

NOSLER[®] WHITETAIL COUNTRY

Whether you're chasing that trophy buck, shooting management deer, or simply filling the freezer, you need ammunition you can rely on for a quick, clean kill every time. Loaded with either the legendary Solid Base[®] bullet or the high-performance Straight-Wall bullet, Whitetail Country[™] ammunition is crafted with decades of hunting expertise and engineered specifically for deer. A step above the rest, it delivers consistent, reliable performance in every round at an unbeatable value. Whitetail Country[™] ammunition sets a new standard in deer hunting with exceptional bullet penetration and expansion to kill deer quick.
