED lights that flash each time the target is impacted sending a visual hit confirmation back to the shooter at distances over 1 mile away. The Flash Bang Pro version features a multi position switch, allowing the user to select a 1 second flash for competition where shooters may be engaging a target multiple times, or a 6 second flash for longer-range uses where the long strobe is more desirable. Includes 3 AA batteries, lasting over 30,000 impacts, and hook and loop material to attach the Flash Bang Pro to the back of almost any AR500 target 5" and larger. See what you have been hitting with the Caldwell Flash Bang Pro hit indicator.

PATS:aob.com/patents

ADJUSTABLE FLASH TIME SWITCH

FLASH BANG TARGET HIT INDICATOR

PRODUCT# 1198772 · UPC# 661120747529

+ 10 FLASHING LED LIGHTS NOTIFY SHOOTER OF AN IMPACT AT EXTENDED RANGES
+ LOW IMPACT ENERGY DETECTION EASILY DETECTS .223 HITS AT 1,000 YARDS
+ VERSATILE, COMPACT DESIGN WORKS ON MOST STEEL TARGETS OVER 5"

The Caldwell Flash Bang Target Hit Indicator brings new feedback to shooters when using steel targets. Flashing green LED lights are triggered by an impact on the target telling shooters of their hits at extremely long ranges where confirmed hits can be difficult. The self-contained unit features 10 ultra-bright green LED lights that are visible for thousands of yards, even in bright daylight conditions. Powered by 3 "AA" batteries (included), the Flash Bang has a battery life of over 5,000 impacts. The Flash Bang is compatible with targets over 5" and attaches easily with heavy-duty hook and loop material.

(8" PLATE)

AR500 AUTO RESET TARGETS

AR500 33% PEPPER POPPER TARGET

PRODUCT# 1178560 · UPC# 661120265627

AR500 PRAIRIE DOG TARGET

PRODUCT# 1178561 · UPC# 661120265634

- HEAVY-DUTY 3/8" AR500 STEEL RATED FOR CENTERFIRE RIFLE USE
- AUTOMATIC SPRING RESET ELIMINATES NEED TO GO DOWN RANGE & ALLOWS FOR INSTANT FEEDBACK
- 7" ELEVATED STAND PROVIDES QUICK & EASY SETUP
- PEACE OF MIND WITH LIFETIME WARRANTY ON AR500 TARGET

Add some fun interactive targets to your range with these Caldwell AR500 Auto Resetting Targets. Constructed using AR500, the finest rifle rated target steel available on the market. Each target includes a free-standing frame, popper, or prairie dog shape AR500 target and ground stakes. The base of the frame sits 7-Inches off the ground. When the target is struck with a bullet it falls backward and is automatically reset with the integrated reset spring. For maximum life expectancy impact velocities of 3,000 fps or below and impact energies of 3,500 ft. lbs. or less are recommended.

AR500 DUAL SPINNER TARGET

PRODUCT# 1196226 · UPC# 661120747451

- HEAVY-DUTY 3/8" AR500 STEEL RATED FOR CENTERFIRE RIFLE USE
- SPINNING TARGET DESIGN IS FUN AND CHALLENGING
- 5" AND 8" PLATES ARE THE PERFECT SIZE FOR BOTH RIFLE AND HANDGUN USE
- COLLAPSIBLE STAND MAKES FOR EASY SETUP, TAKEDOWN AND STORAGE
- PEACE OF MIND WITH A LIFETIME GUARANTEE ON AR500 TARGETS

The Caldwell AR500 Dual Spinner Target includes everything you need for a great day at the range. Featuring dual 5" and 8" AR500 steel targets that are capable of withstanding thousands of rounds and a collapsible steel stand for easy transport. The dual spinning targets offer a fun and challenging target for competition, plinking, or training. Perfect for centerfire rifles and handguns, these targets are rated up to 3,000 fps impact velocity and 3,500 ft-lb impact energy.

AR500 SWINGING TARGET

PRODUCT# 1187590 · UPC# 661120652625

- 3/8" AR500 CONSTRUCTION CAN WITHSTAND IMPACTS FROM CENTERFIRE RIFLES
- EXTREMELY DURABLE CAST URETHANE FRAME CONNECTORS PROVIDE A RIGID FRAME YET ALLOWS BULLETS TO PASS RIGHT THROUGH
- SOLID STEEL LEGS AND CROSSBAR PROVIDE A RIGID FRAME BUT CAN BE REPLACED BY 1/2" REBAR IF DAMAGED
- PEACE OF MIND WITH A LIFETIME GUARANTEE ON AR500 TARGET

The Caldwell AR500 Swinging Target is constructed using 3/8" rifle rated AR500 steel. The extremely durable cast urethane frame connectors provide a rigid frame yet allows bullets to pass through without damage. The solid steel legs and crossbar provide a rigid frame that can be replaced by 1/2" rebar if damaged. The target frame is 18" off the ground and 10" to the center of the target. The AR500 Swinging Target is highly portable for ease of use. 4 ground stakes are included to secure the target for large rifle impacts. Perfect for centerfire rifles and handguns, these targets are rated up to 3,000 fps impact velocity and 3,500 ft-lb impact energy.

PORTABLE RANGE KIT WITH 8" AR500 TARGET

PRODUCT# 1140016 · UPC# 661120259985

AR500 RIMFIRE/HANDGUN 1/4" STEEL TARGETS

AR500 STEEL LIFETIME + GUARANTEE +

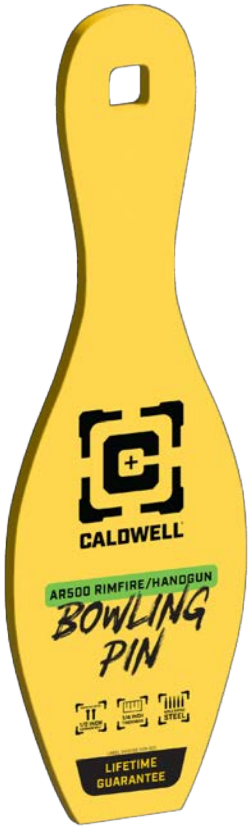

Caldwell® ¼'' AR500 Steel Plates are designed to take your shooting to the next level. Laser cut from certified AR500 steel, these targets offer unbeatable durability and performance for both beginners and seasoned marksmen. Capable of handling any rimfire or non-magnum handgun caliber firearm, Caldwell AR500 targets will last tens of thousands of rounds without damage. These ¼'' plates are lighter than thicker centerfire-rated steel plates, resulting in increased plate movement and a resounding ring upon impact; even with lower-energy shots. The targets come in 5 different shapes and sizes to add both fun and challenge to your shooting. We stand by the quality of our targets, which is why each Caldwell AR500 target comes with a lifetime guarantee. Whether you're a novice looking to refine your skills or a skilled shooter seeking a fresh challenge, Caldwell ¼" AR500 steel targets are the go-to choice. Experience the thrill of hitting the mark and enjoy hours of dynamic shooting fun.

AR500 RIMFIRE KYL CHALLENGE TARGET

Caldwell® AR500 Rimfire KYL Challenge Targets are the perfect way to test your shooting skills and have fun competitions with friends. These targets are commonly referred to as KYL targets short for **"know your limits".** This name comes from the 8 targets that range in size from 2" to ¼" that are designed to test a shooter's skill. The most common way to use the target is for shooters to start with the largest target and accumulate points for each target they hit. If the shooter misses, they drop back to zero. This tests a shooter's ability to judge their limits and see how well they stack up against others. Targets are constructed of certified AR500 steel and can withstand a lifetime of impacts. The included stand uses ½" diameter steel tubing and durable polyurethane joints to set up quickly and take down for easy transport and storage. Get out to the range and test your limits with the Caldwell AR500 Rimfire KYL Challenge Target.

AR500 STEEL LIFETIME + GUARANTEE +

+ HIGH VISIBILITY YELLOW POWDER COAT PREVENTS RUST AND IS EASY TO SEE NO MATTER WHAT THE TERRAIN
+ BACKED BY CALDWELL AR500 LIFETIME GUARANTEE THESE TARGETS ARE BUILT TO LAST FOR TENS OF THOUSANDS OF ROUNDS

AR500 RIMFIRE KYL RING CHALLENGE TARGET

Caldwell® AR500 Rimfire KYL Ring Challenge Target is a new take on the traditional KYL design. Know Your Limit targets, or KYL, as they are commonly called allow shooters to hone their marksmanship skills and have fun competitions with other shooters to see how they stack up. This KYL target uses rings instead of the traditional solid paddle targets that decrease in size. There are five 3" diameter targets with holes in the middle of each, forming a ring target. The size of the hole in the target increases leaving a smaller ring target as they progress. The most common way to use the target is for shooters to start with the largest target and accumulate points for each target they hit. If the shooter misses, they drop back to zero. This tests a shooter's ability to judge their limits and see how well they stack up to others. Targets are constructed of certified AR500 steel and can withstand a lifetime of impacts. The included stand uses ½" diameter steel tubing and durable polyurethane joints to set up quickly and takedown for easy transport and storage. Get out to the range and test your limits with the Caldwell AR500 Rimfire KYL Ring Challenge Target.

AR500 STEEL LIFETIME + GUARANTEE +

BALLISTIC PRECISION CHRONOGRAPH G2

PRODUCT# 720002 • UPC# 661120200024

The Ballistic Precision G2 literally flips conventional chronograph technology upside down. By inverting the system the G2 is capable of measuring in adverse light conditions making the measurements more accurate than conventional chronographs, even indoors. Collapsible and compact, the system is quick and easily deployed from its heavy duty storage case. Higher accuracy is achieved by using a high speed 48 MHz processor and by designing a circuit with an advanced data interface that allows each unit to be computer calibrated at the factory after assembly.

- 18" SENSOR SPACING FOR MAXIMUM ACCURACY
- FACTORY CALIBRATED TO WITHIN +/- 0.25% ACCURACY
- METERS PER SECOND (MPS) OR FEET PER SECOND (FPS) READINGS
- APP DISPLAYS VELOCITY, LOGS DATA, NOTES, WEATHER CONDITIONS AND EXPORTS VIA SMS OR EMAIL
- MEASURES FROM 5 TO 9,999 FPS

Tripod, Rechargeable Li-ion battery & 120/220v compatible charger Included

DOWNLOAD THE FREE APP!

See the velocity of each shot on-screen and record other data such as identifying the load and environmental conditions. The app automatically calculates average velocity, standard deviation, minimum velocity spread and maximum velocity spread for the shot string.

WIND WIZARD II™

PRODUCT# 102579 • UPC# 661120025795

- WIND SPEED MEASURES IN MPH, FT./MIN, KM/H, M/S OR KNOTS
- TEMPERATURES DISPLAY IN CELSIUS AND FAHRENHEIT
- WIND CHILL DISPLAY
- LCD BACKLIGHT WITH AUTO POWER OFF

The Wind Wizard II has been redesigned to be the best value wind meter on the market and an ideal tool for indicating wind speed. Knowing wind speed gives the shooter the ability to judge shot placement in varying wind conditions. Both compact and portable, this wind meter reads wind and temperature in various units of measure. The non-slip rubber sleeve protects the unit and ensures it's easy to grip even with gloved hands. Operates on one CR2032 battery (included).

The slide protection tab keeps firearms away from the skin to prevent pinching or rubbing while in use. This tactical handgun holster is also machine washable making cleaning a breeze. Standard size fits waits up to 40". X-Large size fits waists up to 52".

MAG CHARGER® UNIVERSAL PISTOL LOADER

PRODUCT# 110002 • UPC# 661120100027

- UNIVERSAL DESIGN WORKS ON MOST MAGAZINES
- WORKS WITH BOTH SINGLE-STACK AND DOUBLE-STACK MAGAZINES
- LOADS 9MM, 10MM, .357 SIG, .40 S&W AND .45 CAL AMMO
- SIMPLE TO USE - JUST DROP IN A ROUND AND SQUEEZE THE LEVER

The Caldwell Mag Charger Universal Pistol Loader is designed to work with almost all pistol magazines. The Universal Pistol Loader works with both single-stack and double-stack magazines and loads 9mm, 10mm, .380, .357 Sig, .40 S&W and .45 ACP. This magazine loader is simple to use, just drop in a round and squeeze the lever. The adjustable side shims align magazines of any width for optimal use, and are labeled with numbers for quick adjustment.

PATS:aob.com/patents

MAG CHARGER® TAC 30

PRODUCT# 397493 • UPC# 661120974932

- LOAD AR MAGAZINES IN JUST SECONDS
- ACCEPTS 30 ROUNDS OF .223, 5.56 OR .204
- TRANSFER DIRECTLY FROM A 20 ROUND BOX
- LOADS 10 ROUNDS PER "STROKE" WITH AUTO ADVANCE

The Caldwell Mag Charger Tac-30 is designed to directly accept 20 live rounds from any common 20 round ammo manufacturer box and will also conveniently accept up to three 10 round stripper clips. The entire process of filling the Mag Charger Tac-30 with ammo and loading all 20-30 rounds into a magazine takes less than 10 seconds! Spend more time shooting and less time reloading with the Caldwell MagCharger Tac-30!

PATS:aob.com/patents

MAG CHARGER® AR-15

PRODUCT# 397488 • UPC# 661120222316

- LOAD AR MAGAZINES IN JUST SECONDS
- ACCEPTS 50 ROUNDS OF .223, 5.56, .204 OR 300 AAC BLACKOUT LOADED AMMO
- INSTANT TRANSFER SYSTEM FROM AMMO BOX DIRECTLY TO MAG CHARGER®
- LOADS 5 ROUNDS PER "STROKE" WITH AUTO ADVANCE

Simply put, the Caldwell AR Mag Charger revolutionizes the way ammo is handled and loaded into AR-15 magazines. It is designed to accept 50 loaded rounds directly from any common 50 round ammo manufacturer box or from aftermarket 50 round plastic storage boxes. Simply align bullet tips and dump a box of ammo into the Mag Charger. The ammo is automatically aligned without touching a single round.

PATS:aob.com/patents

PIC RAIL BRASS CATCHER

PRODUCT# 530143 · UPC# 661120301431

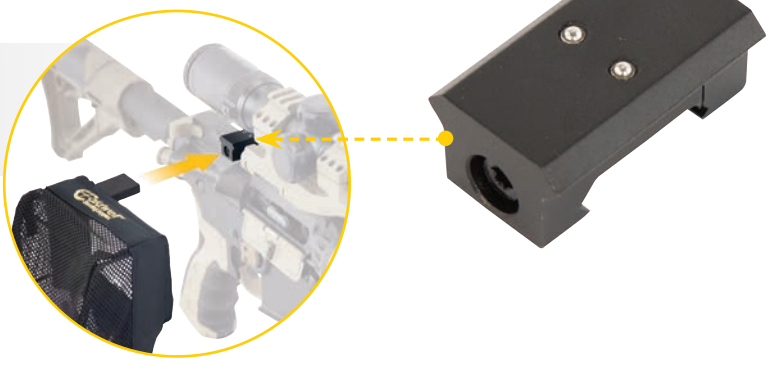

+ MOUNTS TO ANY AR-15 RIFLE WITH A FLAT TOP OR PICATINNY RAIL HAND GUARD
+ COMPATIBLE WITH MOST AR-10/LR-308 MODELS AS WELL
+ CONVENIENT ZIPPER AT BOTTOM OF MESH BAG MAKES EMPTYING SIMPLE
+ HEAT RESISTANT MESH WILL NOT MELT
+ LARGE 100 ROUND CAPACITY (.223)

The Caldwell® AR-15 Pic Rail Brass Catcher mounts to any Pic Rail with its quick detach anodized aluminum clamp and captures the ejected brass during firing. The clamp and wire frame are fully adjustable to work with a wide variety of rail/optic configurations and allow brass to enter bag without any disruption to bolt function or cycling. The quick detent locking attachment feature allows for quick installation and removal of the brass catcher; which allows for quick checking or clearing of the rifle chamber. Convenient zipper at bottom of mesh bag makes emptying simple.

PIC RAIL SPARE MOUNT

PRODUCT# 123904 · UPC# 661120239048

+ WORKS WITH THE CALDWELL PIC RAIL BRASS CATCHER
+ USE EXTRA PIC RAIL MOUNTS TO MAKE SWITCHING BETWEEN RIFLES AN EASY PROCESS
+ MOUNTS TO ANY EXTENDABLE MAGAZINE RIFLE WITH A FLAT TOP OR PICATINNY RAIL HAND GUARD

Put extra pic rail mounts on other guns. That way you can switch your Pic Rail Brass Catcher between rifles quickly and easily.

AR-15 BRASS CATCHER

PRODUCT# 122231 • UPC# 661120222316

+ QUICKLY ATTACHES TO ANY AR-15 USING HOOK AND LOOP WEBBING
+ HOLDS APPROXIMATELY 30 ROUNDS OF SPENT BRASS (.223)
+ WIRE FRAME IS ADJUSTABLE TO FORM IT TO MOST ANY RIFLE
+ HEAT RESISTANT MESH WILL NOT MELT
+ ZIPPER FOR EASY EMPTYING

Tired of picking up brass from your AR? The AR-15 Brass Catcher attaches to the forearm of any AR with hook and loop webbing and captures the ejected brass. It prevents brass from being scattered around your shooting area, and works great in preventing hot brass from landing on shooter or other people next to the shooter. A wire frame holds fabric in correct shape and allows brass to enter bag without disruption to bolt function or interrupting cycling.

UNIVERSAL BRASS CATCHER S.A.

PRODUCT# 110038 • UPC# 661120000457

+ SWING-OPEN DESIGN ALLOWS FOR CONVENIENT CHAMBER ACCESS
+ UNIVERSAL DOUBLE HOOK & LOOP ATTACHMENT FOR USE ON BOLT-ACTION AND SEMI-AUTOMATIC RIFLES
+ INTERNAL CAGE DESIGN MAINTAINS BAG SHAPE
+ 100 ROUND CAPACITY (.223) WITH A ZIPPERED BOTTOM FOR EASY BRASS REMOVAL

The Caldwell Universal Brass Catcher is the perfect tool for any re-loader or conscious shooter. This expended brass catcher conveniently fits onto bolt-action and semi-automatic rifles to allow you to focus on shooting, rather than worrying about where your brass is landing. When the bag is full (100 rounds of .223) simply use the zipper on the bottom of the bag to empty the casings into your desired container and keep shooting.

BRASS TRAP

PRODUCT# 122560 • UPC# 661120225607

+ USE ON BENCHTOP OR ATTACH TO ANY TRIPOD WITH A 1/4-20 MALE THREADED STUD (TRIPOD NOT INCLUDED)
+ FOLDS UP EASILY FOR COMPACT STORAGE
+ HEAT RESISTANT MESH RESISTS MELTING
+ INCLUDED STORAGE BAG

Are you tired of spending as much time sifting through grass looking for brass as you do shooting at the range? Look no more with the Caldwell Brass Trap. It is specifically designed to catch the brass in most shooting environments with any gun. The Brass Trap quickly assembles to be set on a bench and catch all or your rifle brass or it can be mounted on tripod to catch all of your pistol brass. When you are done shooting simply unzip the zipper for quick brass removal and break it down to store in your range bag. Spend more time shooting and less time looking for brass with the Caldwell Brass Trap.

Storage Bag Included

BRASS RETRIEVER

PRODUCT# 125789 · UPC# 661120257899

+ DESIGNED TO MAKE PICKING UP BRASS EXTREMELY EASY
+ WORKS ANYWHERE, EVEN ON GRASS AND GRAVEL
+ TELESCOPING HANDLE TO CUSTOMIZE LENGTH
+ COMES WITH A ROLL CAGE SEPARATOR THAT ALLOWS QUICK BRASS DUMPING

Spend less time bending over and picking up brass at the range and more time shooting. The Brass Retriever picks up brass saving your back and time. Now picking up spent brass is as easy as pushing a mop. The Brass Retriever can pick up rifle and pistol brass quickly and efficiently. The Brass Retriever works any where, even on grass and gravel. The retriever comes complete with a roll cage separator that allows you to dump the collected brass into a bucket quickly. It is collapsible as well, making it convenient to transport to and from the range. Expands from 28" up to 57" tall.

FAST CASE GUN COVER

PRODUCT# 110039 · UPC# 661120000464

+ DURABLE BALLISTIC FABRIC WITHSTANDS ABRASION AND TOUGH USE
+ FITS RIFLES OR SHOTGUNS FROM 40"-54" IN LENGTH
+ FOLDS UP INTO A COMPACT SIZE AND FITS IN A PACK
+ PVC LINED FABRIC MAKES CASE WATER RESISTANT

The Caldwell Fast Case Gun Cover protects firearms from all that Mother Nature can throw at them. Durable ballistic fabric stands up to thorns, sticker bushes, or any other abrasive surfaces. The PVC lined fabric provides a water resistance to the firearm in rain and snow. The large bottom opening allows the user to keep the firearm covered but still allows them to carry it with a standard sling. The Caldwell Fast Case is very easy to put on and fast to take off when the shot matters most.

MAX GRIP SLIM SLINGS

BLACK
PRODUCT# 1131995 · UPC# 661120103592

+ AMBIDEXTROUS
+ 1/4" THICK ENERGY-ABSORBING PAD
+ APPROXIMATELY 30 CUBIC INCHES OF COVERAGE
+ COMFORTABLE COTTON-BLEND COVER EASILY ATTACHES TO BRA STRAP WITH HOOK AND LOOP CLOSURES

Created with the field shooter in mind, the lightweight, foam recoil system is designed for quick and easy gun mounting in the field and provides valuable protection from recoil. It is ambidextrous and attaches with an easily adjustable hook and loop closure for a secure fit. Front and back leather faces secure the gun comfortably in place, eliminating any sliding. The shield's 1/4" thick energy-absorbing pad provides excellent protection from all shotguns.

FIELD SHIELD

PRODUCT# 350010 • UPC# 054118000537

+ AMBIDEXTROUS
+ 1/4" THICK ENERGY-ABSORBING PAD
+ APPROXIMATELY 37 CUBIC INCHES OF COVERAGE
+ SOFT LEATHER PROVIDES AMPLE FRICTION TO KEEP GUN LOCKED INTO THE SHIELD AND YOUR SHOULDER

Created with the field shooter in mind, the lightweight, foam recoil system is designed for quick and easy gun mounting in the field and provides valuable protection from recoil. It is ambidextrous and attaches with an easily adjustable hook and loop closure for a secure fit. Front and back leather faces secure the gun comfortably in place, eliminating any sliding. The shield's 1/4" thick energy-absorbing pad provides excellent protection from all shotguns.

MAG SHIELD

PRODUCT# 300010 • UPC# 054118000452

+ AMBIDEXTROUS
+ 1/2" THICK ENERGY-ABSORBING PAD
+ APPROXIMATELY 20 CUBIC INCHES OF COVERAGE
+ SOFT LEATHER PROVIDES AMPLE FRICTION TO KEEP GUN LOCKED INTO THE SHIELD AND YOUR SHOULDER

The Magnum Recoil Shield is designed to provide unparalleled recoil protection while sighting in your rifle, bench rest shooting, or participating in many other shooting activities. The size and shape of the Magnum Recoil Shield creates the perfect combination of function and comfort. It can be worn on the left or right shoulder and attaches with an easily adjustable side closure for a secure fit. The leather on the front secures the gun in place, while the leather on the back of the shield provides a comfortable feel and prevents the shield from sliding around on your shoulder.

MAG SHIELD PLUS

PRODUCT# 310010 • UPC# 054118002500

+ AMBIDEXTROUS
+ 1/2" THICK ENERGY-ABSORBING PAD
+ APPROXIMATELY 32 CUBIC INCHES OF COVERAGE
+ SOFT LEATHER PROVIDES AMPLE FRICTION TO KEEP GUN LOCKED INTO THE SHIELD AND YOUR SHOULDER

The Mag Plus Shield is designed to provide the same unparalleled recoil protection as the original Mag Shield but features a larger surface area. The heart shaped design expands the recoil absorption area, extending protection to the upper arm. This quality is especially valuable in those cases when the rifle or shotgun is not shouldered perfectly. The size and shape of the Mag Plus Shield creates the perfect combination of function and comfort. This time-tested design has become a favorite for shooters around the world.

SUPER MAG SHIELD PLUS

PRODUCT# 330110 • UPC# 054118001558

+ AMBIDEXTROUS
+ 1" THICK ENERGY-ABSORBING PAD
+ APPROXIMATELY 40 CUBIC INCHES OF COVERAGE
+ SOFT LEATHER PROVIDES AMPLE FRICTION TO KEEP GUN LOCKED INTO THE SHIELD AND YOUR SHOULDER

The Super Mag Plus Shield is designed to provide the highest protection level of any of our shields. With maximum amount of absorbing protection, shooting even the biggest calibers like the 416 Rigby and the 500 Nitro Express. The comfortable leather cover conforms to the body while the energy-absorbing foam insert dramatically reduces felt recoil.

DEATHGRIP® INFINITE XT CARBON FIBER

ARCA SWISS® TRIPOD

ITEM - 1250949 • UPC - 198700005408

Unrivaled Versatility That Reaches New Heights.
Trusted by those who demand precision and reliability, this is the most versatile shooting platform BOG® has ever built. Whether you're glassing, filming, or taking the shot, the Infinite Carbon Fiber XT gives you the freedom to switch roles without switching gear. Its interchangeable design empowers hunters and shooters to stay ready - no matter the terrain or task. Building on the proven success of the original DeathGrip® tripods, this upgraded model adds a center post for extended height, making it ideal for quick, one-touch adjustments in the field. The carbon fiber construction keeps it lightweight yet strong, while twist locks and smooth adjustability ensure fast, stable deployment in the field.

- **Rapid height adjustment –** *one-touch height adjustments with 10" center post*
- **Adaptable for any shooting position –** *20"–72" height range covers sitting to standing setups for taller users*
- **Versatility –** *Arca Swiss® compatible for glassing, filming, or shooting*
- **Fast, quiet setup –** *twist-lock legs allow quick, quiet, and secure height adjustments*
- **Sitting to standing –** *20°, 45°, and 85° leg angles offer flexible shooting positions and reliable stability*
- **Easy to carry without sacrificing strength –** *6.6 lb carbon fiber design is ideal for any terrain*

BANTAM TRIPOD

LIGHTWEIGHT ARCA SWISS® TRIPOD

ITEM - 1239241 • UPC - 198700005378

Lightweight Stability - Unmatched Versatility.
The Bantam Tripod is built for hunters who refuse to be weighed down. Whether you're out West glassing valleys or in a blind waiting on Whitetail, it delivers the stability you need without the bulk. At just 2.1 lbs. it's light enough to go anywhere. With an adjustable height range of 20" to 42", Arca-Swiss® compatibility, and twist-lock legs, it's fast, quiet, and versatile. Large rubber feet grip any terrain, and its compact design packs down small so you stay mobile and ready.

- **Versatility –** *Arca-Swiss® compatible for glassing, filming, or shooting*
- **Light to carry –** *lightweight versatility that won't slow you down, weighing just 2.1 lbs.*
- **Flexible shooting positions –** *20"–42" height range supports sitting-to-kneeling setups*
- **Rugged stability –** *large rubber feet offer better traction across any terrain*
- **Fast, quiet setup –** *twist-lock legs allow quick, quiet, and secure height adjustments*
- **Comfortable carry –** *compact and packable design built for mobility without sacrificing stability*

BINO ADAPTER

ARCA SWISS® BINO ADAPTER

ITEM - 1201870 • UPC - 661120750925

The Arca Swiss® Bino Adapter is an agile scouting tool designed around the BOG® Infinite, DeathGrip® Infinite and DeathGrip® Sherpa tripods, but will work with any Arca Swiss® mounting system. The skeletonized aluminum construction keeps weight to a minimum, while the quick-detach binocular stud allows binoculars to be stored in a bino harness when not being used, then quickly re-attached for sudden scouting situations.

- **Skeletonized Aluminum Construction**
  For Lightweight Versatility
- **Arca Swiss® Mounting Compatibility Fits Most Tripods,**
  Including all BOG® Arca Swiss® Tripods
- **Keyed, Quick-Detach Binocular Stud Allows**
  For Solid Lock-Up While Scouting & Bino Harness Carry When Not in Use
- **BONUS! Additional mounting stud included**

OPTICS PLATE

4" ARCA SWISS® MOUNT

ITEM - 1204206 • UPC - 661120749684

Make sure your "quick change" Arca Swiss® mount system is truly quick change by carrying extra BOG® 4" Optic Plates with you while on the go. Simply utilize the ¼-20 mounting stud to put a plate on every optic & camera you have & be ready to quickly change out your gear. A ⅜-16 adapter is also included for universal fit.

- **Durable, Lightweight Aluminum Construction**
  Provides Universal Fit with a Solid Lock-Up
- **1/4-20 Threaded Stud With 3/8-16 Adapter**
  For Quick Mounting of Optics or Cameras
- **Designed For Use In:**
  - All Bog® Deathgrip® Infinite & Deathgrip® Sherpa Tripods
  - All Tripods Utilizing an Arca Swiss® Mounting System
- **Weighs Only 2 oz**

ENGINEERED FOR THE UNKNOWN®

  For Additional Gear Securement

KINETIC™

DAY PACK • 2400 CUBIC INCHES • 3 LBS 1 OZ

ITEM - 1159182 • UPC - 661120651857

Unlike their hiking/camping brethren, the hunting industry has been slow to adopt lightweight, functional, & durable backpacks, creating a major pain point for hunters. Enter the BOG® Kinetic™ Day Pack! With a carrying capacity of 2400 cubic inches, the Kinetic™ weighs in at a feather over 3 lbs, boasting up to 25% more capacity by weight than the competition. Comprised of a quiet, yet durable ripstop material, YKK® zippers & lightweight heavy-duty buckles, the Kinetic™ also includes a micro-ripstop rain cover & gun/bow boot as standard & at a fraction of the cost of the competition.

- **Limited Lifetime Warranty**
  Backed by BOG®

AGILITY™

STAY DAY PACK • 2900 CUBIC INCHES • 3 LBS 7 OZ

ITEM - 1159183 • UPC - 661120651819

Bridging the gap between an ideal mobile western day pack & the perfect whitetail pack, the BOG® Agility™ Stay Day Pack features 2900 cubic inches of capacity, at an overall weight just under 3.5 lbs. That's up to 25% more capacity for the same weight as the competition. The sturdy, yet lightweight, aluminum frame compliments a durable 420D micro-ripstop material, YKK® zippers & lightweight heavy-duty buckles, making this one of the toughest, yet lightest packs on the market. Featuring a micro-ripstop rain cover & gun/bow boot as standard, the Agility™ doesn't compromise on quality, features, or value.

PREVAIL

LIGHTWEIGHT DAY PACK

ITEM - 1217657 • UPC - 198700001035

Are you tired of bulky and heavy day packs advertised as "lightweight"? Yeah, us too. Expanding on BOG's best-in-class weight-reducing backpack family, BOG now offers the minimalistic BOG Prevail. This 1700 cubic inch day pack weighs under 2 lbs, making it up to 40% lighter than the competition! Add in the same great features you expect of BOG; 420D nylon ripstop construction, quiet and dependable zippers, heavy-duty buckles, and a lifetime warranty and you've just found the ultimate early-season and minimalist day pack. Just like the Prevail's big brothers, this day pack takes what competitors call "optional accessories" and includes them as standard, proving once again that you get WAY MORE for your dollar with BOG!

- **1700 ci Capacity**
  For Lightweight and Early-Season Day Hunts
- **Weighs Just 1.7 lbs.**
  Up to 40% Lighter Than the Competition
- **420D Nylon Ripstop Construction**

FRANKFORD
ARSENAL®

PRECISION SINGLE STAGE PRESS

PRODUCT#1218944 ▫ UPC# 198700000717

- HEAVY DUTY IRON FRAME AND LINKAGES FOR SMOOTH OPERATION WITH NO FLEX
- COMPATIBLE WITH STANDARD 7/8X14 DIES
- ANTI-ROTATION SHELL HOLDER USES STANDARD SHELL HOLDERS
- SPILL FREE FULLY CONTAINED PRIMER CATCH KEEPS BENCHTOPS AND FLOORS CLEAN
- INTEGRATED LED LIGHTS ILLUMINATE THE WORK AREA

The Frankford Arsenal Precision Single Stage Press is designed and built with extreme precision in mind. Heavy-duty solid steel constructed frame and linkages offer smooth motion with zero flex for precise case sizing and bullet seating. The primer catch system is fully contained to eliminate spent primers and debris from spilling out for clean, clutter-free benchtops and floors. A large frame opening with integrated LED lights illuminating the work area allows for easy case insertion and bullet placement. The stainless-steel ram uses standard shell holders and features an anti-rotation retainer design to keep shell holders from spinning during use. Compatible with most 7/8x14 dies the press can load up to .338 Lapua length cartridges. Get the Frankford Arsenal Precision Single Stage Press and start making better ammunition.

PRECISION TURRET PRESS

PRODUCT#1222391 PRECISION TURRET PRESS ▫ UPC# 198700000762
PRODUCT#1226971 ADDITIONAL TURRET ▫ UPC# 198700000892

ADDITIONAL TOOL HEAD AVAILABLE

- 8 STATION TURRET ALLOWS FOR QUICK CALIBER CHANGES WITHOUT LOOSING DIE SETTINGS
- THRUST BEARING TURRET HEAD FOR SMOOTH ROTATION WITH REDUCED FLEX
- HEAVY DUTY IRON BASE AND LINKAGES FOR SMOOTH OPERATION WITHOUT FLEX
- ANTI-ROTATION SHELL HOLDER RETAINMENT SYSTEM USES STANDARD SHELL HOLDERS
- SPILL FREE FULLY CONTAINED PRIMER CATCH KEEPS BENCHTOPS AND FLOORS CLEAN
- INTEGRATED LED LIGHTS ILLUMINATE THE WORK AREA

Turret presses are great for reloaders who want to spend less time with setup and adjustments every time they change dies. This convenience has come at a cost with most turret press heads having increased flex causing inconsistent case sizing and bullet seating depths. The Frankford Arsenal Precision Turret Press solves this problem using a thrust bearing design turret head capable of handling extreme pressures with minimal movement. This reduced tool head flex is comparable to any quality single stage press on the market. The primer catch system is fully contained to eliminate spent primers and debris from spilling out for clean, clutter-free benchtops and floors. A large frame opening with integrated LED lights illuminates the work area for easy case insertion and bullet placement. The stainless-steel ram uses standard shell holders and features an anti-rotation retainer design to keep shell holders from spinning during use. Compatible with most 7/8x14 dies the press can load up to .338 Lapua length cartridges. Get the Frankford Arsenal Precision Turret Press and start making better ammunition.

INTELLIDROPPER® 2.0

PRODUCT# 1217412 □ UPC# 198700000663

Download on the App Store | GET IT ON Google Play

- PATENTED POWDER CALIBRATION OPTIMIZES POWDER FLOW FOR FAST, ACCURATE POWDER CHARGES
- ULTRA QUIET PRECISION STEPPER MOTOR PROVIDES ULTIMATE PRECISION AND INDUSTRY LEADING DISPENSE TIME
- DISPENSES CHARGES UP TO 250 GRAINS WITH +/- 0.1 GRAIN ACCURACY
- BLUETOOTH CONNECTIVITY TO FREE FRANKFORD ARSENAL APP FOR REMOTE CONTROL AND LOAD DATA STORAGE
- 1 LB. CAPACITY POWDER HOPPER WITH EASY TURN DRAIN VALVE
- EASY-TO-READ COLOR TOUCHSCREEN

The Frankford Arsenal® Intellidropper 2.0 is the most advanced, intelligent, and precise electronic powder measure on the market today. The Intellidropper features a proprietary Powder Calibration feature that optimizes powder flow for fast, accurate powder charges, making the Intellidropper 2.0 almost two times faster than other powder measures on the market. Selectable auto, manual, and trickle modes throw charges up to 250 grains with +/- 0.1 grain accuracy. The see-through powder hopper holds more than 1lb of powder and features an improved powder drain valve. The Intellidropper 2.0 is Bluetooth enabled and connects to the free Frankford Arsenal app making reloading easier than ever, spending more time loading and less time looking for load data. The user-friendly app neatly categorizes, organizes, and stores your load recipes for quick accessibility and sends them directly to the Intellidropper 2.0. Its dual-screen display mirrors the Intellidropper 2.0 screen with your device allowing the user to monitor and control the Intellidropper 2.0 hands-free and remotely.

X-10 PROGRESSIVE PRESS W/ CASE FEEDER

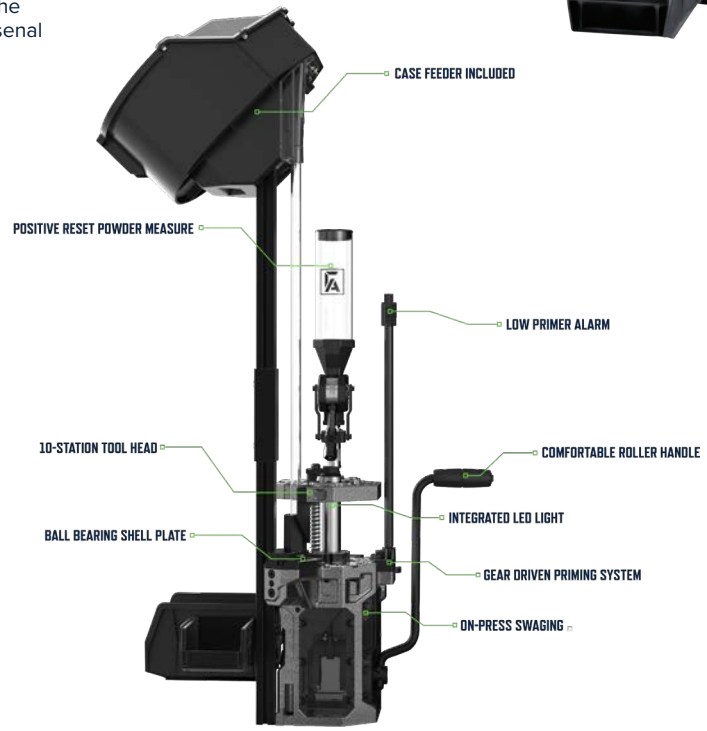

PRODUCT# 1178469 ▫ UPC# 661120654315

- 10 STATION DESIGN ALLOWS FOR MAXIMUM VERSATILITY WITH DIE SETUP CONFIGURATIONS
- INCLUDED CASE FEEDER ELEVATES PRODUCTIVITY AND SIGNIFICANTLY INCREASES ROUND OUTPUT PER HOUR
- PRECISION-ENGINEERED WITH INTEGRATED BALL BEARINGS, THE X-10 GUARANTEES SMOOTH OPERATION WHILE MINIMIZING POWDER SPILLAGE
- ON-PRESS PRIMER POCKET SWAGING ALLOWS FOR SINGLE-PASS LOADING OF MILITARY BRASS, AN ADDED CONVENIENCE NOT FOUND IN MOST PROGRESSIVE PRESSES
- POSITIVE RESET FEATURE ON POWDER MEASURE PROVIDES A WORRY-FREE LOADING SESSION AND SIGNIFICANTLY REDUCES THE RISK OF SQUIB LOADS
- ILLUMINATE YOUR WORKSPACE WITH THE INTEGRATED LED LIGHT IN THE TOOL HEAD, A FEATURE ONLY FOUND ON FRANKFORD ARSENAL PRESSES

Designed by reloaders for reloaders, the Frankford Arsenal X-10 is a 10-station automatic indexing reloading press purpose-built from the ground up to be the ultimate progressive reloading press. With a robust steel build, an array of ball bearings, and a specialized 10-station, gear-driven, rotating shell plate, it virtually eradicates issues like powder spillage and bullet tipping. This press accommodates rounds from 9mm to .308 in length and incorporates innovative features like dual de-capping stations to prevent primer drawback, in-line primer pocket swaging for both small and large primers, and compatibility with powder check and case trimming dies. Its case-actuated powder measure, with a positive reset, guarantees worry-free reloading, virtually eliminating the risk of squib loads. When it's time to switch calibers, the X-10's intuitive design facilitates quick and hassle-free tool head and shell plate changes. The press goes above and beyond with well-thought-out user-friendly touches like a roller handle, an integrated LED light in the tool head (a feature only found on Frankford Arsenal presses), and spring-loaded case locator buttons. These refinements paired with our X-10 Bullet Collator and Caliber Conversion Kits (both sold separately) make for an exceptionally smooth and effortless one-handed operation. Don't miss out on the ultimate progressive reloading experience with the feature-packed, value-rich Frankford Arsenal X-10 Progressive Press.

- CAPABLE OF FEEDING AND SEATING BULLETS IN THE SAME STATION ON THE X-10 WHEN PAIRED WITH CALIBER CONVERSION KIT (SOLD SEPARATELY)
- MOUNTS DIRECTLY TO X-10 AND POWER STEMS FROM X-10 CASE FEEDER FOR REDUCED CLUTTER
- COLLATOR FEATURES AN AUTOMATIC SHUT-OFF AND IS COMPATIBLE WITH .223, .243/6MM, .264/6.5MM, AND .308 CALIBER BULLETS
- LARGE CAPACITY COLLATOR HOLDS UP TO 300 BULLETS FOR UNINTERRUPTED LOADING SESSIONS

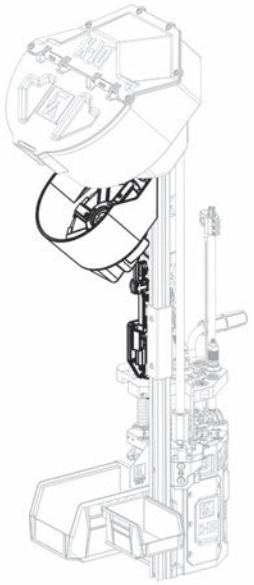

Experience a new level of reloading convenience with the X-10 Rifle Bullet Collator. When combined with an X-10 Rifle Bullet Feed Caliber Conversion Kit (available separately), this system allows you to feed and seat bullets in the same station, freeing up a station for bullet crimp or other operations. Ultimately, this provides the user with more precise and accurate reloads. The collator mounts directly to the X-10 and the power stems from the X-10 Case Feeder to reduce clutter. Capable of holding up to 300 bullets at a time, the X-10 Rifle Bullet Collator features an automatic shut-off and is compatible with .223, .243/6mm, .264/6.5mm, and .308 caliber bullets. Elevate your X-10 reloading experience today and let the X-10 Rifle Bullet Feed System redefine your bullet feeding standards.

DIELOCKER LOCK RINGS

PRODUCT# 1202448 ▫ UPC# 661120750109

- ANODIZED ALUMINUM LOCK RING CONSTRUCTION PROVIDES MAXIMUM DURABILITY AND ENSURE THE RINGS LAST A LIFETIME
- THE SLIM LOCK RING WRENCH AND LOCK RINGS ARE DESIGNED TO EASILY MAKE ADJUSTMENTS IN TIGHT SPACES – A COMMON OCCURRENCE ON PROGRESSIVE AND TURRET PRESSES
- REFERENCE MARKS (EVERY .001") ON LOCK RINGS ALLOW FOR FINITE ADJUSTMENTS OF RELOADING DIES ENSURING UNMATCHED PRECISION
- SPLIT-RING DESIGN PROVIDES EXCEPTIONAL LOCKING FORCE WHILE PROTECTING DIE THREADS
- COMPATIBLE WITH STANDARD 7/8"-14 DIES FOR USE WITH ALMOST ANY PRESS AND DIE COMBINATION

A must-have addition to your die set, the Frankford Arsenal Dielocker Lock Rings are designed for precision, engineered for convenience, and built to elevate your reloading experience. This innovative lock ring set redefines the way you fine-tune your dies. Crafted from anodized aluminum, these split-ring designed lock rings offer both durability and superior maneuverability. The slim and sleek design of both the lock rings and included wrench fit effortlessly between tight spaces commonly found on progressive and turret presses. Featuring graduation marks at every .001", these lock rings allow for minute die adjustments with exceptional precision. Whether you're reloading pistol or rifle cartridges, our lock rings seamlessly integrate into your existing setup. Frankford Arsenal Dielocker Lock Rings are compatible with all standard 7/8"x 14 dies.

ESSENTIALS RELOADING KIT

PRODUCT# 1198151 ▫ UPC# 661120655596

- ALL-ENCOMPASSING KIT INCLUDES QUALITY RELOADING TOOLS FOR EXPERIENCED AND NEW RELOADERS ALIKE TO MAKE THE RELOADING PROCESS EASIER AND MORE ENJOYABLE
- INTENTIONALLY DEVELOPED WITH MORE PREMIUM TOOLS THAN OTHER RELOADING KITS TO ELIMINATE HAVING TO UPGRADE OBSOLETE PRODUCTS LATER
- INCLUDES F-1 SINGLE STAGE PRESS, ALUMINUM POWDER FUNNEL, POWDER TRICKLER, RELOADING TRAY, PERFECT SEAT HAND PRIMER, DIGITAL CALIPERS, BENCHTOP POWDER MEASURE, DS-750 SCALE

The Frankford Arsenal Essential Reloading Kit was designed to is encompass every crucial aspect of the reloading process. This comprehensive kit equips you will all the tools you need to create precise ammunition with ease. At the heart of this kits is the F-1 Single Stage Press which offers unmatched control over every step of the reloading process. From resizing and depriming to bullet seating, this is the Perfect Seat Hand Primer which comes with 12 shell holders, works with both small and large primers; and has an adjustable seating system that ensures the perfect seating depth every time. The quality doesn't stop there. The Essentials Kit also includes our Benchtop Power Measure, Aluminum Powder Funnel Kit, Digital Calipers, DS-750 Scale, Powder Trickler, and Universal Reloading Tray. Whether you're a seasoned reloader or looking to get started, trust in the quality, precision, and expertise that the Frankford Arsenal Essentials Reloading Kit will provide.

PRECISION SCALE

PRODUCT# 909672 ▫ UPC# 661120096726

- +/- 0.1 GRAIN ACCURACY FOR CONSISTENT AND PRECISE MEASUREMENTS
- MEASURMENTS IN GRAINS, GRAMS, CARATS, AND OUNCES
- 1,500 GRAIN CAPACITY
- RUNS ON A/C POWER OR 4-AAA BATTERIES (NOT INCLUDED)

This versatile reloading scale is perfect for any reloading room. With the ability to measure in several different units and the 3 point calibration feature, it can easily be relied on for most all reloading needs. The weigh plate is shaped to accept a powder pan as well as indexed to fit the shaft of an arrow or any other like-shaped objects. This scale also features a Tare button that allows for measuring the consistency between loads.

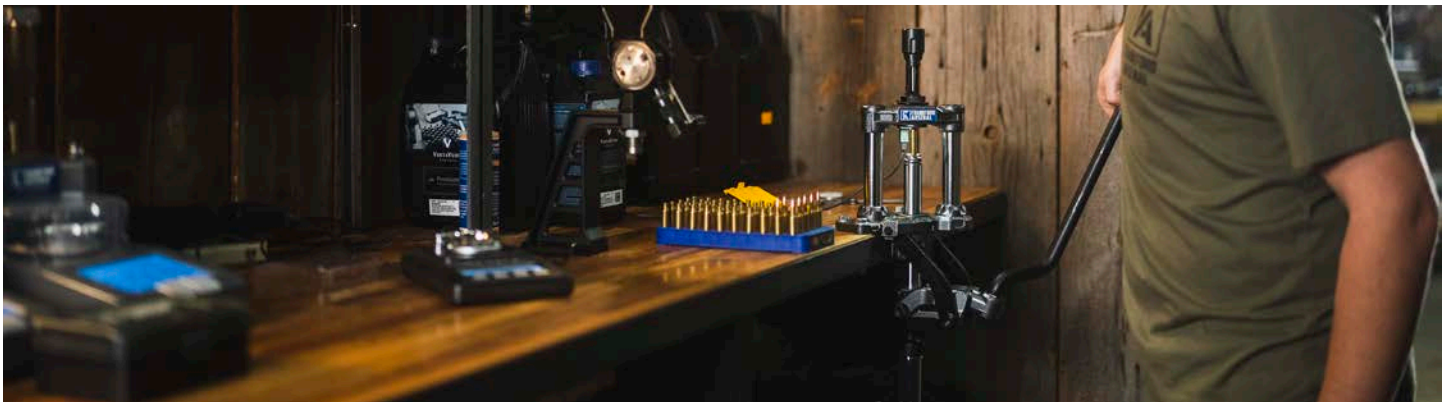

DS-750 DIGITAL SCALE

PRODUCT# 205205 ▫ UPC# 661120052050

- +/- 0.1 GRAIN ACCURACY FOR FOR CONSISTENT AND PRECISE MEASUREMENTS
- MEASURMENTS IN GRAINS, GRAMS, CARATS, AND OUNCES
- 750 GRAIN CAPACITY
- POWERED BY 2-AAA BATTERIES (INCLUDED)

The Frankford Arsenal DS-750 Digital Reloading Scale delivers extreme accuracy for precise measurement of powder, bullets, cases or loaded rounds. Simple controls allow for easy changes of units and calibration. Powder pan, carry bag, calibration weight and 2-AAA batteries included.

BENCHTOP POWDER MEASURE WITH STAND

PRODUCT# 1136233 ▫ UPC# 661120260110

- STATIC-FREE ALUMINUM BODY TO ELIMINATE POWDER CLINGING
- NOZZLE DESIGN WORKS WITH MOST CARTRIDGES .22 - .50 CAL.
- UNIQUE HOPPER GEOMETRY PREVENTS BRIDGING AND BINDING OF POWDER
- MICROMETER POWDER STEM FOR PRECISE WEIGHT ADJUSTMENTS FROM 10 - 100 GRAINS

The Frankford Arsenal Benchtop Powder Measure features a static-free aluminum body and a unique hopper shape to eliminate powder bridging and binding. The drum rides in ball bearings for ultra-smooth operation and the micro-adjustable dispense feature ensures maximum accuracy. The powder measure comes ready to install with a bench top stand.

POWDER TRICKLER

PRODUCT# 903535 ▫ UPC# 661120035350

- LARGE POWDER CAPACITY
- HEAVY MACHINED STEEL TO PREVENT TIP OVERS
- DUST COVER DOUBLES AS A NON-SKID BASE AND THE DISPENSER COVER
- TRICKLER HEIGHT FITS ALMOST ALL POWDER SCALES

Have control over your small powder adjustments, with the Frankford Arsenal Powder Trickler. The rubber caps serve as a protectant for the powder when not in use, while also creating a slide proof base for when in use. Simply turn the arm in to drop minimal amounts of powder at a time to ensure a more accurate weight. This tool works perfect with digital reloading scales and is the perfect addition to any reloading room.

ROTARY TUMBLER LITE ESSENTIALS KIT

PRODUCT# 1199452 ▫ UPC# 661120747277

- ESSENTIAL BRASS CLEANING PRODUCTS TO BRING YOUR BRASS BACK TO ITS FACTORY SHINE ALL IN ONE BOX
- KIT INCLUDES THE NECESSARY TOOLS NEEDED FOR WET TUMBLING BRASS (ROTARY TUMBLER LITE, WET/DRY MEDIA SEPARATOR, AND 2 LBS STAINLESS STEEL MEDIA)
- WET TUMBLING BRASS TAKES SIGNIFICANTLY LESS TIME THAN DRY TUMBLING, DECREASES MESS, AND ELIMINATES HARMFUL DUST

The Rotary Tumbler Lite Essentials Kit contains the fundamental tools to bring your brass back to its factory shine. At its core is the Frankford Arsenal Rotary Tumbler Lite, capable of holding up to 300 pieces of .223 brass at a time. Paired with our Wet/Dry Media Separator, this combination delivers a seamless process of cleaning and separating, ensuring each piece of brass emerges with a like-new luster. As a bonus, enjoy 2 lbs of stainless steel media – the secret ingredient to thoroughly cleaning your brass inside and out.

ROTARY TUMBLER LITE PROFESSIONAL KIT

PRODUCT# 1199453 ▫ UPC# 661120747284

- ALL-ENCOMPASSING BRASS CLEANING KIT TO BRING DIRTY BRASS BACK TO ITS LIKE-NEW SHINE
- PROFESSIONAL KIT INCLUDES ALL THE TOOLS NEEDED TO PERFORM THE WET TUMBLING PROCESS FROM START TO FINISH (ROTARY TUMBLER LITE, WET/DRY MEDIA SEPARATOR, BRASS DRYER, AND 2 LBS STAINLESS STEEL MEDIA)
- WET TUMBLING BRASS TAKES SIGNIFICANTLY LESS TIME THAN DRY TUMBLING, DECREASES MESS, AND ELIMINATES HARMFUL DUST

Bring your dirty brass back to its like-new shine with the Rotary Tumbler Lite Professional Kit. This comprehensive kit encompasses the entire brass cleaning operation, from start to finish. The centerpiece, the Frankford Arsenal Rotary Tumbler Lite, features a maintenance-free direct-drive electric motor and is designed to hold up to 300 pieces of .223 brass at a time. Clean not only the outside but also the inside and primer pockets of your brass by adding in the included stainless steel media. Once the brass is clean, effortlessly separate the brass from the pins and water with the Wet/Dry Media Separator. However, the Professional Kit doesn't stop there; it also includes our Brass Dryer, ensuring every piece of brass emerges moisture-free and ready to load. The Rotary Tumbler Lite Professional Kit is your ticket to making your brass look brand new.

INTERNAL COMPARISON

PATENTS AOB.COM/PATENTS

ROTARY TUMBLER KIT

PRODUCT# 909544 ▫ UPC# 661120095446

- LARGE 7 LITER CAPACITY, TUMBLES UP TO 1,000 CASES OF .223 BRASS
- DUAL-LAYER DRUM WITH NOISE DAMPENING RUBBER LINING
- INCLUDES 5 LBS OF STAINLESS STEEL MEDIA PINS
- MAINTENANCE-FREE GEARED DRIVETRAIN

The Frankford Arsenal Rotary Tumbler delivers a whole new level of brass cleaning performance. When rotary tumbled with our stainless steel pins in a liquid bath, brass will get much cleaner and work much faster than ultrasonic or vibratory tumbling methods. The small stainless pins remove carbon from inside cases and primer pockets to deliver like new brass. A built-in timer in the base can be set to run from 0 to 3 hours shutting off automatically. The tumbler can effectively clean without the use of stainless media pins with a mixture of Frankford Brass Cleaning Solution and water (use of media pins ensures primer pockets and inside of cases are perfectly clean). It's the most effective brass cleaning process available with a large 7 liter capacity.

- PERFECT AMOUNT FOR USE WITH THE FRANKFORD ARSENAL ROTARY TUMBLER
- PINS SCRUB INSIDE THE CASE BODY AS WELL AS INSIDE THE PRIMER POCKETS
- 304 MAGNETIC STAINLESS STEEL
- LIFETIME USE

Frankford Arsenal Stainless Steel Tumbling Media is ideal for rotary tumbling brass. When combined with a liquid bath they deliver unmatched cleaning performance. Constructed of high quality 304 stainless steel, the media pins effectively penetrate inside of cases and primer pockets. 304 Stainless Steel. Ideal for Rotary Tumbling. Magnetic for convenient handling and lifetime use.

WET/DRY MEDIA SEPARATOR

PRODUCT# 507567 ▫ UPC# 661120075677

- DESIGNED FOR WET AND DRY MEDIA SEPARATION
- KEEPS COMPONENTS ENCLOSED FOR EASY CLEANUP AND STORAGE
- SPILL PROOF TUB FULLY CAPTURES WATER, DRY MEDIA AND STAINLESS STEEL PINS
- A RUGGED RUBBER LATCH KEEPS THE SIFTER CLOSED

The Frankford Arsenal Wet/Dry Media Separator is ideal for all reloaders. After your casings have tumbled, this sifter allows for easy separation of brass and cleaning media. With built in straining caps you can separate and rinse components without worry of washing them into the sink.

BRASS DRYER

PRODUCT# 909213 ▫ UPC# 661120092131

- DRIES BRASS AFTER ROTARY TUMBLING OR ULTRASONIC CLEANING IN UNDER AN HOUR
- HOLDS UP TO 1,000 PIECES OF .223 BRASS OR 2,000 PIECES OF 9MM BRASS
- INCLUDES 5 REMOVEABLE TRAYS
- TEMPERATURE CONTROL FROM 90°-160°F

The Frankford Arsenal Brass Dryer is a quick, convenient, and efficient system for drying your brass. This dryer is the perfect tool for drying your rifle and pistol brass after wet case cleaning processes such as rotary tumbling or ultrasonic cleaning.

CORN COB MEDIA (TREATED)

PRODUCT# 194524 ▫ UPC# 661120448310

- DESIGNED TO QUICKLY AND EFFICIENTLY REMOVE DIRT, GRIT AND POWDER RESIDUE FROM BRASS CASES BEFORE RELOADING
- ADD FRANKFORD ARSENAL BRASS POLISH FOR A FACTORY SHINE
- USED TO CLEAN/POLISH MEDIA AND CAN ALSO BE USED TO FILL SHOOTING BAGS FOR THE RANGE
- CAN BE USED MULTIPLE TIMES BEFORE NEEDING TO CHANGE OUT WITH NEW MEDIA

Clean brass should be the goal of every reloader. Cleaning brass by tumbling is the economical, safe first step in assembling quality handloads. Besides ensuring long life for the most valuable component of your ammunition, cleaning your brass will help reduce wear and tear on your expensive reloading dies, not to mention the chamber of your firearm. Grit and grime from uncleaned brass can become imbedded in the inner surfaces of your sizing dies, scratching and marring every subsequent case. The same grime can be expected to accelerate wear in the chamber and feeding system of your rifle or handgun.

- SPECIFICALLY DESIGNED FOR USE WITH BRASS CASES
- AMMONIA FREE, CITRUS SCENTED FORMULA
- LEAVES BRASS SHINY AND RESIDUE FREE

Frankford Arsenal Quick-N-EZ Brass Polish is a citrus scented brass polish that is specifically designed for cartridge cases. This product is ammonia free to protect your brass from becoming brittle and will not leave a residue.

PERFECT SEAT HAND PRIMER

PRODUCT# 110006 ▫ UPC# 661120100065

- WORKS WITH BOTH SMALL AND LARGE PRIMERS
- 0.001" SEATING DEPTH ADJUSTMENT
- STORAGE CASE KEEPS COMPONENTS SECURE AND ORGANIZED
- 12 SHELLHOLDERS INCLUDED

The Frankford Arsenal Hand Primer allows you to break out of the confines of the reloading room and take your priming anywhere. The .001" micrometer adjustment allows you to dial in the perfect primer seating depth for ultimate accuracy and reliability. With a hand operated, portable design, you can quickly and easily prime your brass from the couch. This tool is a must have for any reloader.

PATENTS AOB.COM/PATENTS

HAND DEPRIMER

PRODUCT# 909283 ▫ UPC# 661120092834

- PATENTED UNIVERSAL COLLET SYSTEM DEPRIMES BRASS FROM .20 CAL UP TO .338 LAPUA
- COMES WITH 3 DIFFERENT COLLETS FOR DIFFERENT DIAMETER CASES
- WORKS ON PISTOL BRASS, RIFLE BRASS AND MILITARY CRIMPED PRIMERS
- CONSTRUCTED WITH A FULL-LENGTH, ERGONOMIC GRIP

The Frankford Arsenal Hand Deprimer allows you to break out of the confines of the reloading room and take your depriming anywhere. With a hand operated, portable design, you can quickly and easily deprime your brass from the couch. The collection tube catches old primers and is see through to easily monitor fullness level. When the catch tube is full, simply twist off and empty. After the primer is removed, the Deprimer auto ejects the case for a faster and easier operation.

PATENTS AOB.COM/PATENTS

VIBRA-PRIME

PRODUCT# 855712 ▫ UPC# 661120855712

- MAKES LOADING PRIMER TUBES QUICK AND EASY
- WORKS WITH BOTH SMALL AND LARGE PRIMERS
- CIRCULAR AUTO-INDEXING RIDGES FOR QUICK PRIMER INSERTION

The Vibra-Prime™ can load 100 primers into a primer tube in a matter of seconds with its unique motorized agitation mechanism. Filled tubes are then easily transferred into any model progressive press tube. Includes Vibra-Prime, primer tray, small and larger primer tube & 2 univeral tube adapters. Runs on 2 AA batteries (not included).

PRIMER POCKET SWAGER

PRODUCT# 110007 ▫ UPC# 661120100072

- PADDED ERGONOMIC HANDLE TAKES THE STRAIN OUT OF SWAGING BRASS
- SPRING LOADED DESIGN AUTO INSERTS AND EJECTS BRASS INTO SWAGER
- COMPATIBLE WITH SMALL AND LARGE PRIMER POCKETS
- STURDY DIE-CAST ALUMINUM CONSTRUCTION

Complete your reloading bench with the Frankford Arsenal Primer Pocket Swager. Easily remove military crimps with this ergonomic upright designed swager that can be clamped or permanently mounted to any workbench. You no longer have to fiddle with aligning the primer pocket perfectly, simply utilize the included large and small case holders and the easy-to-use swing out access to quickly insert, swage and remove brass.

DIGITAL CALIPERS

PRODUCT# 672060 ▫ UPC# 661120720607

- ACCURATELY MEASURES OBJECTS UP TO 6" WITH SAE TO METRIC CONVERSION
- LCD SCREEN FOR EASY READOUT
- MEASURES DEPTH, STEP, INSIDE AND OUTSIDE DIAMETERS
- STORAGE CASE INCLUDED

Reloading ammunition requires attention to many critical cartridge dimensions, including case length, neck and base diameters, overall length, primer pocket depth, etc. Verifying these dimensions is quick and convenient with the Frankford Arsenal Calipers and Micrometers. The calipers are accurate to within .001” and allow you to measure step, inside and outside diameters, plus depths and displays the measurements on the LCD screen located on the front. You will find them useful for many measuring tasks on and off the reloading bench. Packaged in a convenient, protective case.

CASE TRIM AND PREP SYSTEM

PRODUCT# 903156 ▫ UPC# 661120031567

- ADJUSTABLE COLLET SYSTEM WORKS WITH ALL CASES FROM .17 REMINGTON TO .460 WEATHERBY
- ULTRA-HARD HSS CUTTERS STAY SHARP FOR THOUSANDS OF ROUNDS
- THREE OUTPUT SHAFTS ACCEPT ALL CASE TRIMMING ACCESSORIES WITH 8-32 THREADS
- INCLUDES VLD INSIDE CHAMFER TOOL, OUTSIDE DEBUR TOOL, SMALL AND LARGE PRIMER POCKET CLEANER

The Frankford Arsenal Case Trim and Prep Center houses all the tools you need to trim, chamfer, deburr, and pocket clean. An innovative case holder with adjustable collet and bushing system indexes the case shoulder and can be set to precisely trim brass to an exact length. Built from aluminum and a durable steel frame, the Case Trim and Prep Center is built to be a long-term tool on your reloading bench.

CASE PREP CENTER

PRODUCT# 1077094 ▫ UPC# 61120412885

- FOUR OUTPUT SHAFTS ACCEPT ALL CASE TRIMMING ACCESSORIES WITH 8-32 THREADS
- HARDENED HIGH SPEED STEEL (HSS) TOOLS STAY SHARP FOR THOUSANDS OF ROUNDS
- INCLUDES INSIDE CHAMFER TOOL, OUTSIDE DEBUR TOOL, SMALL AND LARGE PRIMER POCKET CLEANER
- 200 RPM OUTPUT MAKES CASE PREP QUICK AND EASY

Have all of the case preps tools you need in one place with the Frankford Arsenal Case Prep Center. This little station allows for 4 heads to be run at the same time, allowing for a quick and smooth preparation experience. Never let a head be out of reach, by utilizing the retention slot on the side of this efficient, compact machine for storage while not in use.

UNIVERSAL PRECISION CASE TRIMMER

PRODUCT# 1092514 ▫ UPC# 661120416746

- TRIMS SHOULDERED CASES FROM .17 REM TO .460 WEATHERBY
- BUILT-IN DEPTH MICROMETER ADJUSTS IN 0.001" INCREMENTS
- ULTRA HARD HSS CUTTER WILL STAY SHARP FOR THOUSANDS OF ROUNDS
- WORKS WITH ANY STANDARD DRILL OR DRILL PRESS

The Universal Precision Case Trimmer is the same great technology found on the Case Prep and Trim Center, however, it is designed to be used with a standard drill or mounted in a drill press. Unlike conventional trimmers, the Universal Precision Trimmer requires no caliber specific pilots or shellholders. The included collets index off the case shoulder to trim any shouldered case from 17 Remington to 460 Weatherby Magnum. Simply install the correct collet, adjust the trimmer to your desired length, then secure the trimmer into a drill or drill press. Cases are then fed into the trimmer by hand. The Universal Drill Trimmer will trim cases faster than any traditional trimmer you've ever used.

- DUAL SPRING POWERED ACTION DELIVERS POWERFUL AND CONSISTENT PULL FORCE
- LOW EFFORT LEVER DESIGN MAKES BULLET PULLING QUICK AND EASY
- QUICK CHANGE COLLET SYSTEM ACCEPTS
- TWO OPTIONS FOR NO MESS POWDER AND BULLET COLLECTION

Tired of using traditional methods to pull bullets? Simply attach the Pile Driver Bullet Puller to your workbench or wall and experience easy bullet extracting. The easy lever design uses dual spring power to pull bullets up to .30-06, and an additional carrier will pull bullets up to .338 Lapua length. Bullets and powder are captured in an included trap or an optional barbed fitting is provided for attaching a tube to collect with ease.

PATENTS AOB.COM/PATENTS

QUICK-N-EZ™ IMPACT BULLET PULLER

PRODUCT# 836017 ▫ UPC# 661120446422

- 3 DIFFERENT COLLETS FITS ALMOST ANY CALIBER FROM .22 HORNET TO .45-70
- FUNCTIONS WITH RIMMED AND RIMLESS CASES
- COMPATIBLE WITH CAST BULLETS
- WORKS ON RIFLE AND PISTOL CASES

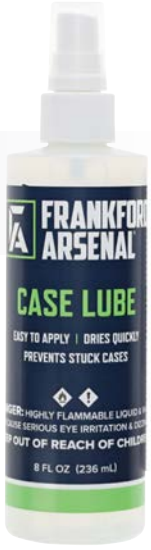

The Frankford Arsenal Quick-N-EZ Impact Bullet Puller makes pulling bullets a simple process. Just insert the loaded round and sternly tap the Bullet Puller against a piece of wood to separate the bullet from the brass.

CASE LUBE

PRODUCT# 460478 ▫ UPC# 661120439967

- 8 OUNCE SPRAY BOTTLE
- ELIMINATES STUCK CASES WHILE NOT CONTAMINATING THE POWDER OR PRIMERS
- FAST-DRYING TO ALLOW FOR QUICK AND EASY RESIZING

DROP OUT

PRODUCT# 763758 ▫ UPC# 661120637585

- 6 OUNCE AEROSOL SPRAY CAN
- ALLOWS FOR EASY REMOVAL OF THE NEWLY CAST BULLETS FROM THE MOLD
- LONG-LASTING FORMULA TO ENSURE NO CAST GETS STUCK IN THE MOLD
- FAST-DRYING TO ALLOW FOR QUICKER CASTING OF BULLETS

Frankford Arsenal Drop Out Bullet Mold Release Agent is great for preparing your molds for casting. This product works as both a release agent and a lube. The special formula contains graphite to help bullets drop easily from the mold and works to prevent rust.

PATENTS

CLEANCAST LEAD FLUX

PRODUCT# 441888 ▫ UPC# 661120418887

- 1 LB. CONTAINER
- IMPROVES CONSISTENCY OF MELTED LEAD
- NON-SMOKING AND ODOR FREE

Lead fluxing made easy. No more using rosin, paraffin, tallow, bullet lube and other homemade concoctions. CleanCast is non-smoking, odor-free and it really works. Only a small amount is necessary to prepare even a 20 lb lead pot for bullet production. Separates dross from valuable bullet alloy and improves the consistency of the melted lead to eliminate variability during your casting session.

CARTRIDGE OVERALL LENGTH GAUGE

PRODUCT# 965887 ▫ UPC# 661120658870

- ACCURATELY DETERMINES THE MAXIMUM CATRIDGE LENGTH FOR ANY RIFLE
- INCLUDES: 2 CLAMPS AND 3 ROD TIPS

If you have a cleaning rod and a set of calipers, you can now determine the optimum OAL for any bullet in less than two minutes. This simple kit consists of two clamps that easily attach to any cleaning rod, 1/4" in diameter, or less. Simply install the appropriate size tip on the end of your cleaning rod, insert the cleaning rod to the bolt face, install one clamp, remove the bolt and drop in a bullet (projectile only) into the chamber. Hold the bullet against the rifling with a pencil, touch the bullet tip with the cleaning rod tip and install the other clamp. Now measure the inside distance between the two clamps with calipers and record, or use as a gauge to check the seating depth set-up during your reloading sequence.

RELOADING STAND

PRODUCT# 489621 ▫ UPC# 661120896210

- FRAME IS MADE OF 1.5" TUBE STEEL
- CAN BE USED WHILE SITTING OR STANDING
- INCLUDES 2 SIDE BINS FOR HOLDING COMPONENTS
- FOLDS UP FOR CONVENIENT STORAGE OR TRANSPORTATION

The Frankford Arsenal Reloading Stand is perfect for when you do not have room for a full size reloading bench or need to create a slightly altered setup. Able to handle a press and a powder measure at the same time, this highly adaptable bench also features collapsible shelves that create more space and tuck away for easy storage. Whether you are doing a quick reload, or simply need something that takes up a little less space, this reloading table is perfect for you.

Adustable Height: 28.5"-45"
Adjustable Width: 13"-39"

RELOADER'S LABELS

PRODUCT# 202364 ▫ UPC# 661120023647

- 100 LABELS PER PACKAGE
- 2"W X 2.5"H PEEL & STICK LABEL

These Peel & Stick Labels help you record all of the important data about your pistol, rifle or shotgun handloads for future reference and replication. These labels have an adhesive which makes them easy to remove. Works great with plastic ammo boxes.

UNIVERSAL RELOADING TRAY

PRODUCT# 393939 ▫ UPC# 661120939399

- 50 ROUND CAPACITY
- ACCOMMODATES SEVERAL DIFFERENT BRASS CARTRIDGES IN THE SAME HOLE
- ACCEPTS A WIDE VARIETY OF CARTRIDGES FROM .17 TO .458 CALIBER
- TOP SIDE HOLDS PISTOL AND RIFLE BRASS, BOTTOM SIDE HOLDS 9MM AND .45 ACP BRASS

The Universal Reloading Tray is highly versatile. It can be used with a wide variety of rifle cartridges from .17 caliber up to .458 caliber. It also works well for handgun cartridges 9mm to 500 S&W. 50 round capacity.

PERFECT FIT GEN 2 RELOADING TRAYS

- PRECISE CASE FIT PREVENTS WOBBLING AND POWDER SPILLAGE
- NUMBERED FOR EASY CALIBER IDENTIFICATION
- 2 PACK KEEPS BATCHES OF BRASS SEPARATED DURING RELOADING
- 9 TRAY OPTIONS FIT MOST POPULAR CALIBERS

Frankford Arsenal's Perfect Fit Gen 2 Reloading Trays are sized for individual calibers or a family of calibers for a precise fit. These trays are an essential tool for any reloader to maximize efficiency and stay organized. 9 tray sizes are available for many popular rifle and pistol cartridges. Sold in a convenient 2-pack, each tray securely holds 50 cases.

BEST GUN VISE GEN 2

PRODUCT: 1256076 UPC: 198700004579

The Best Gun Vise Gen 2 continues Tipton's legacy of innovation and reliability in firearm care. Building on everything users love about the original Best Gun Vise, this upgraded model introduces enhanced features for even greater versatility and performance. It's equipped with two heavy-duty, steel-reinforced clamps lined with non-marring rubber over-molding to protect valuable stock finishes and barrel coatings. A central aluminum rail allows both arms to slide freely, making it easy to accommodate firearms of all shapes and lengths. Rubberized feet ensure the vise stays firmly in place on your workbench. Featuring two Tipton VISE MOD™ accessory docks that allow the user to add custom accessories for the task at hand. The Best Gun Vise Gen 2 includes both the VISE MOD Tool Holder and VISE MOD Parts Tray with additional accessories sold separately, including work lights and magnetic parts trays. Whether you're cleaning, maintaining, or mounting optics, the Best Gun Vise Gen 2 is built to handle it all with confidence and care.

- **Secure Hold:** Steel-reinforced clamps hold firearm stocks securely in place during cleaning & maintenance
- **Fits all Firearms:** Adjustable clamps easily slide along the central metal rail to accommodate different lengths of firearms
- **Protects Finishes:** Non-marring, rubber over-molding on clamps prevents damage to stocks and barrels
- **Quick Adjustments:** Fast-turn knobs on clamps allow for quick and easy adjustments
- **Stable Platform:** Rubberized feet prevent the vise from sliding on the workbench surface
- **VISE MOD™:** Includes Vise Mod Rod & Tool Holder and Parts Tray to conveniently keep essential tools and parts within reach

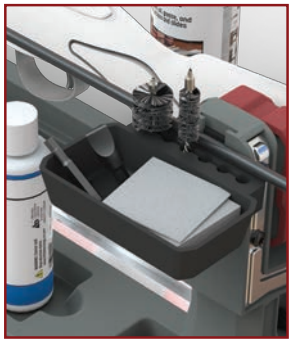

ARTICULATING HEAD CLAMPS
Accommodates any stock shape with articulating rubberized non-marring clamps

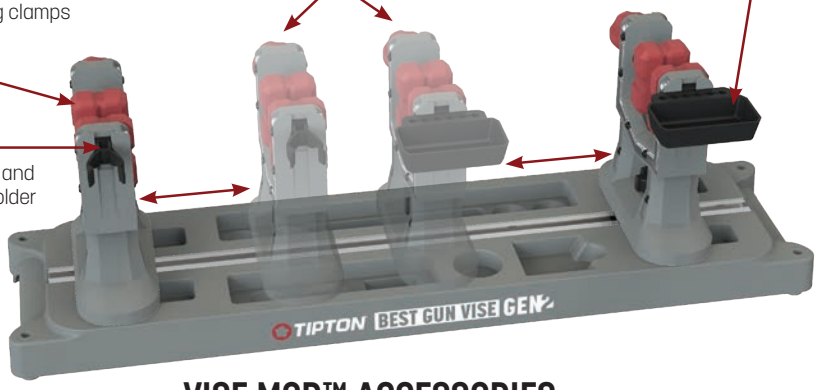

INDEPENDENTLY SLIDING CLAMPS
Easily adjust length of grip for any firearm

VISE MOD™ ACCESSORY TRAY
Conveniently holds bits, brushes, and patches with a built-in cleaning rod holder

VISE MOD™ TOOL HOLDER
Conveniently holds tools, screw drivers and wrenches with a built-in cleaning rod holder

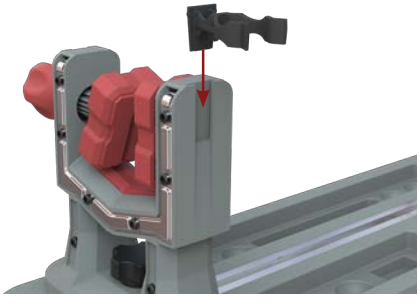

VISE MOD™ ACCESSORIES

Incorporated "V" notches in the clamps of the Best Gun Vise GEN 2 all for adaptable accessory location. Switch and swap locations and accessory type for customizability

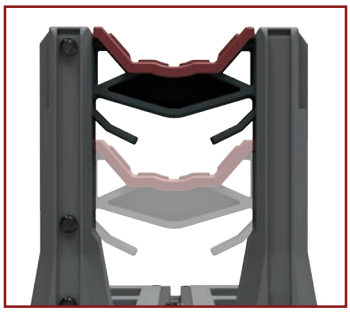

GUN VISE GEN 2

PRODUCT: 1237372 UPC: 198700004609

Value meets function with the Tipton Gun Vise Gen 2, delivering premium features without the premium price. Built by the leader in gun vises, this model offers the essential tools for firearm maintenance, cleaning, and scope mounting—all in one sturdy, affordable package. The strong rear clamp has non-marring rubber pads to protect expensive stock finishes and barrels, while the adjustable front cradle allows for vertical positioning to suit a variety of tasks. A fixed rear clamp with 5 preset front rest locations offers different lengths to fit firearms of all sizes. Rubberized feet keep the vise securely in place on your workbench. Featuring a Tipton VISE MOD™ accessory dock that allows the user to add custom accessories for the task at hand. The Gun Vise Gen 2 comes with the VISE MOD Tool Holder; additional accessories can be purchased separately, including work lights and magnetic parts trays. Whether you're a seasoned gunsmith or a weekend enthusiast, the Tipton Gun Vise Gen 2 is the smart choice for reliable performance at an unbeatable value.

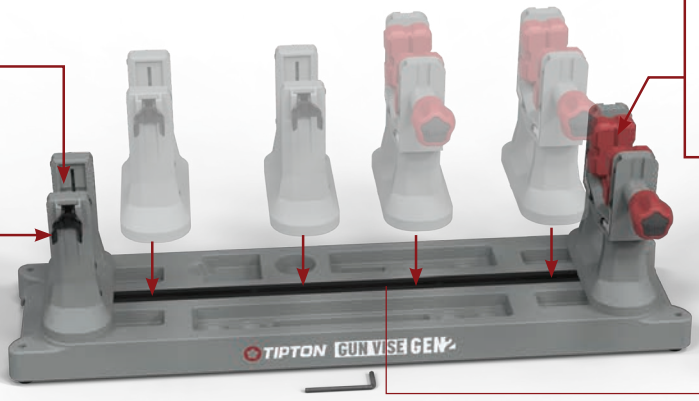

- **Secure Hold:** Strong rear clamp holds stock securely in place during cleaning & maintenance
- **Fits All Firearms:** 5 mounting positions allow for length adjustment of the front rest to accommodate different types of firearms
- **Protects Finishes:** Non-marring, rubber over-molding on clamps prevents damage to stocks and barrels
- **Stable Platform:** Rubberized feet prevent the vise from sliding on the workbench surface
- **Adjustable Height:** Vertical adjustment of the front rest supports the firearm at different angles for various tasks
- **Vise Mod™:** Includes Vise Mod Tool Holder to conveniently keep your essential tools within reach tools within reach

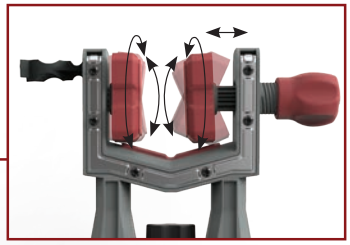

ADJUSTABLE HEIGHT FRONT REST
Front rest is conveniently adjustable to multiple heights accommodating almost any type of firearm

6 INDEPENDENTLY ADJUSTABLE MOUNTING POSITIONS

ARTICULATING HEAD CLAMP
Accommodates any stock shape with articulating rubberized non-marring clamps

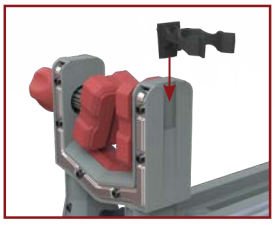

VISE MOD™ TOOL HOLDER
Conveniently holds tools, screw drivers and wrenches with a built-in cleaning rod holder

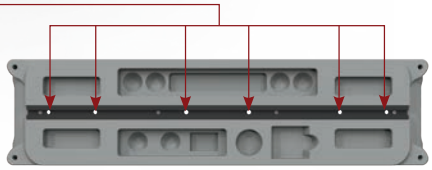

VISE MOD™ ACCESSORIES

Incorporated "V" notches in the clamps of the Gun Vise GEN2 all for adaptable accessory location. Switch and swap locations and accessory type for customizability

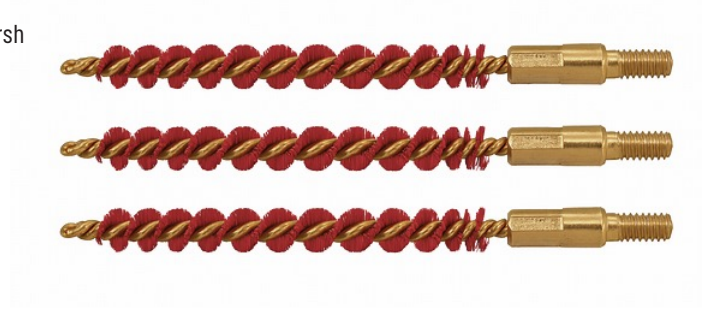

6 MOUNTING POSITIONS
Allow for length adjustment of the front and back rest to accommodate different types of firearms

BEST BORE BRUSH – NYLON (3 PK)

The Best Nylon Bore Brushes are made for serious shooters who demand fast, effective, and safe barrel cleaning. The extra-stiff bristles power through copper fouling, hard carbon, and residue to dramatically reduce cleaning time. Unlike standard nylon brushes, its thick bristles resist breakdown from scrubbing and harsh cleaning chemicals, ensuring long-lasting performance. This brush is 100% safe for rifle and pistol barrels thanks to its non-marring brass construction. Available in 14 sizes ranging from .17 cal to .50 cal, the Tipton Best Nylon Bore Brush delivers superior cleaning power across a wide range of firearms. Sold in packs of 3.

- Heavy-Duty Bristles: Extra-stiff bristle construction speeds rifle cleaning time
- Non-Marring Construction: Brass wire and ferrule won't scratch or mar barrels during cleaning
- Long-Life: Lasts longer than standard nylon brushes
- Universal: Great for cleaning pistols and rifles
- Chemical-Resistant: Bristles don't break down from cleaning chemicals or hard scrubbing
- Complete Assortment: Brushes available in 14 sizes, ranging from .17 cal - .50 cal

DELUXE CARBON FIBER ACTION ROD KIT

PRODUCT: 1215370 UPC: 198700000526

The Tipton Carbon Fiber Chamber Rod Kit is the perfect solution for fast and effective cleaning of AR-platform and bolt-action rifle actions. The 20-inch carbon fiber rod allows you to reach deep into action lug recesses without interference from the stock or adjustable combs, making cleaning more efficient and frustration-free. Constructed from carbon fiber, the rod won't bend or break during use. It's also non-marring, ensuring no damage is done to the action during use. The kit includes heavy-duty action brushes (small & large) that are compatible with nearly any rifle action. The extra-stiff, heavy-duty bristles make quick work of grease, oil, and debris. Whether you're maintaining a bolt-action rifle or an AR-style chamber, the Tipton Chamber Rod Kit delivers professional-grade results with ease and reliability.

- Thoroughly Cleans: Action brushes thoroughly clean grease, oil, and debris from action lug recesses
- Non-Marring Construction: Carbon fiber rod won't bend, break, or damage action
- Universal: Ideal for cleaning bolt-action and AR-style chambers/actions
- Optimal Length: 20" rod length ensures the handle doesn't interfere with the stock during cleaning
- Comfortable Use: Contoured handle provides enhanced ergonomics
- Uses Standard Patches: Includes 3" cotton patches
- Complete Kit: Includes 20" rod, 2 brushes (small & large), and 3" cleaning patches

BEST GUN DEGREASER

PRODUCT: 1222702 UPC: 198700000151

The Best Gun Degreaser is specially formulated to rapidly remove grease, oil, and debris from all firearm actions, barrels, and slides without damaging the surfaces of firearm plastics, polymers, and metals. It's quick-drying formula won't leave deposits behind.

- Removes grease, oil, powder residue, and other debris from actions, barrels, and other gun parts
- Safe for all firearm plastics, polymers, and metals
- Quick-drying formula
- 15 oz aerosol can
- Made in USA

BEST BORE CLEANER

PRODUCT: 1222700 UPC: 198700000175

The Best Bore Cleaner rapidly and effectively removes stubborn carbon build-up and dissolves copper fouling in one time-saving step. This 100% ammonia-free, odorless formula is non-corrosive and is safe for all metals and finishes.

- Custom formula rapidly dissolves copper and carbon fouling in one easy step
- Odorless
- Ammonia-free, non-corrosive formula is safe for all steels and finishes
- 4 oz bottle with dispenser cap
- Made in USA

BEST GUN OIL

PRODUCT: 1222701 UPC: 198700000168

Tipton Best Gun Oil is formulated to keep firearms running flawlessly even in extreme conditions by reducing metal-on-metal friction and wear. It also provides superior protection from metal surface rust and corrosion. This premium gun oil is designed to work on all firearms.

- Lubricates to reduce friction and wear of gun parts
- Protects metal surfaces from corrosion and rust
- 4 oz bottle with dispenser cap
- Made in USA

BEST CLP

PRODUCT: 1224716 UPC: 198700000182

This all-in-one CLP provides superior cleaning, lubrication and surface protection for all types of firearms. Engineered to perform in harsh conditions, this specialized formula exceeds the latest US military requirements.

- All-in-one formula meets the latest US military requirements (MIL-PRF-63460F Type B)
- CLEANS: Removes carbon fouling and contaminants from firearm surfaces
- LUBRICATES: Provides protection against metal-to-metal contact and wear
- PROTECTS: Guards against rust and corrosion
- Safe for firearm surfaces including metal, polymer, and plastic
- 4 oz bottle with dispenser cap
- Made in USA

BEST GUN VISE 360

PRODUCT: 4004923 UPC: 661120750581

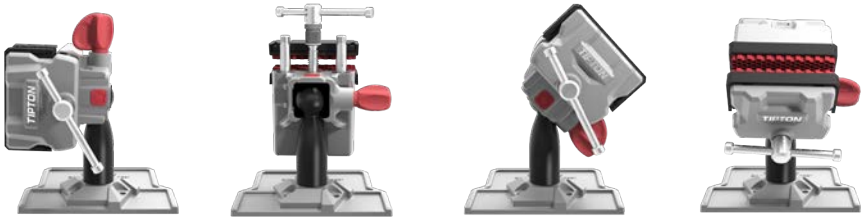

The Tipton® Best Gun Vise 360 sets the benchmark for firearm maintenance and care. Born from Tipton's legacy of developing premium gun vises, the Best Gun Vise 360 redefines versatility, innovation, and precision in firearm support. Engineered with an ingenious ball head design, the Tipton Best Gun Vise 360 boasts unrivaled adaptability, effortlessly accommodating any conceivable orientation. Whether you are mounting an optic, conducting general maintenance, or cleaning your firearm, this vise is sure to adapt to your needs. Crafted with the utmost attention to detail, the vise's multiple sets of non-marring jaw pads ensure your firearm's finish remains in pristine condition, preserving its value and aesthetics. The Best Gun Vise 360 offers two versatile mounting options – making installation a breeze. Seamlessly integrate it into your workspace by mounting it directly to your benchtop for a stable and permanent solution. Alternatively, take your vise wherever you go by utilizing removable c-clamps (not included) for a secure, portable setup. Whether you're a professional gunsmith or just a firearm enthusiast, the Tipton Best Gun Vise 360 is a must-have addition to your workbench.

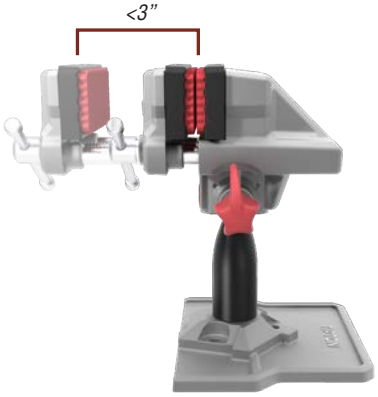

Two sets of non-marring jaw pads are included to cover a wide variety of applications while protecting the finish of the firearm.

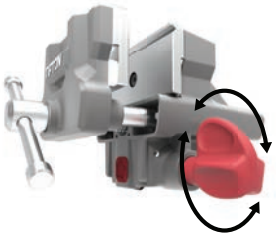

One is made of soft non-marring urethane material which protects the finish of stocks and other firearm surfaces.

The other pad is a made of harder durometer non-marring urethane material and is perfect for securing barrels and other cylindrical objects.

Ball head design grants maximum maneuverability, providing unrestricted access to every inch of your firearm

The tensioning handle makes for easy adjustment of the vise jaws, while the ergonomic friction knob ensures instant, rock-solid fixation at any desired angle

The versatile mounting base provides a rock-solid bolt-down solution on your bench, or secure your vise anywhere by using removable c-clamps (not included)

ULTRA GUN VISE

PRODUCT: 110011 UPC: 661120100119

The Tipton® Ultra Gun Vise features a completely modular interchangeable design to allow virtually any shape firearm or crossbow to be cleaned and worked on with ease. The ball and socket articulating clamp pads allow for the pads to adapt to any surface. The dual clamp technology rigidly holds any firearm shape in place, while the rigid steel tube frame structure allows for complete access to your firearm or crossbow. The front and rear clamps are both height and length adjustable and feature fast-turn knobs allowing for quick clamping. The solvent-resistant accessory and tool trays are movable and removable to stand up to even the toughest jobs.

- Non-marring, glass-filled nylon vise/clamp construction
- Durable steel tube frame
- Ball and socket articulating clamp pads allow for adaptation to any firearm's surface
- Front and rear clamps are both height and length adjustable
- Four independently-adjustable, non-slip feet
- Mountable directly to benchtop (hardware not included)
- Removable accessory/tool trays

Patents: www.aob.com/patents

Tipton Bore Brush Sets are an essential piece of regular firearm maintenance. Conveniently packaged caliber and gauge specific sets of brushes means you always have the right brush at hand. Bronze brushes are made from premium phosphor bronze for long life and cleaning power. Threads fit most popular brands of cleaning rods.

26 PC. ULTRA JAG BEST BORE BRUSH SET

PRODUCT: 444777 UPC: 661120447771

- 26 piece set contains 13 brushes and 13 jags
- Contained in a durable, hinged box with marked cavities.
- Contains .17 - .45 caliber.
- Jags and brushes .22 and larger
- .17 and .20 caliber have 5-40 threads.

INCLUDES:

- .17
- .20
- .22
- .243/6mm
- .25/6.5mm
- .270/7mm
- .30
- .338/8mm
- .35/9mm
- .375
- .40
- .44
- .45

26-PIECE SET

13 PC. ULTRA JAG SET

PRODUCT: 500012 UPC: 661120000129

- 13-Piece set contained in a durable, hinged box with marked cavities
- All jags have a nickel plated solvent-proof coating
- Contains .17 - .45 caliber
- Jags have 8-32 threads
- .17 and .20 caliber have 5-40 threads

INCLUDES:

- .17
- .20
- .22
- .243/6mm
- .25/6.5mm
- .270/7mm
- .30
- .338/8mm
- .35/9mm
- .375
- .40
- .44
- .45

ULTRA JAGS

- Jags have 8-32 threads and .17 and .20 jags have 5-40 threads
- Nickel plated solvent-proof coatin
- Slotted grooves hold patch & solvent securely for improved cleaning
- Pointed tip keeps the patch centered

F.A.T. WRENCH® AUTOTORQUE

PRODUCT: 1159465 UPC: 198700000434

The F.A.T. Wrench AutoTorque is the first battery-operated screwdriver with an integrated torque limiter engineered specifically for the gunsmithing industry. This innovative screwdriver allows you to work faster when installing red dots, scope bases, scope rings, and action screws without sacrificing accuracy. Adjustment is simple, just set the torque between 10-65 in-lbs on the easy-to-read digital display and get to work. The variable speed 200 RPM motor stops automatically when the desired torque is reached, safeguarding against fasteners being over-torqued or causing damage to your firearm. The rechargeable battery pack boasts a generous 2-hour continuous run-time on a single charge. Includes a 15-piece, black phosphate-coated 1/4" bit set that conveniently fits most common fasteners found on modern firearms. All the contents are neatly organized and secured in a premium latching hard case and stacks with other Wheeler sets for smart, convenient storage.

KEY FEATURES

- Purpose-Built: 10-65 in-lbs torque range is perfect for common gunsmithing tasks and other low-torque applications
- Won't Over-Torque: Motor stops when the selected torque is reached, eliminating over-torquing and damaging fasteners.
- Rechargeable Battery: Detachable 12V lithium-Ion battery features a USB-C charge port & quick-check LED battery status.
- Illuminates Workspace: Four ultra-bright LEDs illuminate when the trigger is depressed for maximum visibility.
- Variable Speed: Up to 200 RPM motor lets you control the speed.
- Max Power Mode: Quickly switch to maximum power to quickly remove stuck fasteners
- Easy-to-Read Display: Digital LCD screen displays torque settings in 0.1 in-lb increments
- Rust-Resistant Bits: Black phosphate coating on bits protects against rust and corrosion.
- Secure Storage: Latching hard-sided case organizes bits and protects contents, keeping them secure and protected during transport and storage.

PATENTS: AOB.COM/PATENTS

15-PIECE BIT SET INCLUDES:

RETI-LEVEL DIGITAL SCOPE LEVEL AND BORE SIGHTER

PRODUCT: 1215385 UPC: 198700000632

Tired of scope mounting being a time-consuming, tedious process that is hard to gauge if you have truly aligned your scope reticle to the bore of your rifle? Historically, conventional scope mounting has been a drawn-out process, involving several different time-consuming tasks. Thankfully, the Reti-Level from Wheeler makes that a thing of the past. The Reti-Level replaces conventional bubble levels with an accurate, easy-to-read digital level, allowing for next-level precision. The integrated crosshair green laser bore sighter allows for unmatched accuracy by allowing you to level the bore of your rifle to the reticle of your scope instead of relying on leveling off the turret cap, which can produce unsatisfactory results. By combining the scope leveling and bore sighting tasks into four easy steps, you not only save time but also get on target in fewer shots. All the contents are neatly organized and secured in a premium latching hard case that stacks with other Wheeler sets for smart, convenient storage.

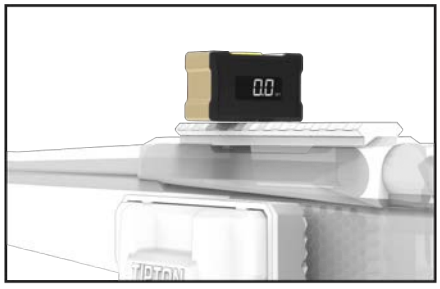

KEY FEATURES

- Maximizes Accuracy: Level reticle instead of the turret for the most accurate way to level a scope.
- Safe on All Barrels: Self-centering, magnetic clamp securely attaches to any barrel without risk of damage.
- Convenient to Use: Level scope and bore sight with just one device in 4 easy steps.
- Easy-to-read Measurements: LCD screen on digital level displays measurement with 0.1 degree accuracy
- High-Visibility Bore Sight Laser: The green bore sighting laser is easy to see even in bright conditions
- Rechargeable Batteries: Long-lasting, integrated USB-C rechargeable batteries
- Secure Storage: Latching hard-sided case keeps contents secure and protected during transport and storage.

38-PIECE F.A.T. WRENCH® SCREWDRIVER SET

PRODUCT: 1237377 UPC: 198700004661

ARE YOUR RIFLE'S SCOPE MOUNTS TIGHT? WORSE TOO TIGHT OR LOOSE...When your gunsmithing project demands precision, reach for the 38-Piece F.A.T. Wrench® Screwdriver Set. This professional-grade, essential screwdriver set pairs the iconic F.A.T. Wrench with 36 carefully selected bits and adapters, making it a must-have for tackling everything from scope bases and rings to action screws with confidence. The F.A.T. Wrench® features an adjustable torque range of 10–65 in-lbs., delivering precise and repeatable torque to scope ring and base fasteners, helping you avoid overtightening that can damage firearms or optics. The bits are black phosphate-coated to prevent corrosion and extend tool life. All the contents are neatly organized in a premium, stackable hard case that nests with other Wheeler sets. Get a Wheeler F.A.T. Wrench and have peace of mind that your rifle's screws are tight and right.

KEY FEATURES

- Prevent Damage: F.A.T. Wrench achieves perfect torque without causing damage to the fastener.
- Complete Set: Assortment includes Flat, Phillips, SAE/Metric Hex, Star, and Specialty bits that fit most firearm fasteners.
- Precise Fit: Hollow-ground flat bits are precision fit to prevent damage to screws and firearms.
- Rust-Resistant Bit Coating: Black phosphate coating on bits protects against rust and corrosion.
- Secure Storage: Latching hard-sided case organizes bits and protects contents, keeping them secure and protected during transport and storage.

PATENTS: AOB.COM/PATENTS

ESSENTIAL SCOPE MOUNTING KIT

PRODUCT: 1237379 UPC: 198700004678

MOUNT SCOPES LIKE A PROFESSIONAL. Whether you are mounting a scope on a new rifle or fine-tuning your optics, the Essential Scope Mounting Kit includes everything you need to mount scopes with confidence and consistency by combining two of our most popular scope mounting products into one convenient package. At the heart of the kit is the iconic F.A.T. Wrench®, featuring an adjustable torque range of 10–65 in-lbs. It delivers repeatable, precise torque to scope rings and base fasteners, helping you avoid overtightening that can damage expensive firearms and optics. The Professional Reticle Leveling System ensures your scope is perfectly level every time for maximum accuracy in the field or at the range, ensuring you won't miss that important shot. The included set of bits covers the most common scope fasteners, ensuring you have the right bit for the job. Everything is neatly organized in a premium, stackable hard case that nests seamlessly with other Wheeler sets, keeping your tools protected and your workspace clutter-free. Get the Essential Scope Mounting Kit and start mounting optics like a professional at home.

KEY FEATURES

- Prevent Damage: The F.A.T. Wrench achieves perfect torque without causing damage to the fastener or scope.
- Precision Scope Alignment: The Professional Reticle Leveling System ensures the scope is perfectly level.
- Rust-Resistant Bits: Black phosphate coating on bits protects against rust and corrosion.
- Secure Storage: Latching hard-sided case organizes bits and protects contents, keeping them secure and protected during transport and storage.

PATENTS: AOB.COM/PATENTS

UNIVERSAL HANDGUN SIGHT TOOL

PRODUCT: 1237378 UPC: 198700005705

Whether you're upgrading your carry pistol or tuning a competition gun, the Wheeler Universal Handgun Sight Tool delivers professional-grade performance at an affordable price. The four independent positioning clamps ensure a secure and fully captured fit on subcompact, compact, full-size, competition, and 1911 slides, allowing for accurate adjustments without damaging your pistol. Designed to remove even the most stubborn dovetail sights, this tool works seamlessly with all popular semi-auto pistol models, including Glock, Sig Sauer, S&W, Springfield Armory, and more. The height adjustment accommodates all flat-sided, angled, and suppressor-height sights. For added stability during use, the base features machined recesses, allowing the tool to be mounted in a bench vise—providing a rock-solid platform.

KEY FEATURES

- Maximum Leverage: Two post handle safely pushes high-force sights without damaging the slide or sights.
- Universal: Works on all semi-auto pistols with dovetail sights, including Glocks, 1911s, S&W
- Fully Captures Slide: Four independent positioning clamps fully capture and secure all slide lengths and widths, keeping them securely in place.
- Mounts in vise: Machined recess in base allows for mounting in a bench vise for a more secure & stable platform.

F.A.T. WRENCH®

FIREARM ACCURIZING TORQUE

PRODUCT: 4001002 UPC: 661120746980

The Wheeler® F.A.T. Wrench® (Firearm Accurizing Torque) brings perfect consistency to every screw on your rifle. This amazing, industry-standard handheld torque wrench lets you apply repeatable, accurate torque. Why is this important? Because precisely tightened screws and mounts prevent damage to optics and firearms and decrease the chances of failure in the field. Equipped with an adjustable torque range that delivers 10-65 in-lbs., it's engineered to tackle a wide variety of common gunsmithing tasks like tightening scope bases and rings, action screws, and more with precision. The driver features a magnetized tip to prevent bits from falling out and a textured, rubber over-mold that improves ergonomics and grip while reducing hand strain during high torque applications. The 10 included bits are treated with a black phosphate coating that prevents rust and corrosion and extends tool life; guaranteeing that your tools will look great for years to come. All the contents are neatly organized and secured in a premium latching hard case that easily stacks on top of other Wheeler screwdriver sets for smart, convenient storage.

KEY BENEFITS

- TORQUE ADJUSTMENT RANGE OF 10-65 IN-LBS. FOR A WIDE VARIETY OF GUNSMITHING TASKS WHEN PRECISION IS A MUST
- RUBBERIZED HANDLE IMPROVES ERGONOMICS FOR ENHANCED COMFORT AND GRIP, REDUCING HAND STRAIN AND FATIGUE
- HOLLOW-GROUND FLAT BITS CREATE A PRECISE FIT TO PREVENT DAMAGE TO SCREWS AND FIREARMS
- INCLUDES 10 LONG-LASTING BITS MADE WITH HARDENED S2 STEEL BITS
- PHOSPHATE COATING ON BITS AND SHAFT PREVENTS RUST AND CORROSION, KEEPING THEM LOOKING GOOD FOR YEARS TO COME
- PREMIUM LATCHING HARD CASE ORGANIZES AND PROTECTS CONTENTS, KEEPING THEM SECURE AND PROTECTED DURING TRANSPORT AND STORAGE

FIREARM ACCURIZING TORQUE

PRODUCT: 4001001 UPC: 661120746997

The Wheeler® Digital F.A.T. Wrench® (Firearm Accurizing Torque) brings even more precise torque settings to the handheld torque screwdriver. This amazing digital handheld torque wrench lets you apply repeatable torque with precision. Equipped with a generous torque adjustment range of 5-100 in-lbs., the Digital F.A.T. Wrench can tackle a wide variety of common gunsmithing tasks like tightening installing red dot sights, scope rings, bases, and other fasteners to their exact torque specification. The dual audible and visual indicators tell the user exactly when the desired torque setting has been achieved, safeguarding against over-torqued or broken fasteners. The driver features a magnetized tip to prevent bits from falling out and a textured, rubber over-mold that improves ergonomics and grip while reducing hand strain during high torque applications. The driver shafts and bits all have a black phosphate coating that prevents rust and corrosion and extends tool life; guaranteeing that your tools will look great for years to come.
All the tools are neatly organized and secured in a premium latching hard case that easily stacks on top of other Wheeler screwdriver sets for smart, convenient storage.

KEY BENEFITS

- TORQUE ADJUSTMENT RANGE OF 5-100 IN-LBS. COVERS A WIDE VARIETY OF COMMON GUNSMITHING TASKS INCLUDING LOW TORQUE RED DOT SIGHTS
- LCD SCREEN FEATURES LIVE AND PEAK MODES FOR MEASURING TORQUE
- AUDIBLE AND VISUAL INDICATORS WHEN DESIRED TORQUE IS REACHED
- RUBBERIZED HANDLE IMPROVES ERGONOMICS FOR ENHANCED COMFORT AND GRIP, REDUCING HAND STRAIN AND FATIGUE
- HOLLOW-GROUND FLAT BITS CREATE A PRECISE FIT TO PREVENT DAMAGE TO SCREWS AND FIREARMS
- PHOSPHATE COATING ON BITS AND SHAFT PREVENTS RUST AND CORROSION, KEEPING THEM LOOKING GOOD FOR YEARS TO COME
- PREMIUM LATCHING HARD CASE ORGANIZES AND PROTECTS CONTENTS, KEEPING THEM SECURE AND PROTECTED DURING TRANSPORT AND STORAGE

100 PIECE PROFESSIONAL F.A.T. WRENCH® SCREWDRIVER SET

FIREARM ACCURIZING TORQUE

PRODUCT: 4001004 UPC: 661120747000

Take gunsmithing to the next level with the Wheeler® 100-Piece Professional F.A.T. Wrench® Screwdriver Set. The combination of our iconic F.A.T. Wrench (Firearm Accurizing Torque) with 97 screwdriver bits and adapters makes this set a gunsmith's dream. Equipped with an adjustable torque range that delivers 10-65 in-lbs., the F.A.T. Wrench is engineered to tackle a wide variety of common gunsmithing tasks like tightening scope bases and rings, action screws, and more with precision. Both the F.A.T. Wrench and the ¼" driver feature magnetized tips and rubber over-molded handles that improve ergonomics and grip while reducing hand strain. The driver shafts and bits all have a black phosphate coating that prevents rust and corrosion and extends tool life; guaranteeing that your tools will look great for years to come. All the tools are neatly organized and secured in a premium latching hard case that easily stacks on top of other Wheeler screwdriver sets for smart, convenient storage.

KEY BENEFITS

- COMPREHENSIVE SET OF FLAT, PHILLIPS, SQUARE, SAE/METRIC HEX, STAR, AND SPECIALTY BITS FOR MANY COMMON FASTENERS
- INCLUDED F.A.T. WRENCH ACHIEVES PERFECT TORQUE WITHOUT CAUSING DAMAGE TO THE FASTENER
- HOLLOW-GROUND FLAT BITS CREATE A PRECISE FIT TO PREVENT DAMAGE TO SCREWS AND FIREARMS
- RUBBER OVER-MOLDED HANDLES IMPROVE ERGONOMICS AND INCREASE GRIP WHILE REDUCING HAND STRAIN
- MAGNETIZED DRIVER TIPS SECURELY HOLD BITS, ENSURING THEY WILL NOT FALL OUT DURING USE
- BLACK PHOSPHATE COATING PREVENTS CORROSION AND EXTENDS THE LIFE OF THE DRIVER; KEEPING THE DRIVER AND BITS LOOKING GREAT FOR YEARS
- PREMIUM LATCHING HARD CASE ORGANIZES AND PROTECTS CONTENTS, KEEPING THEM SECURE AND PROTECTED DURING TRANSPORT AND STORAGE

89 PIECE PROFESSIONAL GUNSMITHING SCREWDRIVER SET

PRODUCT: 4001008 UPC: 661120747055

Whether you are a professional or in-home gunsmith, the Wheeler® 89 Piece Professional Gunsmithing Screwdriver Set is a must-have staple in your toolset. Unlike other screwdriver suppliers, Wheeler's engineers measured the screws on over one hundred modern and antique firearms to ensure that we offered specialty bits for every situation. Whether you are working on a Browning® Superposed, a Remington® 700, a Smith & Wesson® revolver, or a Colt® single action, you will find that there is a bit to fit every screw on your gun. The two included drivers feature magnetized tips and rubber over-molded handles that improve ergonomics and grip while reducing hand strain. The driver shafts and bits all have a black phosphate coating that prevents rust and corrosion and extends tool life; guaranteeing that your tools will look great for years to come. All the contents are neatly organized and secured in a premium latching hard case that easily stacks on top of other Wheeler screwdriver sets for smart, convenient storage.

43 PIECE GUNSMITHING SCREWDRIVER SET

PRODUCT: 4001006 UPC: 661120747031

Screwdrivers are one of the most important and used gunsmithing tools and the Wheeler® 43 Piece Gunsmithing Screwdriver Set is no exception. Unlike other screwdriver suppliers, Wheeler's engineers measured the screws on over one hundred modern and antique firearms to make sure that we offered bits for every situation. Whether you are working on a Browning® Superposed, a Remington® 700, a Smith & Wesson® revolver, or a Colt® single action, you will find that there is a bit to fit every screw on your gun. The precise hollow-ground flat bits fit perfectly in the screw slot, preventing damage to screws or expensive firearms. The rubberized driver handle improves ergonomics for better comfort and grip while reducing hand strain and fatigue. The black phosphate coating not only adds an aesthetic touch but also acts as a barrier against corrosion and rust ensuring your tools remain in top condition for years to come. All the contents are neatly organized and secured in a premium latching hard case that easily stacks on top of other Wheeler screwdriver sets for smart, convenient storage.

KEY BENEFITS

FIREARM ACCURIZING TORQUE

PRODUCT: 1136022 UPC: 661120107798

- PRESET TORQUE LIMITERS ARE QUICK AND CONVENIENT WITH NO ADJUSTMENTS REQUIRED
- ACCURATELY TIGHTENS TO DESIRED SPECIFICATION, PREVENTING DAMAGE AND STRIPPED SCREWS
- REVERSIBLE DESIGN ALLOWS FOR TIGHTENING AND LOOSENING FASTENERS WITHOUT DAMAGING THE LIMITER
- SOFT CARRY CASE ORGANIZES THE KIT AND IS IDEAL FOR PORTABILITY

Whether in the garage or on the range, tightening to the correct torque value can be the difference between success and failure. The Wheeler F.A.T. Stix set features 15, 25, 35, 45, and 65 in-lbs torque limiters to cover all of the most common applications. This set also includes 12 common bits, a ½" socket, and a ¼" drive bit extension. The ergonomic T-handle design is comfortable and easy to use for a variety of tasks. The convenient carry case makes F.A.T. Stix the perfect tool for on-the-go.

- PRESET TO SPECIFIC IN-LB. TORQUE VALUES, REQUIRING NO ADJUSTMENTS FOR QUICK AND CONVENIENT USE
- ACCURATELY TIGHTENS TO DESIRED TORQUE SPECIFICATION, SAFEGUARDING AGAINST LOOSE COMPONENTS, DAMAGE TO FIREARMS AND STRIPPED SCREWS
- EXTREMELY ACCURATE WITHIN +/-5% ENSURING THE CORRECT TORQUE EVERY TIME
- REVERSIBLE DESIGN ALLOWS FOR TIGHTENING AND LOOSENING FASTENERS WITHOUT DAMAGE TO THE LIMITER
- COMPATIBLE WITH F.A.T. STIX T-HANDLE DRIVER OR ANY OTHER DRIVER THAT ACCEPTS ¼" BITS

The Wheeler® F.A.T. Stix® Limiters take the guesswork out of torquing gear on the go. Each limiter is preset to a specific torque value, allowing for easy use at the range or in the field. We've got you covered with limiters ranging from 10 in-lbs. to 65 in-lbs. in 5 in-lbs. increments, ensuring you will have the right tool for the task. They precisely adjust to the specified torque, providing protection against the risk of components coming loose or causing harm to firearms and fasteners. These limiters are compatible with the Wheeler F.A.T. Stix T-Handle Driver or any other driver that accepts ¼" bits.

PROFESSIONAL RETICLE

LEVELING SYSTEM

PRODUCT: 119050 UPC: 661120190509

KIT INCLUDES:

- TWO CALIBRATED MACHINED ALUMINUM LEVEL HOUSINGS
- FOAM-MOLDED STORAGE CASE

The Wheeler® Professional Reticle Leveling System (PRLS) is a precision tool designed to allow a scope to be perfectly leveled on any firearm with ease by leveling the scope to the gun itself. The adjustable Barrel Clamp Level fits around even the largest diameter barrels (including shotguns) and features non-marring pads to prevent damage.

Reference Level

Barrel Clamp Level

LEVEL-LEVEL-LEVEL

PRODUCT: 113088 UPC: 661120130888

- FEATURES TWO LEVELS TO CALIBRATE THE SCOPE TO THE GUN
- SCOPE TURRET LEVEL SITS ON TOP OF SCOPE TURRET
- ACTION LEVEL MAGNETICALLY ATTACHES TO GUN'S ACTION

The Wheeler® Level-Level-Level works by leveling the scope to the receiver, not to the top of a scope base. This scope mounting level works with practically any bolt-action rifle and is adaptable to other designs as well.

PROFESSIONAL LASER

BORE SIGHTER

PRODUCT: 580022	RED LASER	UPC: 661120800224
PRODUCT: 589922	GREEN LASER	UPC: 661120899228

KIT INCLUDES:

- PLASTIC STORAGE CASE
- LITHIUM 123A BATTERY
- REFLECTIVE SIGHTING GRID

The Wheeler® Professional Laser Bore Sighter uses a high-power laser and a high-strength magnetic connection to the barrel to deliver fast accurate bore sighting. This system works with virtually all firearms; rifles, shotguns, handguns. The Machined aluminum housing is factory calibrated with the laser for extreme accuracy.

SCOPE MOUNTING AND ALIGNMENT KIT

PRODUCT: 545454 1" & 30MM UPC: 661120454540

KIT INCLUDES:

- F.A.T. WRENCH
- 10 BITS
- 1/2" SOCKET
- LEVEL-LEVEL-LEVEL
- FLEX DRIVER
- LAPPING BAR(S) ALIGNMENT BARS
- LAPPING BAR HANDLE
- 220 GRIT LAPPING COMPOUND
- THREAD LOCKER
- STORAGE CASE

The Wheeler® Professional Scope Mounting Kit will properly align, attach and level your scope on your gun. Alignment and lapping bars make ring alignment simple and easy. The Level-Level-Level provides precise leveling for your scope and the F.A.T. Wrench® guarantees exact torque specs on your scope rings. A flex driver is included for use with a power drill.

SCOPE RING

ALIGNMENT & LAPPING KITS

PRODUCT: 204061	1"	UPC: 661120040613
PRODUCT: 633266	30MM	UPC: 661120332664
PRODUCT: 1081035	34MM	UPC: 661120412557
PRODUCT: 305172	1" & 30MM	UPC: 661120051725
PRODUCT: 781366	1" ALIGNMENT BARS	UPC: 661120813668

KIT INCLUDES:

- LAPPING BAR(S)
- LAPPING BAR HANDLE
- ALIGNMENT BARS
- 220 GRIT LAPPING BAR COMPOUND

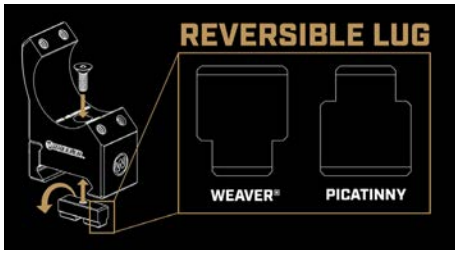

Aligning and lapping of new rings should become the standard practice whenever a scope is installed on a quality firearm. The alignment bars in this kit provide for perfect alignment of both rings and will also diagnose any misalignment problem, vertical or horizontal, giving you the opportunity to fix the problem before damaging the scope or experiencing frustration at the range.

- HARDWARE INCLUDED (STAR SCREWS)
- 6 HOLE RING DESIGN
- RETAINED 1/2" LOCK NUTS SECURE TO PIC RAIL
- FLIP-OUT ANTI-CANT INDICATOR

Get the perfect mount with Wheeler® 1 Piece Bolt Action Scope Mounts. Made of 6061 aluminum, the 6 hole ring design features a swing-out anti-cant indicator. Designed to fit on any AR or Precision Rifle with a Pic Rail, these 1 piece scope mounts are available in 1", 30mm, and 34mm ring sizes.

ANTI-CANT

INDICATOR

PRODUCT: 755712	1"	UPC: 661120557128
PRODUCT: 766112	30MM	UPC: 661120661122
PRODUCT: 580033	PIC RAIL	UPC: 661120800330

- INDICATES PRECISE, REPEATABLE LEVEL GUN POSITION
- EASY-TO-VIEW FROM SHOOTING POSITION
- FOLDS IN WHEN NOT IN USE
- ATTACHES VIA UNIVERSAL PICATINNY RAIL ATTACHMENT OR DIRECTLY TO SCOPE
- PRECISION MACHINED ALUMINUM WITH ANODIZED FINISH

Keeping your scope perfectly aligned is critical to long-range accuracy. Canting your scope, even just a couple of degrees, can cause error in point of impact. With modern "Drop-Compensating" scopes, The Wheeler® Anti-Cant Indicator is a necessity.

PROFESSIONAL DIGITAL TRIGGER

GAUGE

PRODUCT: 710904 UPC: 661120109044

- 0-12 LBS RANGE WITH MIN, MAX, AVERAGE, AND LIVE FUNCTIONS
- LOAD SENSOR DIRECTLY CONTACTS THE TRIGGER
- ARM FOLDS INSIDE HOUSING TO PROTECT THE LOAD SENSOR WHEN NOT IN USE
- AUDIBLE INDICATOR TONE

The Wheeler® Professional Digital Trigger Guage featues an over-molded design for a consistent line of pull and soft-touch buttons for comfort. Includes bladed trigger adapter to allow use with triggers that have internal safety blades. Also includes a foam lined storage case.

TRIGGER PULL

GAUGE

PRODUCT: 309888 UPC: 661120098881

- ACCURATELY MEASURES TRIGGER PULL IN 2 OZ INCREMENTS
- ACCURATE TO +/- 2 OZ
- EASY-TO-READ SLIDING INDICATOR
- RANGE FROM 8 OZ TO 8 LBS

The Wheeler® Trigger Pull Scale accurately measures trigger pull weight from 8 ounces to 8 pounds. It features an ergonomically shaped handle for consistent direction of pull. Highly visible increment markings and easy to read sliding indicator that stays on the maximum weight registered.

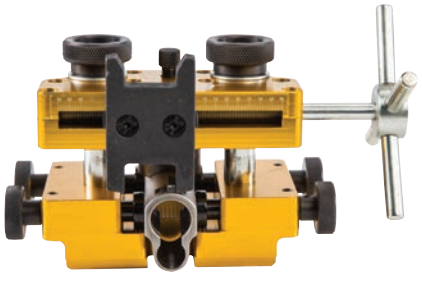

ARMORER'S HANDGUN

SIGHT TOOL

PRODUCT: 710905 UPC: 661120109051

- FULLY CAPTURES AND SUPPORTS SLIDE
- SIGHT PRONG IS REVERSIBLE TO ACCOMMODATE GLOCKS
- WORKS ON ALL SEMI-AUTO PISTOLS
- LARGE 4-POST DRIVE KNOB TO EASILY PUSH THE SIGHT

The Wheeler® Armorer's Handgun Sight Tool is designed for adjusting, installing or removing dovetail style front and rear handgun sights. Made of high end materials, the Wheeler® Armorer's Handgun Sight Tool will last for years of use.

NYLON/BRASS
HAMMER

PRODUCT: 711016 UPC: 661120110163

- NON-MARRING NYLON FACE
- BRASS FACE CAN BE USED FOR DRIVING PINS AND PUNCHES
- 11" LENGTH

The Wheeler® Nylon/Brass Hammer is likely to become your favorite hammer on the bench, or at the range. The nylon face is non-marring and is great for alignment and other uses where a steel hammer is not appropriate. The brass face can be used for driving pins and punches, as well as a multitude of other uses.

UNIVERSAL 1911/PISTOL
BENCH BLOCK

PRODUCT: 672215 UPC: 661120188278

- MAIN SPRING REMOVAL RECESS AND BOSS
- BARREL LINK REMOVAL V CHANNEL
- REAR SIGHT DRIFT CHANNEL AND FRONT SIGHT STAKING CHANNEL
- HAMMER AND SEAR PIN REMOVAL HOLES
- EJECTOR PORT DRESSING CHANNEL

Made of non-marring urethane, the Wheeler® Universal 1911/Pistol Bench Block is perfect for use on M1911 pistols as well as other firearms such as 10/22s.

MASTER INTERCHANGEABLE
HAMMER SET

PRODUCT: 110268 UPC: 661120001997

KIT INCLUDES:

- TWO MACHINED METAL HAMMER BODIES
- HAMMER FACES: METAL, BRASS, NYLON, RUBBER
- DURABLE BLOW -MOLDED CASE FOR STORAGE

THe Wheeler® Master Interchangeable Hammer Set features two precision-machined hammer bodies. The large hammer is ideal for driving out large or stubborn pins. The small hammer is perfect when precise control is neccessary. The set comes with 8 interchangeable hammer faces made from metal, brass, nylon, and rubber for a variety of jobs.

HAMMER PUNCH SET

PRODUCT: 951900 UPC: 661120519003

KIT INCLUDES:

- POLYMER AND BRASS HAMMER FACES
- EIGHT PRECISION BRASS PUNCHES
- FOUR STEEL PUNCHES
- TWO NON-MARRING POLYMER PUNCHES
- MOLDED STORAGE CASE

The Wheeler® Hammer Punch Set is a great tool for driving pins or drifting sights at the range or on your bench. Two hammer faces and a wide variety of punches allow for an assortment of jobs. Everything is neatly organized in the molded case for convenient storage.

ROLL PIN

STARTER SET

PRODUCT: 710910 UPC: 661120109105

KIT INCLUDES:

• 5/16”	• 3/16”	• 3/32”
• 1/4”	• 5/32”	• 5/64”
• 7/32”	• 1/8”	• 1/16”

The Wheeler® Roll Pin Starter Set are machined from hardened steel to prevent bending or breaking while starting any size roll pin. The punches are designed with a beveled tip for starting the roll pin. All punches are organized in a convenient roll-up pouch.

ROLL PIN

PUNCH SET

PRODUCT: 204513 UPC: 661120045137

KIT INCLUDES:

• 5/16”	• 3/16”	• 3/32”
• 1/4”	• 5/32”	• 5/64”
• 7/32”	• 1/8”	• 1/16”

The Wheeler® Roll Pin Punches are machined from hardened steel to prevent bending or breaking while driving any size roll pin. The punches are designed with a hemispherical tip to provide proper alignment of the roll pin to prevent damage to the roll pin and firearm. All punches are organized in a convenient roll-up pouch.

BRASS

PUNCH SET

PRODUCT: 780194 UPC: 661120801948

KIT INCLUDES:

- 5/16”
- 3/16”
- 3/32”
- 1/4”
- 5/32”
- 5/64”
- 7/32”
- 1/8”
- 1/16”

The Wheeler® Brass Punch Set features eight punches ranging in size from 1/8”-5/16”. All punches are easily stored in the convenient roll-up pouch.

MASTER ROLL PIN

PUNCH SET

PRODUCT: 110128 UPC: 661120001409

KIT INCLUDES:

- 5/16"
- 3/16"
- 3/32"
- 1/4"
- 5/32"
- 5/64"
- 7/32"
- 1/8"
- 1/16"

The Wheeler® Master Roll Pin Punch Set combines two of our best pin sets with a gunsmithing hammer into one convenient kit. Counter-bored starter punches keep roll pins aligned for easy starting. The roll pin punches are designed with a hemispherical tip to provide proper alignment of the roll pin to prevent damage to the roll pin and firearm. All pins feature knurled handles for a secure hold during use.

PROFESSIONAL

FILE SET

PRODUCT: 710908 UPC: 661120109082

KIT INCLUDES:

- 8” HALF ROUND FILE
- 8” FLAT FILE
- 6” SQUARE FILE
- 6” TRIANGLE FILE
- 6” ROUND FILE
- 4-IN-1 RASP
- FILE CLEANING BRUSH
- EXTRA-FINE DIAMOND PLATE
- STICK OF FILE CHALK
- FLAT COARSE GRIT FILE
- ROUND COARSE GRIT FILE
- TRIANGLE COARSE GRIT FILE
- FLAT MEDIUM GRIT FILE
- ROUND MEDIUM GRIT FILE
- TRIANGLE MEDIUM GRIT FILE
- FLAT LINE GRIT FILE
- ROUND FINE GRIT FILE
- TRIANGLE FINE GRIT FILE

The Wheeler® Professional Gunsmithing File Set is perfect for many different gunsmithing jobs. The set comes with a wide grade of files from a rough rasp all the way down to a super, extra fine diamond plate. All files fit neatly in roll-up case for storage.

CERAMA COAT

CUSTOM GUN ARMOR

PRODUCT: 468993	BLACK	UPC: 661120689935
PRODUCT: 492304	FDE	UPC: 661120923046
PRODUCT: 567312	OLIVE DRAB	UPC: 661120673125

- HIGHLY RESISTANT TO SCRATCHING, CHIPPING, AND GUN SOLVENTS
- WEATHERPROOF, MATTE FINISH
- BONDS TO FERROUS METALS, ALLOYS, STAINLESS STEEL AND SYNTHETICS THAT CAN BE HEATED TO 200 DEGREES
- 4 OZ CAN

The Wheeler® Cerama-Coat is a specifically formulated finish that provides an extremely durable coating. The key to the super hard finish is ultra-fine ceramic molecules that crosslink and bond to the base material.

BARREL VISE

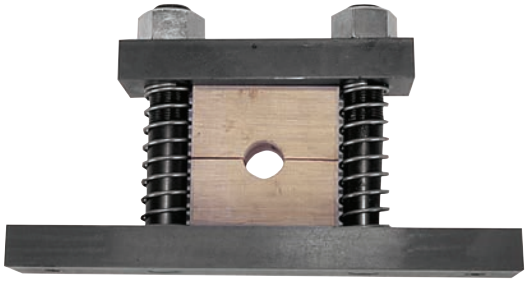

WITH 3 OAK BUSHINGS

PRODUCT: 465185 UPC: 661120195177

- SECURELY CLAMP YOUR BARREL FOR REMOVAL OR INSTALLATION
- BARREL VISE INCLUDES TWO PRE-DRILLED OAK BLOCKS, 1" AND 3/4" AND A SOLID BLOCK FOR CUSTOM DRILLING

***REPLACEMENT OAK BUSHINGS** (3 PACK)*

PRODUCT: 844879 UPC: 661120194712

LEAD BARREL

VISE SHIMS (4 PACK)

PRODUCT: 239444 UPC: 661120194941

- INCLUDES 4 LEAD BARREL VISE SHIMS
- SHIMS CAN BE REUSED MULTIPLE TIMES

Wheeler® Vise Shims are recommended to line between barrel and vise bushings. It improves the grip of the firearm and won't damage steel or bluing.

SAVAGE BARREL NUT

WRENCH

PRODUCT: 123038 UPC: 661120230380

- FITS EARLY AND LATE MODEL BARREL NUTS ON THE 110 AND 10 SERIES RIFLES

The Wheeler® Savage Barrel Nut Wrench delivers the strength and rigidity required for proper barrel removal and installation. The action wrench safely surrounds and supports the receiver ring. The 15" long, 1" diameter steel handle will overcome even the tightest assemblies. The double ended savage barrel nut wrench fits both early and late model nuts on the 110 and 10 series rifles with both square or round notch barrel nuts. A second wrench is included for smooth barrel nuts with a non-marring brass shim. It also features two 1/2" square drive holes for a swing bar or a torque wrench.

ACTION WRENCH #2

REMINGTON 700

PRODUCT: 414521 UPC: 661120195405

- SAFELY SURROUNDS AND SUPPORTS RECEIVER RING

Heavy duty tools to deliver the strength and rigidity required for proper barrel removal and installation. The Wheeler® Action Wrench wrench safely surrounds and supports the receiver ring. The 15" long, 1" diameter steel handle will overcome even the tightest assemblies.

ACTION WRENCH #1

MAUSER / FLAT BOTTOMED RECEIVER

PRODUCT: 808771 UPC: 661120195634

- SAFELY SURROUNDS AND SUPPORTS RECEIVER RING

Heavy duty tools to deliver the strength and rigidity required for proper barrel removal and installation. The Wheeler® Action Wrench wrench safely surrounds and supports the receiver ring. The 15" long, 1" diameter steel handle will overcome even the tightest assemblies.

UNIVERSAL

BARREL CLAMP

PRODUCT: 672286 UPC: 661120722861

- PRECISION EXTRUDED FROM AIRCRAFT GRADE ALUMINUM
- BONDED WITH NON-MARRING URETHANE

The Wheeler® Universal Barrel Clamp is precision extruded from aircraft grade aluminum and bonded with non-marring urethane. The urethane coating is specially designed to provide a protective layer for the barrel's finish while providing extraordinary gripping abilities. Three different barrel openings of .85", .66" and .53" will accommodate anything from an AR pencil barrel up to a bull barrel.

BEDROCK

BEDDING KIT

PRODUCT: 190274 UPC: 661120902744

KIT INCLUDES:

- 4 OZ BEDROCK
- BROWN & BLACK DYE
- 2 FL OZ MICROBALLOONS
- MODELING CLAY
- SURGICAL TUBING
- 3 MIXING CUPS
- 3 MIXING/APPLICATOR STICKS
- RELEASE AGENT
- 2 RELEASE AGENT APPLICATORS

A rifle's accuracy is dependent on the fit of its barreled action to its stock. The Wheeler® Bedrock Bedding Kit makes your rifle's stock and metal components fit together to eliminate shift and pressure points caused by recoil and changes in temperature and humidity. Removing the contact points of the stock where the barreled action meets, and replacing them with Bedrock assures you of a perfect, stress-free fit.

RECOIL PAD

INSTALLATION FIXTURE

PRODUCT: 184528 UPC: 661120845287

The Wheeler® Recoil Pad Installation Fixture accurately transfers the toe-line angle and the comb line from the stock to the new recoil pad; also serves as a stable work holding fixture for off-the-stock sanding of the pad. Designed for use with any table-mounted belt or disc sander. Rigid, cast aluminum base and aluminum pad mounting bar.

MULTI-DRIVER

TOOL PEN

UPPER RECEIVER

ACTION ROD

PRODUCT: 1100182 UPC: 661120418061

- WORKS ON ALL AR-15'S WITH STANDARD BARREL EXTENSIONS
- LOCKS INTO BARREL EXTENSION
- TORQUE BARREL NUTS WITHOUT RISKING DAMAGE TO UPPER
- NO REMOVAL OF OPTICS OR SIGHTS REQUIRED
- WORK ON YOUR UPPER FROM MULTIPLE ANGLES WITHOUT SLIPPING IN VICE JAWS
- GAS PORT ALIGNMENT TOOL

The Wheeler® Upper Receiver action rod reduces stress on upper receiver during barrel installation or removal.

PATENTS: AOB.COM/PATENTS

PROFESSIONAL ARMORER'S

WRENCH

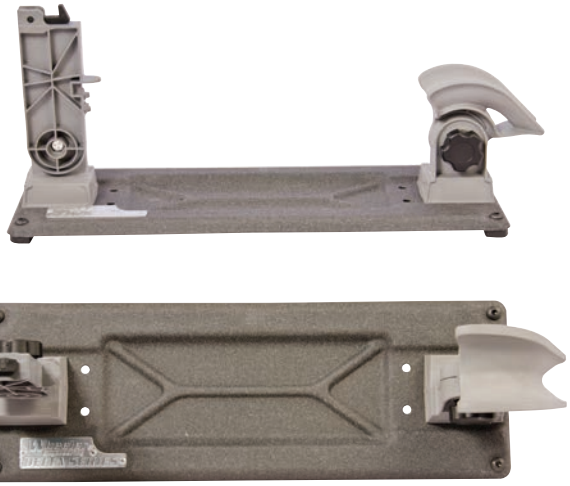

PRODUCT: 1099561 UPC: 661120418047

- STEEL CONSTRUCTION
- OVERMOLDED RUBBER HANDLE W/ TORQUE SPECS
- MIL-SPEC BARREL NUT WRENCH
- FREE FLOAT BARREL NUT WRENCH
- BUFFER TUBE CASTLE NUT WRENCH
- A2 FLASH HIDER WRENCH
- RIFLE RECEIVER EXTENSION WRENCH
- 1/2" TORQUE WRENCH COMPATIBLE

The Wheeler® Professional Armorer's Wrench is designed to be the last wrench you'll need for building your perfect rifle. This tool is what every gunsmith or armorer needs to be able to build or repair their AR-15.

AR ARMORER'S

VISE

PRODUCT: 156224 UPC: 661120562245

- NON-SLIP RUBBER FEET CAN BE REMOVED FOR PERMANENT BENCHTOP MOUNTING
- FOREND SUPPORT CAN ACCOMMODATE DIAMETERS UP TO 2.3"
- RIGID STEEL BASE FEATURES DEPRESSIONS FOR HOLDING SPARE PARTS OR TOOLS
- FRONT AND REAR SUPPORTS ROTATE TO MULTIPLE POSITIONS AND ARE REVERSIBLE FOR MAXIMUM CUSTOMIZATION

The AR-15 platform has become the mainstay of today's Modern Sporting Rifle market. The popularity and modularity of this platform has created the need for specific tools that allow users to build, maintain and reconfigure AR's. The Wheeler® Armorer's Vise provides users an ideal foundation for all AR tasks.

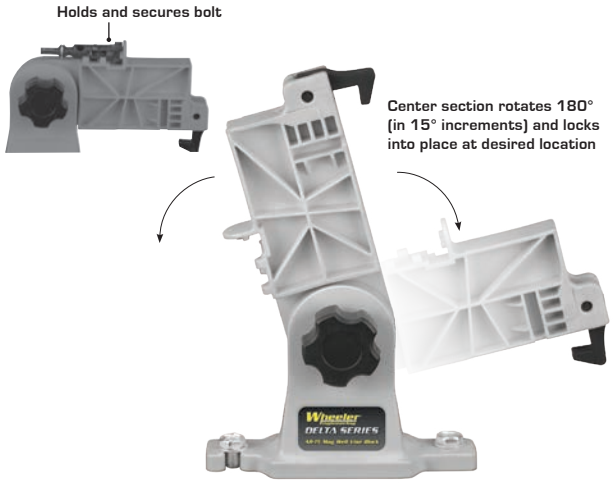

MAGWELL

VISE BLOCK

PRODUCT: 156211	AR-15	UPC: 661120562115
PRODUCT: 146200	AR-10/LR308	UPC: 661120462002

- BENCHTOP MOUNTABLE WITH INCLUDED FASTENERS
- LOCKS INTO PLACE USING MAGAZINE LOCK-ON RECEIVER
- BUILT-IN HAMMER STOP PREVENTS DAMAGE TO LOWER RECEIVER
- SOLVENT-RESISTANT POLYMER PROVIDES DURABILITY AND IS NON-MARRING TO SURFACES
- MAGWELL ARM IS REMOVABLE FOR CLAMPING IN A VISE

The Wheeler® AR-15 Magwell Vise Block is quite possibly the handiest tool an AR-15 owner could ask for. This center support slides into the magazine well and provides a steady base for cleaning or light gunsmithing on your AR-15.

AR UPPER/PIC RAIL

VISE BLOCK

PRODUCT: 156888 UPC: 661120568889

- MULTI-FUNCTION DESIGN HOLDS AR-15 AND MOST AR-10/LR308 UPPERS
- EASILY SECURE ANY PIC RAIL RECEIVER OR HANDGUN
- DURABLE MACHINED ALUMINUM CONSTRUCTION

The Wheeler® AR Upper Pic Rail Vise Block is designed to securely hold AR upper receivers. It will secure AR-15 uppers by engaging the takedown lugs on the bottom of the receivers. By reversing the direction it will secure most AR-10 style uppers in the same manner. The included Pic Rail slot allows any flat top upper or handguard with a pic rail to be securely held in a vice for cleaning or maintenance.

AR ARMORER'S

BENCH BLOCK

PRODUCT: 156945 UPC: 661120569459

- DURABLE NON-MARRING URETHANE MATERIAL TO PROTECT GUN FINISH
- DESIGNED TO ASSIST IN ALL ASPECTS OF AN AR-15 BUILD
- IDEAL FOR CHANGING OR ADJUSTING TRIGGERS
- HOLDS LOWER SECURE FOR ROLL PIN ASSEMBLY
- PERFECT FOR GAS BLOCK PINS

Tired of trying to secure your AR parts while installing a pin, detent or spring? The Wheeler® AR-15 Bench Block is the answer! Specifically designed for AR-15 assembly and disassembly, the AR-15 Bench Block is the perfect tool. It securely holds the upper receiver, lower receiver, front sight and charging handle during assembly, disassembly and maintenance.

AR UPPER

VISE BLOCK

PRODUCT: 156444 UPC: 661120564447

- FITS LEFT AND RIGHT-HANDED MIL-SPEC A2 UPPER WITH CARRIER HANDLES
- FITS FLAT TOP RECEIVERS
- MADE OF NON-MARRING, SOLVENT RESISTANT POLYMER MATERIAL
- UPPER SUPPORT ROD WITH INTEGRATED ALIGNMENT ROD ENSURES BARREL NUT IS PROPERLY ALIGNED

The Wheeler® AR Upper Vise Block is the perfect product for torquing a barrel on, removing a stubborn barrel nut, or for simple gun maintenance and cleaning. It is made of a non-marring, solvent resistant polymer material which can withstand almost anything you can throw at it.

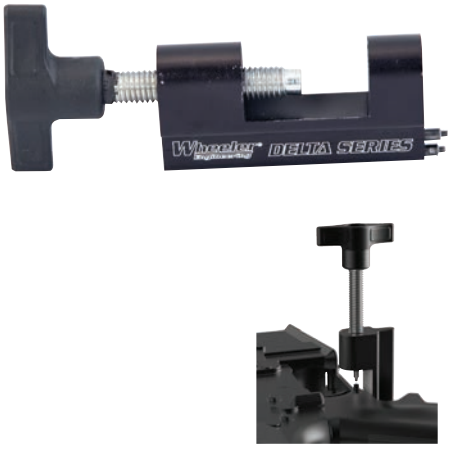

AR TRIGGER GUARD

INSTALL TOOL

PRODUCT: 710907 UPC: 661120109075

- INSTALL OR CHANGE TRIGGER GUARDS QUICKLY AND EASILY
- INSTALL AND UNINSTALL PINS INCLUDED
- PINS CONVENIENTLY STORE IN THE FRAME
- MADE OF DURABLE ALUMINUM WITH A MIL-SPEC ANODIZED SURFACE FINISH

The Wheeler® AR Trigger Guard Install Tool is designed to make quick work of installing and removing trigger guard pins.

AR-15 ROLL PIN

INSTALL TOOL KIT

PRODUCT: 952636 UPC: 661120526360

KIT INCLUDES:

- AR BOLT CATCH INSTALL PUNCH KIT
- AR TRIGGER GUARD INSTALL TOOL
- 3 STARTER STEEL PUNCHES (1/16", 5/16", 3/32")
- 3 DRIVER STEEL PUNCHES (1/16", 5/16", 3/32")
- TWO-SIDED HAMMER
- BLOW-MOLDED STORAGE CASE

The Wheeler® AR Roll Pin Install Tool Kit is perfect for installing or removing AR roll pins without marring the firearm. The included Trigger Guard Install Tool makes installing or changing trigger guards quick and easy. The Bolt Catch Install Punch Kit is flat on one side for proper alignment.

AR BOLT CATCH

INSTALL PUNCH KIT

PRODUCT: 710906 UPC: 661120109068

- FLAT ON ONE SIDE FOR PROPER ALIGNMENT
- RUBBER OVER-MOLDED TO PREVENT DAMAGE TO FIREARM
- INCLUDES 2 STEEL PUNCHES
- 1 WITH COUNTER-BORED TIP TO START ROLL PINS
- 1 WITH INDEXING TIP TO FINISH ROLL PINS

The Wheeler® Bolt Catch Install Punch Kit starts bolt catch roll pins easily with the starter punch and finishes installation flush with the finishing punch.

AR COMBO TOOL

WITH TORQUE WRENCH

PRODUCT: 156700 UPC: 661120567004

- HARDENED STEEL BARREL NUT PINS
- CUTOUT FOR 3/4" FLASH HIDER
- BUFFER TUBE NUT DRIVER
- CUTOUT FOR FIXED STOCK BUFFER TUBE

Cover most of your AR-15 service needs with a single tool. An innovative layered and laminated stamped steel construction makes the Delta Series® Combo Tool the most durable AR tool available. Additionally, the included Torque wrench in the Combo pack makes this a complete set for many AR maintenance and modification needs.

AR COMBO TOOL ONLY

PRODUCT: 156999 UPC: 661120569992

RECEIVER

LAPPING TOOL

PRODUCT: 156757	AR-15	UPC: 661120567578
PRODUCT: 1082227	AR-10/LR-308	UPC: 661120412564

KIT INCLUDES:

- FLEX DRIVER SHAFT IS COMPATIBLE WITH ELECTRIC DRILL
- 220 GRIT LAPPING COMPOUND
- LAPPING BAR FEATURES STEEL CONSTRUCTION WITH BLACK OXIDE FINISH

PRODUCT: 342303	LAP. COMP. KIT	UPC: 661120423034

KIT INCLUDES:

- 220 GRIT, 320 GRIT, & 600 GRIT COMPOUND

Get the perfect fit with the Wheeler® Receiver Lapping Tool. Lapping a receiver ensures a perfectly square and true surface for the barrel to mate against, enhancing accuracy. Honing the surface can produce optimal positioning of barrel nut so ideal torque can be achieved along with proper gas tube hole alignment.

LAPPING COMPOUNDS

REPLACEMENT GRITS

PRODUCT: 885040	220 GRIT	UPC: 661120190578
PRODUCT: 378413	320 GRIT	UPC: 661120190349
PRODUCT: 395155	600 GRIT	UPC: 661120090113

• REPLACEMENT COMPOUND FOR BORE LAPPING KIT.

AR PIVOT & ROLL PIN

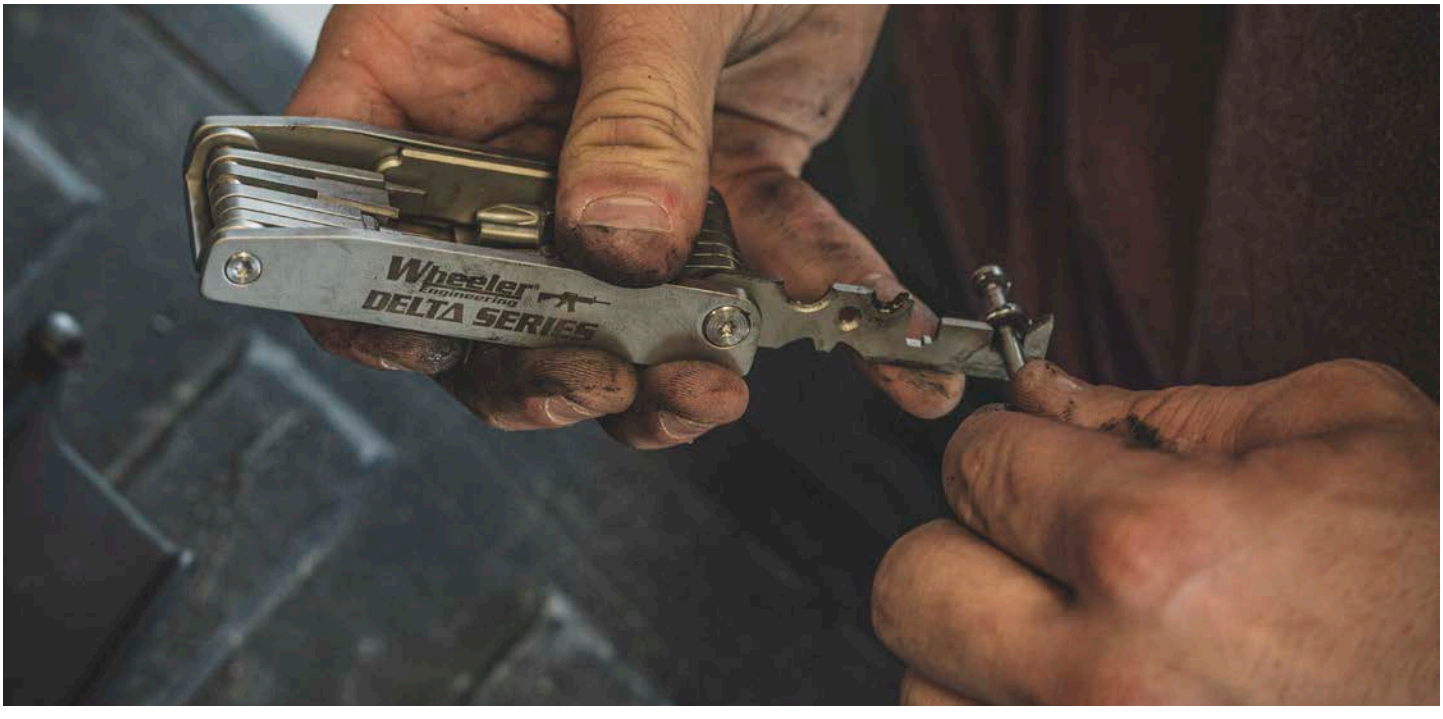

INSTALL TOOL

PRODUCT: 156243 UPC: 661120562436

• COMPATIBLE WITH THE AR-15, M4, OR M16
• FAST AND EFFORTLESS PIVOT SPRING AND DETENT WORK
• ROLL PIN PUNCH AND STARTER FOR ALL LOWER RECEIVER ROLL PINS
• KEY RING FOR STORAGE
• BLACK ELECTRO-COATED STEEL FOR DURABILITY

The Wheeler® AR Pivot & Roll Pin Install Tool is designed for use with the AR-15, M4 or M-16 rifles, making pivot pin spring and detent work fast and effortless. It comes with handy key ring for storage, and is made of black zinc plated steel to stand up to any job.

AR DELTA

RING TOOL

PRODUCT: 209943 UPC: 661120099437

- CUSTOM FORMED WIRE FITS SECURELY AROUND DELTA RING
- WELDED STEEL BRACKET FOR DURABILITY EVEN WITH STUCK OR BROKEN DELTA RINGS

The Wheeler® AR-15 Delta Ring Tool makes removing mil-spec AR-15 and M16 handguards easy by compressing the Delta Ring with one hand. The tool is contoured for an excellent fit around the delta ring and coated with vinyl to protect the firearms finish. The tool hooks into the empty magwell on the lower and is pulled back against the delta ring to allow the handguards to be easily removed or installed.

COMPACT AR

MULTI-TOOL

PRODUCT: 1078948 UPC: 661120412823

- MULTI-TOOL DESIGN TO PERFORM MANY FUNCTIONS IN THE FIELD
- SATIN-FINISH, STAINLESS STEEL CONSTRUCTION
- FEATURES AN AR CARBON MULTI-SCRAPER TOOL, 5/64" HEX, 7/64" HEX, 1/8" HEX, PIVOT AND TAKEDOWN PUNCH, #2 PHILLIPS, BOLT WAIST SCRAPER, INTERIOR BCG SCRAPER, T10, T15, T20 STAR, A2 FRONT SIGHT TOOL, 3/16" FLAT, 3/4" WRENCH, 1/2" WRENCH AND A CASTLE NUT WRENCH

There is no need for a tool box at the range when you have the Wheeler® Compact AR Multi-Tool. With a satin finish and stainless steel construction, this tool is not only handy, but durable. The multi-tool design can be used to perform many different functions in the field. When you need to make adjustments, or scrape some carbon build-up, simply reach down and grab this tool out of the included nylon belt sheath and go to work. After you are finished, snap the tool back in and continue shooting.

Belt sheath included

AR GAS BLOCK

TAPER PIN REMOVAL TOOL

PRODUCT: 1079898 UPC: 661120412793

- WORKS ON A2 FRONT SIGHTS
- WORKS ON SMITH & WESSON SINGLE-TAPER PIN GAS BLOCKS
- WORKS ON DUAL TAPER PINS
- CONSTRUCTED FROM DURABLE TOOL STEEL

Take full control of your custom build with the Wheeler® Gas Block Taper Pin Removal Tool. Whether you have a vise, or just a ball peen hammer, the Support Block paired with the starter and finishing punches makes removing A2 style gas blocks quick and easy. Built with durable tool steel, this is a must-have for any work bench.

AR FRONT

SIGHT TOOL

PRODUCT: 156437 UPC: 661120564379

- COMPATIBLE WITH ANY 1/4" HEX DRIVER
- BLACK ZINC-PLATED STEEL FOR DURABILITY

The Wheeler® AR Front Sight Tool is a 4-prong front sight tool designed to install and adjust the A2 front sight found on the AR-15, M16, and M4. It is machined from steel and has a black zinc finish to last for years. The key ring serves as a handle and helps keep the small tool accounted for. Can be used with any ¼" hex driver.

AR CARBON

MULTI-SCRAPER

PRODUCT: 1078195 UPC: 661120411352

- CLEANS 11 SURFACES OF THE BOLT CARRIER GROUP
- FITS INSIDE AR PISTOL GRIPS
- COATED STAINLESS STEEL CONSTRUCTION

Keep carbon build-up from effecting your next shot with the Wheeler® AR Carbon Multi-Scraper. This stainless steel coated, compact tool is made to clean 11 vital surfaces of the bolt carrier group. Keep this tool on your bench or take advantage of its convenient size by storing it inside your rifle's pistol grip. This is the perfect tool for getting back to shooting quickly and effectively.

BORE GUIDES

PRODUCT: 156213	AR-15	UPC: 661120562139
PRODUCT: 156777	AR-10/LR308	UPC: 661120567776
PRODUCT: 777209	300 AAC BLK.OUT	UPC: 661120772095

- PREVENTS DAMAGE TO BORE BY ALIGNING CLEANING ROD
- DURABLE ANODIZED FINISH

The Wheeler® AR-15 Bore Guide works well with .223 and .204, while the AR-10/LR308 Variant works well on .308. The AR-15 300 AAC Blackout Bore Guide works on any 30 caliber, 6.5 or 6.8 AR-15. The AR-15 Bore Guide inner tube diameter is .250" fit securely in any AR-15 or AR-10/LR308 upper and can be retained in place by closing the dust cover on the upper—engaging a groove in the guide.

AR-15 COMPLETE

BRUSH SET

PRODUCT: 156715 UPC: 661120567158

KIT INCLUDES:

- MAGAZINE/UPPER RECEIVER BRUSH WITH MAGAZINE TAKE DOWN TOOL
- BOLT CARRIER BRUSH WITH 8-32 THREADS
- CHAMBER BRUSH WITH 8-32 THREADS
- .22 CAL BORE BRUSH WITH 8-32 THREADS

The Wheeler® AR-15 Complete Brush Set is specifically designed for cleaning your AR-15. The high quality nylon brushes brushes feature an 8 x 32 thread to fit on the included cleaning handle or any 8 x 32 cleaning rod. The brush set has everything you need to clean your rifle, plus everything you need to keep your magazines clean and running reliably.

COMPACT TACTICAL RIFLE

CLEANING KIT

PRODUCT: 1082251 UPC: 661120412762

- FOR USE ON .22 OR .30 CALIBER RIFLES
- SEMI-RIGID CARRY CASE FITS INTO AN AR MAGAZINE POUCH
- COLLAPSIBLE STAINLESS STEEL CLEANING ROD WITH ROTATING T-HANDLE

Hold the power to clean your rifle in the palm of your hand with the Wheeler Delta Series Compact Rifle Cleaning Kit. This kit comes in a semi-rigid, zippered carry case and can be used on .22 and .30 caliber rifles. Whether you travel a lot, clean at the range, or like to be organized at home, this kit is the perfect size for storing in small spaces, including a magazine pouch, and durable enough to take anywhere. Hold the power to clean your rifle in the palm of your hand with the Wheeler Delta Series Compact Rifle Cleaning Kit. This kit comes in a semi-rigid, zippered carry case and can be used on .22 and .30 caliber rifles. Whether you travel a lot, clean at the range, or like to be organized at home, this kit is the perfect size for storing in small spaces, including a magazine pouch, and durable enough to take anywhere.

AR-15 MAINTENANCE MAT

47" X 20"

PRODUCT: 156824 UPC: 661120568247

- MADE OF PADDED NEOPRENE
- ABSORBS OILS AND SOLVENTS
- NON-SLIP RUBBER BACKING
- ROLLS UP FOR EASY STORAGE
- HAND WASHABLE

The Wheeler® AR-15 Maintenance Mat is perfect for any AR-15 owner. It features a screen printed expanded view of an AR-15 Carbine to easily identify the parts of your rifle. The mat is made of a dark gray non-marring padded neoprene material with a durable non-skid rubber backing to protect firearm finishes while helping to keep track of small parts. Excess oils and solvents are absorbed into the mat, keeping the surface clean and dry.

PRODUCT DIMENSIONS **7"W x 11"H x 5.25"D**

COMPACT AUTO DEHUMIDIFIER

SKU **1117252** // UPC **661120080510** // CASE PACK **4**
PRODUCT DIMENSIONS **6"W x 9.25"H x 4.5"D**

- DIGITAL CONTROL PANEL FOR READING IN LOW LIGHT ENVIRONMENTS
- AUTOMATIC AND CUSTOM HUMIDITY CONTROL FOR PRESERVING VALUABLES

Lockdown's® Automatic Dehumidifiers are the ultimate in humidity protection. Available in a standard and compact size, the dehumidifiers remove moisture directly out of the air using an ultra-efficient thermo-electric process. Water drains into a holding tank or directly to a drain with the built-in extended hose connection. Best of all, the Automatic Digital Control turns the unit on only when the humidity gets high and turns it off when it's back under control. Preserve and protect your valuables with Lockdown's Automatic Dehumidifiers.

GUN CONCEALMENT MAGNET

SKU **222501** // UPC **661120225010** // CASE PACK **5**
PRODUCT DIMENSIONS **4.75"W x 1.5"H x .5"D**

- RUBBER COATED FOR NON-MARRING OF VALUABLES
- EASILY MOUNTABLE WITH INCLUDED WOOD AND DRYWALL SCREWS
- THE MAGNUM HOLDS 75LBS. FOR HOME DEFENSE SHOTGUNS AND RIFLES
- THE GUN CONCEALMENT MAGNET HOLDS 23LBS. FOR FULL-SIZE PISTOLS & REVOLVERS

The Lockdown® Gun Concealment and Magnum Magnet can be mounted conveniently in a variety of locations to securely hold firearms in place. The powerful magnets easily hold a variety of firearms with their two sizing options. The Gun Concealment Magnet supports full-sized pistols and revolvers and the Magnum Magnet supports pistols and long guns up to 75lbs. A durable rubber coating protects the finish on the gun. The magnets make it perfect for securing a gun out of sight, but within easy reach such as under a desk or nightstand drawer. Multiple magnets can be used to support rifles or shotguns. Organize and store your firearms in a new way with Lockdown's Gun Concealment and Magnum Magnets.

NIGHT GUARDIAN – LOW PROFILE HOLSTER

SKU **110126** // UPC **661120001386** // CASE PACK **6**

- 4.25" WIDE ELASTIC HOLSTER FITS MOST COMPACT TO FULL SIZE FIREARMS
- SECURELY MOUNTS IN PLACE WITH NO TOOLS

The Lockdown® Night Guardian Low Profile Holster is made specifically for the person that wants a lower profile bedside holster but wants to maintain the same accessibility as the original Night Guardian Holsters. The Night Guardian Low Profile Holster is made of nylon with reinforced backing for rigidity. The tuckable section can be folded at different depths for holder height adjustment. The 4.25 inch wide elastic holster holds handguns from compact semi-autos to full frame revolvers. This holster was designed for ambidextrous use and has 2 accessory/ magazine elastic holsters along the side.

NEW PRODUCTS

125LB Vehicle Spreader

ID: 1135917 **UPC:** 661120263562 **PATS:** aob.com/patents

12" HOPPER OPENING
for easy fill

MEDIA LEVEL
indicator

HITCH MOUNT
included

MULTI-SEASON
spreader

ADJUSTABLE
feed rate

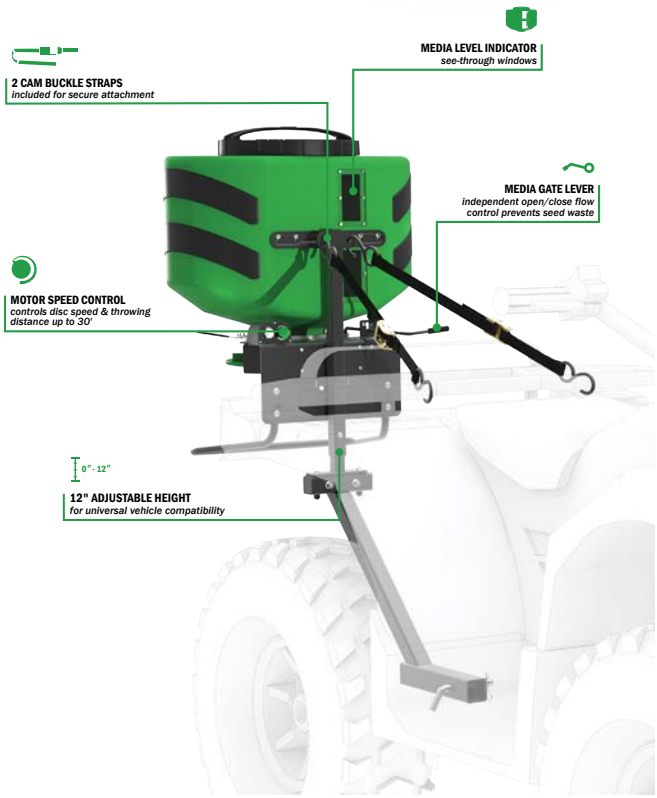

PROPRIETARY
throwing disc

The Hooyman® 125LB Vehicle Spreader features innovation, durability, and effort-free spreading all in one. The feed rate adjustment lever allows the user to throw various seed sizes ranging from fine clover to larger seed, fertilizer, and salt granules. The media gate lever allows the operator to start and stop the media flow with a simple pull or push. The speed control knob adjusts the speed of the proprietary curved fin throwing disc, giving unmatched throwing distance and even media coverage. The Vehicle Spreader includes a 2" hitch mount, but its optional rack and winch mounts make this unit completely universal. . The Hooyman® Vehicle Spreader also comes with a 12V accessory plug, ring terminal connection, and an alligator clip power cord.

- Fewer refills: 125LB hopper holds more media for longer spreading
- Wider, even coverage: curved fin disc throws farther and distributes evenly
- Spreads any media: feed lever adjusts for clover, seed, or salt
- Precise control: adjustable motor speed sets throw distance and rate
- Easy mounting: includes 2" hitch for quick setup
- Flexible power: comes with 12V plug, ring terminals, and alligator clips
- Mount your way: optional rack and winch mounts available.

- **PROPRIETARY** *throwing disc* (UP TO 20')
- **EASY FILL** *construction*

35LB CAPACITY

H-GRIP® HANDLE

The Manual Chest Spreader delivers reliable performance in every season. An adjustable feed gate handles everything from clover and corn to fertilizer and salt granules with ease. The custom-fit harness system offers superior comfort for long days in the field. And with our proprietary throwing disc, you'll get up to 20 feet of even, forward-facing coverage—perfect for efficient, uniform spreading.

- Fewer refills: 35LB hopper holds more media for longer spreading
- Wider, even coverage: curved fin disc throws farther and distributes evenly
- Spreads any media: feed lever adjusts for clover, seed, or salt
- Precise control: adjustable motor speed sets throw distance and rate
- Secure grip: H-grip handle gets tackier when wet for better control

- **COMFORTABLE** *harness system*
- **MULTI-SEASON** *spreader*
- **ADJUSTABLE** *feed rate*
- **PROPRIETARY** *throwing disc* (UP TO 20')
- **EASY FILL** *construction*

35LB CAPACITY

The 24V Lithium-Ion Chest Spreader is built for efficiency and ease. With an adjustable throttle, you can fine-tune your spread rate on the fly for precision in any terrain. Our proprietary throwing disc delivers extended range and even distribution, ensuring consistent coverage with every pass. And with up to 3 hours of continuous runtime, most jobs are done on a single charge—no interruptions, no hassle.

- Fewer refills: 35LB hopper holds more media for longer spreading
- Wider, even coverage: curved fin disc throws farther and distributes evenly
- Spreads any media: feed lever adjusts for clover, seed, or salt
- Precise control: adjustable motor speed sets throw distance and rate
- Longer runtime: 2-hour continuous use keeps you moving

PADDED SHOULDER STRAP

H-GRIP® HANDLE

CURVED FIN THROWING DISC

ADJUSTABLE FEED RATE

The Hooyman Bag Spreader is designed for efficient, reliable coverage whether you're laying seed, salt, fertilizer, or food plot media. At its core: metal gears outperform and outlast the plastic systems found in competitor models. That means smoother operation, greater durability, and zero tolerance for failure, even in rugged conditions. But we didn't stop there. Our proprietary curved fin throwing disc is engineered to deliver longer, more consistent throw distances, ensuring your media is spread evenly and effectively across your terrain.

- Metal Gears: More durable than competitors' plastic options
- Curved Fin Throwing Disc: Enables longer throwing distance than competitors
- Self Standing Bag: Allows for non-spill filling up to 25 lbs
- Padded Shoulder Strap: Evenly distribute weight with padded carry support
- H-Grip Side Handle: Better grip and less slip
- Weather-resistant Design: TPU lined nylon protects media from the elements
