BUBBA SMART FISH SCALE

1186932 BUBBA SMART FISH SCALE // UPC: 661120654940

INSTANTLY WEIGH AND LOG ALL OF YOUR CATCHES

Introducing the newest top-of-the-line fishing tool from BUBBA, the Smart Fish Scale. Featuring our **ICONIC NON-SLIP GRIP**, the SFS is the perfect fish scale, whether you're a hobbyist or a fierce competitor. The unmatched **60-POUND WEIGHT LIMIT** and **BEST-IN-CLASS ACCURACY OF $\pm 0.3\%$** offers a fully robust fish scale like never before.

The Smart Fish Scale features two different modes; Tournament Mode and Rally Mode that each include their own features and capabilities, such as a **SMART CULLING SYSTEM**, auto data for total bag weight, and livewell management of up to 8 fish.

With the waterproof product design, you can ensure this product will never fail you even on the toughest days on the water.

LITHIUM ION **ELECTRIC FILLET KNIFE**

1095705 LITHIUM-ION // 4 BLADE SET // UPC: 661120416128

This **LITHIUM ION ELECTRIC FILLET KNIFE** is ergonomically designed to fit perfectly in your hand. We've stayed true to our roots by incorporating the iconic non-slip grip handle. In addition, our lithium-ion battery has the longest runtime of any electric fillet knife on the market, so you can stack fillets until you're out of fish.

The engineered ventilation maximizes motor transmission output, giving you an incredible amount of torque. Included are **FOUR DIFFERENT BLADE STYLES** that reflect our legendary tapered flex and stiff fillet knives. These blades are constructed out of high carbon stainless steel and coated with titanium nitride making them extremely corrosion resistant.

We've also incorporated a **SAFETY LOCK AND TRIGGER GUARD FOR ULTIMATE SECURITY**. The electric fillet knife comes in a premium EVA molded carrying case, which allows you to break apart the storage units for easy cleaning. This knife contains a spare battery, charging cord, and all batteries include a battery life indicator, so you can rest assured that you'll never run out of juice.

This electric fillet knife is **EXACTLY WHAT YOU'VE BEEN LOOKING FOR**, and it's ready to fillet any fish, any time.

- LANYARD ATTACHMENT

The **8.5" STAINLESS STEEL PISTOL GRIP PLIERS** bring a new level of strength and durability to fishing pliers. Developed with premium, **STAINLESS STEEL** and a titanium nitride coating, these pliers are purpose-built to withstand extreme duress and **RESIST CORROSION**. They feature a unique **90 DEGREE ANGLE** to make it easy to get to those hard to reach areas. They come equipped with carbide cutters, crimping cutouts and are spring-loaded, so they are always ready to go. The Stainless Steel Pliers also provide a **HIGH-END, MOLDED POLYMER SHEATH** with belt clip that allows for easy one-handed access and secure storage. On top of all this, they are engineered with our **ICONIC, NON-SLIP GRIP** for maximum control. These are the last set of fishing pliers you will ever need.

6" HOOK EXTRACTOR

SKU: 1109761 // UPC: 661120079897

The **6" HOOK EXTRACTOR** is the perfect tool for removing deeply sunk or swallowed hooks, all while putting less harm on your catch. Engineered with a **HIGH-STRENGTH, ANODIZED ALUMINUM SHAFT** and a stainless steel hook, the 6" Hook Extractor will stay strong and sturdy in even the most demanding conditions while the titanium-nitride coating provides superior corrosion resistance. Our **ICONIC NON-SLIP GRIP** and comfort ergonomics allow for simple, **ONE-HANDED USE** and ensure a secure grip through the whole hook removal process. The 6" Hook Extractor is **SPRING-LOADED** and equipped with a **ROUNDED HOOK** to make it easy to navigate and then grasp and safely remove the sunken hook with a single pull. The 6" Hook Extractor will make **REMOVING HOOKS EASIER** than ever and save more fish along the way.

Slicing through fish has never been easier, and your fingers have never been safer with our **ULTIMATE FILLET GLOVES**. Engineered for comfort and protection, we've incorporated our **ICONIC NON-SLIP GRIP** into the palm and fingers, so you can keep a firm grasp on the blade while turning your latest catch into your next meal. They're designed with **CUT AND PUNCTURE-RESISTANT** materials, including a Kevlar layer, to protect your fingers from those nicks and fins. We've also incorporated a **TOUCH-SCREEN FRIENDLY** surface on the index fingers and thumbs, so you can quickly snap a picture of that fish of a lifetime and send it to all your friends. Sold in pairs.
